

NATIONAL CONFERENCES / WORKSHOPS / SEMINARS

- Two days International e-Conference was organized on “Materials Processing and Characterization”, ICMP& C-2020 on 18th-19th September 2020.

ICMP& C-2020 Book of Abstract

- One week online Faculty Development Programme was organised on “Student Induction and Universal Human Values” e-FDP on SI & UHV on 26th- 30 August 2020.
- One week online Faculty Development Programme was organised on “Engineering Physics and Material science” on 3rd-7th August 2020.

e- FDP EPMS Participants

- A Guest lecture on “LED’s and Solar cells” was given by Prof. A Sai Prasad Prof. & Head, Dept. of Physics, Vasavi college of Engineering, Hyderabad on 20th Feb 2020 in Department of Physics, CBIT.

Guest lecture on “LED’s and Solar cells”

- A Guest lecture on “Higgs Physics and its Prospects” was given by Prof. Eric Laenen, Professor in Institute of Physics, University of Amsterdam, Netherlands on 17th Feb 2020 in Department of Physics, CBIT. He is also one of the governing member of CERN Council.

Prof. Eric Laenen delivered the talk on “Higgs Physics & its Prospects”

- One Day Colloquium was organized in collaboration with Department of English on “Anthropology of Science, Engineering and Media”. Dr. Haripriya Narasimhan, Head, Dept of Liberal Arts, IITH, delivered a talk on "Social Science Research on Media” on the 7th March 2019 and Dr. Aalok Khandekar, IITH, delivered a talk on “ Anthropology in Science and Engineering Education and Research” on the 7th March 2019.

Dr. Neelima Agarwal Addressed the Gathering during the Session

- One Day Interdisciplinary Seminar Organized on “Physics and its Applications in Engineering” on 13th March 2019. Dr. Anurag Tripathi, Dept. of Physics, IITH, Dr. Harish N Dixit, Dept. of Mechanical and Aeronautical Engineering, IITH and Dr. Falguni Pati, Dept. of Bio-Medical Engineering, IITH, were the keynote speakers of this event.

Memento presented to guest Dr. Anurag Tripathi

- One Day National Workshop on “Recent Trends in Materials and its Applications in Engineering” on 29th November 2019. Dr. Kaushik Nayak, Dept. of Electrical Engineering, IITH, Dr. R.Ranjith, Dept. of Material Science and Metallurgical Engineering, IITH and Dr. V. Kanchana, Dept. of Physics, IITH, were the keynote speakers of this event.

Principal, CBIT addressed the Gathering
