

CONFERENCES/WORKSHOPS/SEMINARS

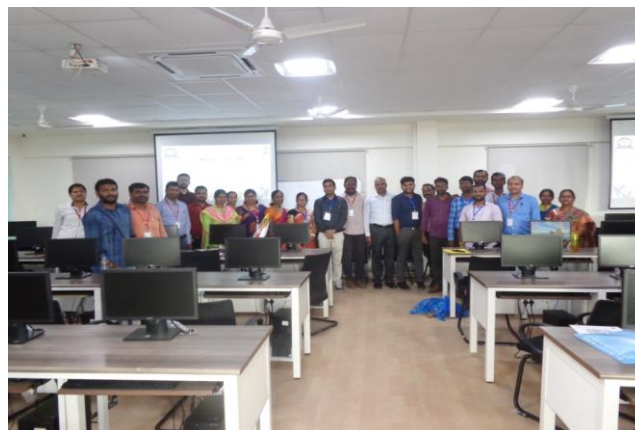

- One-week Faculty Development Programme titled “IoT for Emerging Applications”, Electronics & ICT Academy of IIT Guwahati, Assam in association of Dept of ECE, CBIT (A) was conducted during 4th to 8th February 2020.

Inaugural function of One-week Faculty Development Programme

Certificates Distribution

Valedictory function of One-week Faculty Development Programme

- The ECE department was organized A Two Day Workshop on Pattern Recognition and Machine Learning during 30th and 31st May 2019 by eminent Resource Persons are Dr. Sudheer Reddy. D. Scientist, ADRIN, Dept. of Space. Hyderabad, Dr.Siba Kumar Udgata, Professor, Department Of Computer Science, University of Hyderabad, Hyderabad and Dr. T.V.Rajanikanth , Professor, Department Of Computer Science, SNIST, Hyderabad.

Inaugural function on Pattern Recognition and Machine Learning

Valedictory function and also superannuation function of Prof. AV Narasimha Rao Professor ECE department.

- A two day Workshop on “Hands On Mydaq and Myrio Using LabVIEW” Organized By Department of Electronics and Communication Engineering during 13th & 14th November 2019 by expert Mr.Rohit, National Instruments, Hyderabad.

Speaker Mr.Rohit and Participants

- A Seminar on “How to Solve Verbal Ability by using Mathematical Equations and Career Guidance” on 04th January 2019 by Byjus representative.

Byjus Representative with Participants

- One-Day Seminar on “Artificial Intelligence / Internet of Things” by Mr. GovardhanMattela and Mr. DevanjanSikdar , 5th February 2019.

Participants

- A Seminar Entitled “Wireless Channel Modelling Of Drone-Ground Links” Organized By The Research And Development Centre And Department Of Electronics And Communication Engineering, 30th August 2019 by Prof. K V S Hari, Dept. of ECE, IISc, Bangalore.

Speaker: Prof. K V S Hari, Dept. of ECE, IISc, Bangalore

- A Seminar on “Vikram Lander: Chadrayaan-2” organized by the Research and Development Centre, IEEE CBIT SB, MOI of ECE and Department of Electronics and Communication Engineering during 11th Nov’2019 by Prof. Dr.Ahmed, Central Instruments Laboratory, HCU, Hyderabad.

Prof. Dr.Ahmed, Central Instruments Laboratory, HCU, Hyderabad.

Valedictory function of “Vikram Lander: chadrayaan-2”

- A Seminar Entitled “Hardware Implementation of Machine Learning Algorithms” Organized By IEEE CBIT SB and Department of Electronics and Communication Engineering on 27th December 2019 by Prof. Srinivas Katkooi, CSE, University of South Florida, FL, USA.

Inaugural function of “Hardware Implementation of Machine Learning Algorithms”

- As a part of training programs which are being periodically organized by ECE Department an internal training on 'Cadence Tools' was organized for the benefit of Faculty, PG and UG Students during 11-12 February 2019. This training was conducted by Sri. Sarath Kanth from Entuple Technologies, Bangalore..

Instructor with participants

Demonstration by Sri.SarathKanth, Entuple Technologies, Bangalore.
