

## C B I T / A E C

AEC / MIDS/2019

Date: 14.08.2019

Time – Table for I – Mid Examinations for B.E & B.Tech V Sem (All Branches) to be held from 29.08.2019 to 31.08.2019.

| <b>Day &amp; Date</b>            | <b>Branch &amp; Year</b> | <b>10.30 TO 11.30 AM</b>                     | <b>2.00 TO 3.00 PM</b>                   |
|----------------------------------|--------------------------|--|--|
| <b>29.08.2019<br/>(Thursday)</b> | <b>CIVIL</b>             | Reinforced Concrete Design - I               | Soil Mechanics                           |
|                                  | <b>EEE</b>               | Power Systems - II                           | Electric Machinery - II                  |
|                                  | <b>ECE</b>               | Digital Communication                        | Integrated Circuits and Applications     |
|                                  | <b>MECH</b>              | Dynamics of Machines                         | Applied Thermodynamics & Heat Transfer   |
|                                  | <b>PROD</b>              | Dynamics of Machines                         | Applied Thermodynamics & Heat Transfer   |
|                                  | <b>CSE</b>               | Design and Analysis of Algorithms            | Automata Languages and Computation       |
|                                  | <b>IT</b>                | Principles of Operating Systems              | Database Systems                         |
|                                  | <b>Biotech</b>           | Biostatistics                                | Fluid Mechanics and Heat Transfer        |
|                                  | <b>Chemical</b>          | Chemical Reaction Engg. - II                 | Mass Transfer Operations - I             |
| <b>30.08.2019<br/>(Friday)</b>   | <b>CIVIL</b>             | Theory of Structures - I                     | Concrete Technology                      |
|                                  | <b>EEE</b>               | Power Electronics                            | Linear Control Systems                   |
|                                  | <b>ECE</b>               | Microprocessors and Microcontrollers         | Control Systems                          |
|                                  | <b>MECH</b>              | Design of Machine Elements                   | <b>Elective - I : RAC\ PIE\ PDPP</b>     |
|                                  | <b>PROD</b>              | Design of Machine Elements                   | <b>Elective - I : RAC\ PDPP</b>          |
|                                  | <b>CSE</b>               | Operating Systems                            | Data Communication and Computer Networks |
|                                  | <b>IT</b>                | Software Engineering                         | Web Technology                           |
|                                  | <b>Biotech</b>           | Protein Engineering and Enzyme Technology    | <b>Elective - I : EBT\ FBT</b>           |
|                                  | <b>Chemical</b>          | Process Instrumentation                      | <b>Elective - II : TVOF\ SCT</b>         |
| <b>31.08.2019<br/>(Saturday)</b> | <b>CIVIL</b>             | Fluid Mechanics - II                         | <b>Elective - I : RM\ AS\ ASM</b>        |
|                                  | <b>EEE</b>               | <b>Elective - I : NCES\ SNM</b>              | ---                                      |
|                                  | <b>ECE</b>               | Computer Organization and Architecture       | ---                                      |
|                                  | <b>MECH</b>              | <b>Elective - II</b><br>FCE\ NDTE\ PCCM\ PNM | ---                                      |
|                                  | <b>PROD</b>              | <b>Elective - II : NDTE\ PCCM</b>            | ---                                      |
|                                  | <b>CSE</b>               | Software Engineering                         | <b>Elective - II : MAD\ CG</b>           |
|                                  | <b>IT</b>                | Theory of Automata                           | <b>Elective - I : PP\ USP\ SL</b>        |
|                                  | <b>Biotech</b>           | <b>Elective - II: PB\ Virology</b>           | ---                                      |
|                                  | <b>Chemical</b>          | <b>Elective - III : CE\ MPT</b>              | ---                                      |

**Note:**

- 1) The concerned teachers will conduct Practical Examinations in their respective classes.
- 2) The students are directed to bring their **Identity Cards** while appearing Internal Examinations; otherwise they will not be allowed to write the examinations.
