Respected Sir,

[Hyderabad's Best Coder](#) is a Coding Contest that is being conducted from past three years. This Contest is being conducted to foster the culture of programming in colleges of Hyderabad and provide a platform to encourage and motivate students of colleges (**Other than** IITs/NITs/BITS/IIITs etc).

[Being Zero](#) conducts this contest as non-profit event. Being Zero is a company run by ex-Microsoft employees with more than 10+ years of work experience; It was started with a goal to make coding easy to grasp through hands-on learning and learn-by-doing approach.

Contest is open for students of all branches who have completed a course in C or C++ and Data Structures and Algorithms. Students can choose to code in C/C++ language.

Event Has 3 Rounds in Total.

ROUND 1: Conducted College Wise with the Help of HODs (Online Round with Two Coding Questions)

ROUND 2: Online Coding Contest on HackerRank/HackerEarth (Students can Attend this from Home)

FINALS: In-Person Coding Contest at JNTUHCEH/VNRVJIET College Camps.

All Granular Details about the contest can be found at [Facebook Page](#)

We request your help in passing this information to students of your department. Organizing Committee will soon be visiting your college campus to hand over the POSTERS and publicize the event in your college.

Requesting your help and cooperation in conducting the event.

Warm Regards,

Sandeep
