This could also help to remove unfavorable options and help to refocus the efforts on alternatives. This would foster the culture of People not becoming afraid of failing. This is also the place where brain storming sessions are held in which wild ideas are encouraged till a conclusion on the idea is formed whether to pursue or leave.</p> <p>Innovation Centre is the place where a thorough understanding of the link between experimentation and learning is nurtured, combine new and old technologies, anticipate and exploit early information.</p> <p>In additions to this, the Institute is Recognized with IIC (Institution Innovation Council) by MHRD, Government of India under which India first leadership talk series and other prescribed programmes initiated by MHRD are arranged for the benefit of students and faculty.</p> |
