Hello,

Request your support in forwarding the below email to the 2nd year students willing to participate in **2020 Code For Good Event**. Please take note of the below eligibility criteria and ensure to forward the email only to those students who are eligible to apply.

==Eligibility:==

- Students currently in ==**2nd Year, Graduating in 2022**==

- Students currently pursuing B.E. / B. Tech / MCA in Computer Science, Information Technology / Information Science, Electrical and Electronics streams from universities located in India

- No current backlogs, maximum 1 year education gap

- Under-graduates or postgraduates who have 7 CGPA aggregate and above with no current backlogs

- Above 18 years of age

As per our discussion, below are the timelines for the Online Test, Video Interview and the Code for Good event as confirmed by you. More information will be shared shortly.

Request you to respond to this email copying Sanober Shaikh & Shradha Todkar

- **Applications:**

Request you to encourage your 2nd year students (as per the eligibility) to apply on jpmorganchase.com/codeforgood by **December 20.**

- **Test Dates:**

As confirmed, January 16 – 18 is feasible to conduct the test on the campus. Kindly confirm on the test date and time slot between 10 AM – 5 PM (2 hours)
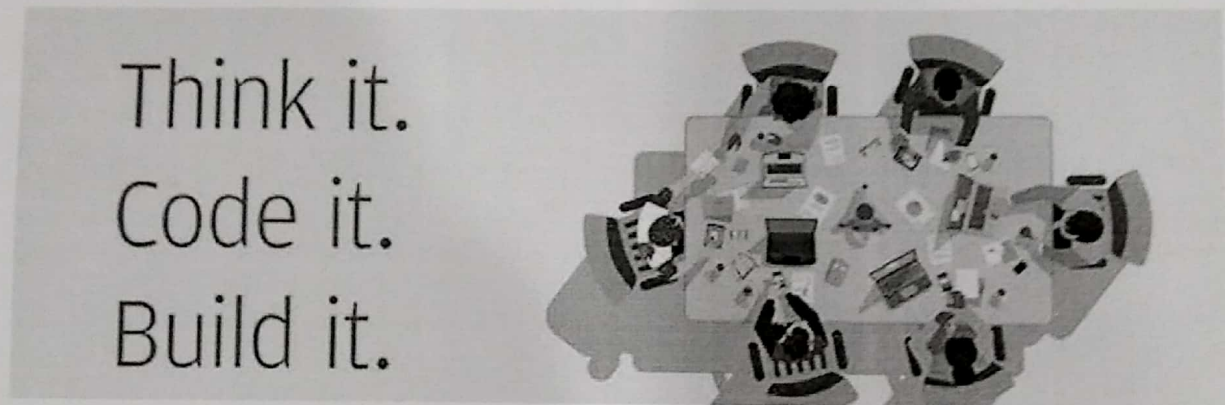

- **Video Interview:**

As confirmed, February is feasible to conduct the video interview (do let me know of the Mid – Term Examination dates so we can plan accordingly)

-

As confirmed, March is a good time to schedule the 24 hours hackathon event. Exact details will be shared later. Do let us know incase there are any events / examinations in March.

Guidelines on Test –

- The Test will be of 90 mins. comprising of MCQs and Coding Questions
- All the Questions will be mandatory to answer
- The test will be on Hackerank Portal, and allows students to use any coding language they are comfortable with

Think it.
Code it.
Build it.

Use your coding skills to make a difference

At our Code for Good event, we bring coders and non-profit organizations together to solve real-world technical problems. You will experience firsthand how we use technology to inspire change, foster inclusion and make a difference in our communities.

Join us at our upcoming *2020 Code For Good*. Bring your coding skills. Create solutions. Network with other aspiring technologists from around the country. Work alongside our tech experts. Meet our recruiting teams and experience what it's like to work as an engineer at JPMorgan Chase & Co..

Application Link: jpmorganchase.com/codeforgood

Eligibility:

- Students currently pursuing B.E. / B. Tech / MCA in Computer Science, Information Technology / Information Science, Electrical and Electronics streams from universities located in India

- No Current Backlogs, Maximum 1 Year Education Gap, Graduating in 2022

- Under-graduates or postgraduates who have 7 CGPA aggregate and above with no current backlogs
