Greetings from Stockroom.io, we help companies find and recruit curated technical talent through online and offline coding challenges. We request you to forward the below details about SBI hackathon to all your students from first year to final year and encourage them to participate and win Nation wide hackathon.

Country's largest bank State Bank of India (SBI) is inviting the brightest developers, startups, technologists and university students to ideate and build innovate solutions for the bank through Automate for Bank 2018 [#A4B2018] hackathon in collaboration with Stockroom.io.

The event is to be organised in 3 rounds

- Phase 1 (Idea Submission)
- Phase 2 (Working Prototype Development) and
- Phase 3 (Onsite POC/System Integration)

Participants are required to register first, as teams, on the portal. Team size to be kept as 2(minimum) and 4 (maximum).

Students from first year till final year can participate as the hackathon is about innovation and ideation.

Winners stand a chance to win 1,00,000 INR and incubation support from SBI.

Submit your ideas for Ideation phase before 11th February 2018 at <https://sbi.stockroom.io/>
