

WORKSHOPS/SEMINARS/FDP/OTHER EVENTS

- A Proficiency Course for BE/BTech I, II & III year students was designed and conducted from 22.01.2019 to 15.03.2109 with an objective of providing training for the students whose communicative skills needs improvement. This course was offered to the students with rural background and who feel shy and restricted to express their views and opinions. All the faculty members were involved in designing and imparting activities to teach all the four skills (LSRW) of English language.

Event: Webinar – In sync with Industry

Date: 7th July, 2020

Time: 10.30 AM – 12.00 PM

Organized by: Department of English

Event description:

The Webinar, 'In sync with Industry', was organized with Dr. Madhuri Dubey, founder of National Skills Network, to create awareness among the Faculty of Engineering Colleges about the developments in the Industry. It helped them understand the need to look beyond placements and explore the impact of technology on various Industry segments. Participants learnt how continuous engagement with the industry can enrich them, while enhancing the employability of the students. The webinar was conducted online through ZOOM Meet, and was also broadcast on YouTube. About 350 participants attended the event. And, E – Certificates were issued to all of them.
