No. CBIT/Admn./   /2018   16th Mar. 2018

CIRCULAR

DrillBit Software is a pioneer in anti-plagiarism software that checks for any duplicate or copied content in comparison to the larger data available globally and aimed to bridge the gap between research and duplication. A Demonstration is being organised by the DrillBit on 17.03.2018 at 2.00PM in the C-203 of C-Block. All the Deans, Heads of the Departments / Sections are requested to attend the Demo and all the interested faculty are advised to attend the same.

                                                                  Sd/-
                                                          PRINCIPAL

To
