Department of Civil Engineering in association with CDC is organising an awareness session on “**Career Opportunities and Preparation Strategy for Engineering Service Examinations (ESE)/GATE**” on 07.11.2024 from 02:00pm to 03:00pm in Assembly Hall for the interested UG, PG students and faculty.

This guest lecture aims to provide valuable insights into the career opportunities available through two of the most prestigious exams for engineering graduates in India—**GATE (Graduate Aptitude Test in Engineering)** and **ESE (Engineering Services Examination)**.

Objectives of Session:

1. Understanding GATE:

- Introduction to GATE and its importance in the engineering field.
- GATE Exam Pattern and Structure.
- Opportunities available through GATE (higher studies, public sector jobs, etc.).
- Previous Year Cut-off Ranks and Trends.

2. Exploring ESE (IES):

- Overview of the Engineering Services Examination (ESE).
- ESE Exam Pattern and Selection Process.
- Career Opportunities through ESE in various sectors (Government, PSUs, etc.).

3. Career Opportunities Post GATE & ESE:

- Jobs in Public Sector Undertakings (PSUs), Research Institutes, and Academia.
- Opportunities for higher education (MTech, Ph.D.) and International study options.
- Career paths in Engineering Services, Civil Services, and other related fields

This session is designed to help students better understand the significance of **GATE** and **ESE**, and equip them with the right strategies for preparation. All interested students and faculty members, especially from BE III, V, and VII semesters of **Civil, Mech, EEE, ECE, Chemical Engg. Bio-Tech** departments are encouraged to attend the event.

Don't miss out on this valuable opportunity to shape your career path!
