

GUEST LECTURES

- An invited keynote guest lecture is given on “Startup Essentials: Crafting Your Path to Success” by Mr. Kartikeya Baldwa, CEO of IXOREAL BIOMED Inc. on 26th February, 2024.

- A CEO Speak session was conducted on “Health Care for All : An Overview of the Pharmaceutical Industry and its Dynamics” by Dr V Prasada Raju, Managing Director and CEO, Cohance Lifesciences Limited, Hyderabad on 25th November, 2023.

- An invited guest lecture was delivered by Dr. Akio Elbihara, Faculty of Applied Biological Sciences, Gifu University, Yanagido, Gifu, Japan & Academic Coordinator, International joint master’s degree program in food science and technology, IIT Guwahati on “Prospects

of Food Biotechnology for Chemical Engineering & Biotechnology” on 19th November, 2023.

- An interactive session on “Unlocking Career Avenues - The Intersection of Chemical Engineering and Management” by Ms. M. Sejal, Associate Program Manager – KekaHR on 17th October 2023.

- A guest lecture was delivered on “Emerging innovations in chemical industry towards sustainability” by Mrs P. Soumya, Asst. Professor, Chemical Engineering, JNTUH on 30th August, 2023.

"Mallikarjuna" Bharathi Institute of Technology
Gandipet, Hyderabad-76.

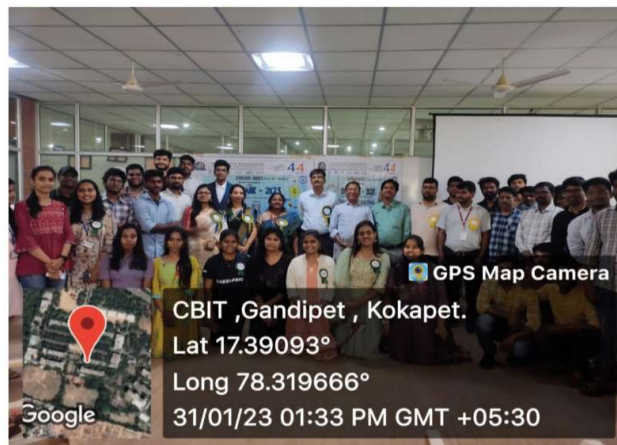

- A guest lecture was delivered on “Innovations Ecosystems in India” by the Dr. Sanjay Bharadwaj, Head-CTAT, ARCI, Hyderabad and Chairman, IChE, Hyderabad Regional Center on 13th April 2023.

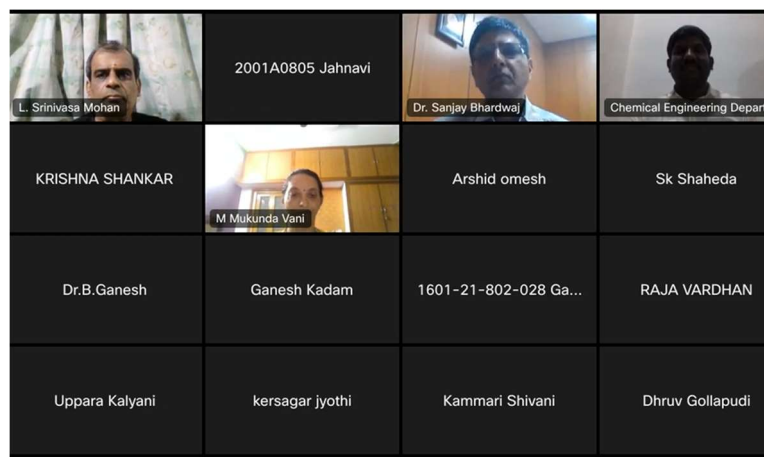

- An online guest lecture on “My Journey as an entrepreneur from problem to solution whilst chasing impact” was delivered by Mr. Anirban Palit on 31st March, 2023.

- A keynote address as part of Chemspark 2023, on “Overview of Energy scenario in India” was delivered by Sri Mikkilineni Akkaiah Choudary, Retd. General Manager, Indian Oil Corporation Limited Refineries Division on 31st January 2023.

- Guest lecture on “Computational thinking in Chemical Engineering” was delivered by Dr. Srinivasa Mohan, Senior Principal Scientist Application Specialist, Ansys on 11th November 2022.

- A guest lecture and an interactive session was conducted with faculty and students on “Collaborative research and graduate programs at West Virginia University” by Prof. Srinivas Palanki, Professor and Chairperson, Department of Chemical and Biomedical Engineering, West Virginia University on 27th October 2022.

- A seminar on “Career Guidance for Chemical Engineers in Abroad/India” was delivered by Mark Brandon Venum, Career Architect, Senior Associate, Strategic Partnerships, CareerLabs on 13th October 2022.

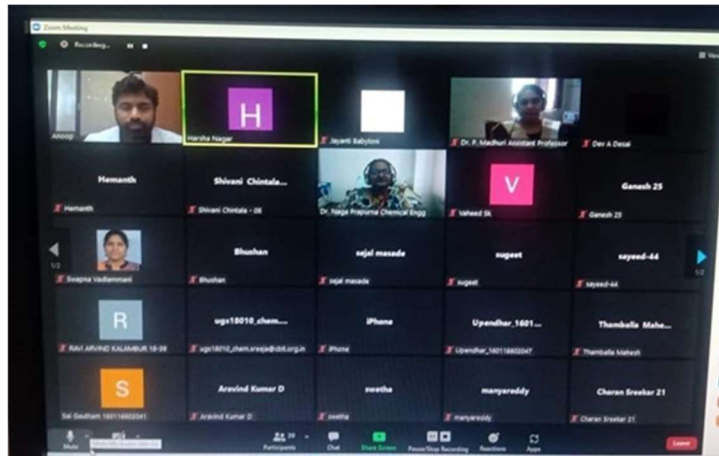

- Sri. S. Chiranjeevulu, Retired Chief Manager (QC, R&D) Mangalore Refinery and Petrochemicals Ltd, ONGC delivered an invited talk on “An overview of petroleum refinery industry and job opportunities” on 22nd September 2022.

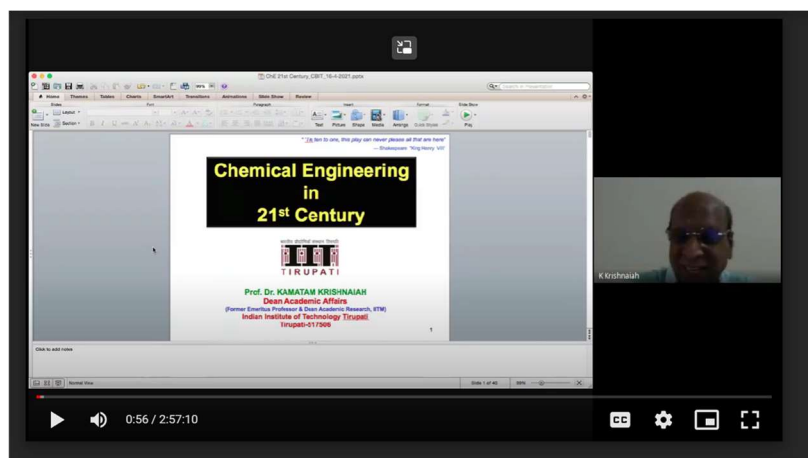

- A Guest Lecture was delivered on “Circular Economy and Sustainability” by Ms. T. Sindhuja, Managing Director, Biosephia Engineering Services, Hyderabad (Alumnus 2018 batch) on 21st June, 2022.

- Guest Lecture was delivered on Atomistic Modeling using Molecular Dynamics Simulations and its Applications by Dr. Anoop Kishore, alumnus 2009, Assistant Prof, Chemical Engineering Department, Manipal Academy of Higher Education (MAHE), Manipal, Karnataka on 4th Feb 2022.

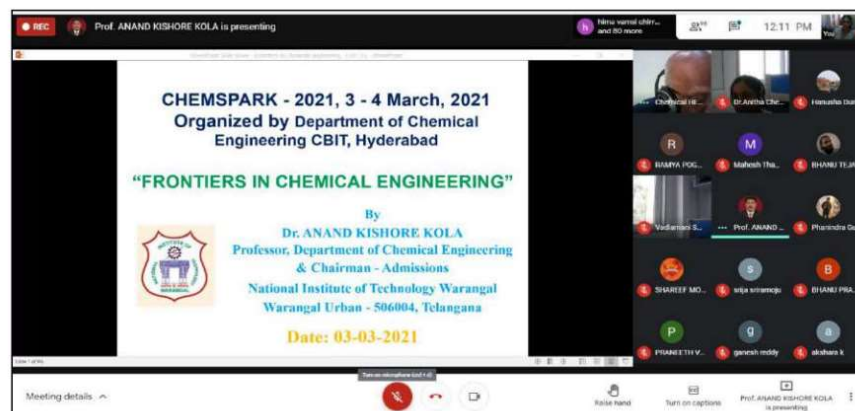

- Guest Lecture was delivered on “Chemical Engineering in 21st Century” by Dr. K. Krishnaih Professor, IIT Tirupati on 16th Apr 2021.

- Guest lecture was delivered on “Details of M/S. VVN GLOBAL EHS CONSULTANTS” by Mr.Ramaiah Thadikamalla –Director Projects on 20 th Feb 2021.

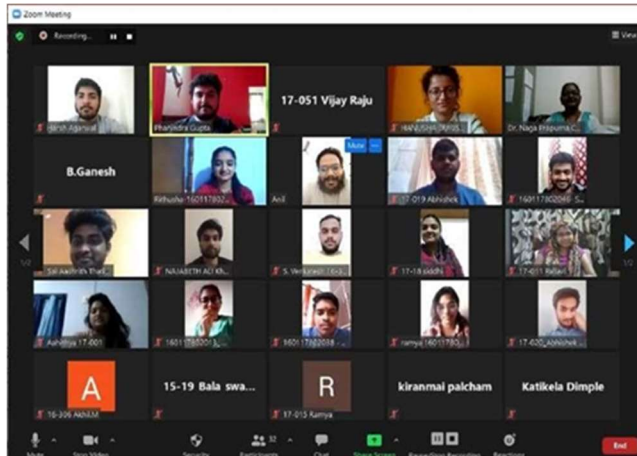

- Guest Lecture was delivered on “Challenges and Opportunities in Carbon Capture” by Dr. Sasidhar Gumma, Prof. and Head, Chemical Engineering, IIT-Tirupati, on 25th Feb 2021.
- Guest lecture was delivered on “Frontiers in Chemical Engineering” by Dr.K Anand Kishore, Professor, Department of Chemical Engineering, NIT Warangal, on 3rd March, 2021.

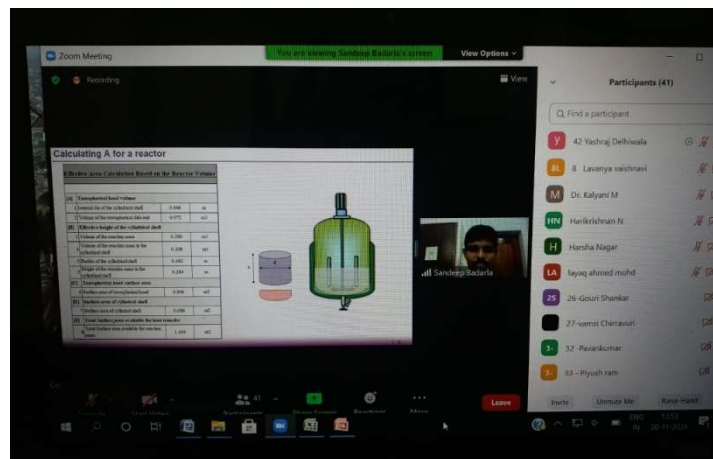

- Guest Lecture was delivered on “E-Waste management” by Mr. Anil Potluri (Dept. Alumnus- 2010 batch), Managing Director, Green Waves Environmental Solutions, on 25th Nov 2020.

- Guest lecture was delivered on “Role of Chemical Engineers in Pharmaceutical Industries” by Mr. Sandeep Badarla, (Dept. Alumnus – 2014 batch), Scientist - Process Engineer, API - Process Engineering, Dr. Reddy’s labs, Hyderabad, on 20th Nov 2020.

- Guest lecture was delivered on “Role of Chemical Engineers in Pharmaceutical Industries” by Mr. Sandeep Badarla, (Dept. Alumnus – 2014 batch), Scientist - Process Engineer, API – Process Engineering, Dr. Reddy’s labs, Hyderabad, on 20th Nov 2020.

- Guest lecture was delivered on “Ultra-Sonication for Bio-Fuels, Waste Valorisation and Carbon Capture” by Dr. Srinivas Mettu from RMIT University, Melbourne on 23rd December 2019.

- Guest Lecture was delivered on “Real Time Optimization & Control in process Industries” by Dr. I. Sreedhar, Associate Prof, BITS, Hyderabad on the 6 th Sep 2019.
- Guest Lecture was delivered on “Material & Energy Balance Computations” by Dr. V. Sankara Rao, Sr. Manager, Schneider Electric, Hyderabad on the 6th Sep 2019.
