

CHAITANYA BHARATHI INSTITUTE OF TECHNOLOGY (A),
Gandipet, Hyderabad - 500075

Dt.19.08.2017

To
The Editor,
Deccan Chronicle,
Hyderabad.

Respected Sir,

Sub : Certain wrong information in the News Item appearing on Page - 3 of Deccan Chronicle dt.19.08.2017.

In the Deccan Chronicle issue dt.19.08.2017 on Page No.3 under caption "**CBIT HoD held for cheating**", the following wrong information was printed.

"The Cyberabad police on Friday arrested Asha Latha, the head of department of computer science at Chaitanya Bharathi Institute of Technology, Gandipet, for allegedly cheating a student."

It is to be informed that Mrs. Asha Latha was only working as a contract Assistant Professor (English) in the Department of M&H and not the Head of the Department of CSE at CBIT and she left the institute on 12.07.2017.

We request you to kindly print a correction in tomorrow's issue to appear prominently as the information printed will affect the image of the Head of the Department of CSE. The Head of the Department of CSE is also getting calls causing mental agony to her.

We request for your immediate action and confirmation in this regard.

With regards,

Sd/-
