SMART INDIA HACKATHON (SIH):

Smart India Hackathon is a nationwide initiative to provide students with a platform to solve some of the pressing problems that people face in daily lives. SIH inculcates a culture of product innovation and a mindset of problem-solving among the students. SIH is successful in promoting innovation and out-of-the-box thinking in engineering students from across India.

Students of CSE Department have participated and won worthy prizes in all the four SIH editions namely, SIH2017, SIH2018, SIH2019 and SIH2020 that have been conducted till now.

One team comprising of six students from the department of CSE, CBIT were shortlisted for the Grand Finale of the 'SMART INDIA HACKATHON-2k20' software edition and won 1st prize worth Rs.1,00,000/-

Eight teams comprising of forty five students from the department of CSE, CBIT were shortlisted for the Grand Finale of the 'SMART INDIA HACKATHON-2k19' software edition a unique Open Innovation Model for identifying new and disruptive technology innovations to solve the challenges faced in our country. It's a non-stop 36 hour Hackathon which is a product development competition, where problem statements are posed to technology students for innovative solutions, which was organized by MHRD on 1stand 2nd of march 2019. In SIH-19 CSE students have won total of eight prizes of which five are first prizes and three are second prizes of total worth **Rs. 3,75000/-**
