Sir,

All India Council for Technical Education (AICTE) has signed a MoU with Monster India to facilitate in job opportunities to students and fresher candidates across the country.

As a part of this MoU, Monster India will act as an interface among students, colleges and recruiters by aiding institutions approved with the AICTE, to map their students' talent and provide them with relevant job opportunities.

Under the MoU, Monster India will manage and monitor campus recruitment activities of colleges approved by the AICTE for students from various streams- engineering and technology; applied arts and craft; hotel management and catering; management; pharmacy and architecture and town planning.

Apart from creating and managing the platform, Monster India will also provide facility for practice tests to check employability, identify skill gaps through assessment and suggest proactive measures to overcome it.

Under the ambit of the MoU, Monster.com has provided AICTE with a customized platform page on **Monster College**.

The customized exclusive page can be accessed at
