CIRCULAR

It has come to the attention of the authorities that a WhatsApp group has been created by some senior students, and money is being collected in the name of organizing a party. As per CBIT norms, group parties outside the campus are strictly prohibited, as any untoward incident could damage the college's reputation. Therefore, all first-year students are cautioned that the college will take stringent action, including possible expulsion, against any participation in such outside gatherings without prior approval from the college authorities.
