

Department of Chemical Engineering Technical Competitions (IICHE Activities)

- Indian Institute of Chemical Engineers (IICHE) was born on the eve of the Indian Independence during the days fomenting with nationalistic aspirations. Dr. Hira Lal Roy, the great visionary and pioneer of Chemical Engineering education in India, along with a few other stalwarts felt the need for such a forum within the country to spread Chemical Engineering education and to foster the interest of the Chemical Engineering profession in general.
- Today, with around 30,000 members on its roll, the Institute has emerged as the apex professional body of Chemical Engineering professionals in India and has developed a distinct profile of its own. As a matter of fact, IICHE is always moulding itself and playing a proactive role to keep up with the dynamic needs of the economy and the society.
- The department is organizing Activities like Skill and Knowledge Development, Publication, Research and Developments, Professional Meets CHEMCON SCHEMCON, Awards and Collaborations.
- The Department of Chemical Engineering of the institute in association with the Indian Institute of Chemical Engineers, Hyderabad Regional Centre (IICHE-HRC) conducted a Lecture Series -9 on the topic of **“Computational Thinking in Chemical Engineering”** on the 11th of November,2022 in online mode .

- The Department of Chemical Engineering of the institute in association with the Indian Institute of Chemical Engineers, Hyderabad Regional Centre (IICHE HRC) conducted a Lecture Series -12 on the topic of **“My Journey as an entrepreneur from problem to solution whilst chasing impact”** on the 31st March ,2023 in online mode.
