## NSE ACADEMY LIMITED

Chaitanya Bharathi Institute of Technology (A) has partnered with NSE Academy for: (a) NSMART-Simulated Market Trading application, and (b) NSE Academy Certified Capital Market Professional (NCCMP). NCCMP is to develop the skills and competency in Financial Markets as well as to take the first step to qualify for a career in the Securities market. NSMART is to promote financial literacy as a necessary life skill and provide training and certifications in Banking, Insurance and Financial Markets.

NSE Academy Limited, a wholly-owned subsidiary of National Stock Exchange of India Limited (NSE) was setup in March 12, 2016 to promote financial literacy as a necessary life skill and provide training and certifications in Banking, Insurance and Financial Markets. It promotes development of a pool of human resources having right skills and expertise in each segment of the BFSI industry to provide quality intermediation to market participants.

NSMART- Simulated Market Trading application reproduces features of a live capital market, equity derivatives and currency derivative market on trading terminals for students to practice and learn trading securities without financial risk. This Trading application can be used to test the strategies before trading, train traders and investors on fundamentals of trading and also to set up mock/virtual trading environment.

NCCMP Program is a short-term course to develop Skills and Competency in Financial Markets as well as to take the first step to qualify for a Career in the Securities market. The course is offered as joint collaboration with reputed Colleges/Universities and facilitates development of Skill and Competency in Financial Markets. NCCMP consists of the following modules: Introduction to Financial Market, Derivatives Market, Fundamental Analysis, Technical Analysis, and Macro Economics for Finance professionals.
