Circular

The Ramanujan Maths Club (RMC), under the Department of Mathematics, is conducting a **BootCamp – Mathematics for Machine Learning** from **8th November to 15th November 2024.**

This is an excellent opportunity to equip students with practical skills in applying mathematics to machine learning through hands-on activities and expert-led sessions.

We strongly encourage all students to participate in this exciting event by registering. Appreciation certificates and cash prizes will be awarded to the top performers.

Event Mode: Offline and Online

Registration Fees: 98 Rs.
