Chaitanya Bharathi Institute of Technology (CBIT)

CBIT is one of the premier Engineering Institutes in India, pioneer in Telangana State, which is at idyllic surroundings of Gandipet Lake, Hyderabad. The college offers Nine UG and Eleven PG programs. It has been standing as a temple of knowledge for the past 42 years by producing about 25,000 Eminent and skillful Graduate Engineers, who are successful in their Careers, serving all over the Globe. CBIT Students are prepared and perfected to secure Placements in reputed MNCs. The Institute has been accredited by NAAC – UGC with 'A' Grade and various programs are accredited by NBA – AICTE. The UGC has granted Autonomous Status from the Academic Year 2013-14 onwards. Stringent Academic Standards, Industry Compliant Teaching Methodology, Research Projects from Private and Public Sector organizations Industries in Engineering and Management and Consultancy Practice, enabled the Institute to establish its Identity in the Technical Education and is Ranked No. 1 amongst the Private Engineering Colleges in both the Telugu Speaking States.

About R and E Hub

To enhance research activities and cultivate pleasant research atmosphere, a multi-crore state of the art building with all modern technical facilities was established in the year 2018. It facilitates all departments to carry out advanced research, establish incubation cells and start-ups. The R&E Hub, with its State-of-the-Art Infrastructure, helps to promote Research and Innovations amongst the Faculty and Students by identifying new Research Areas, developing Projects leading to Publications, Products, Innovations and Start-Ups. All research activities are being streamlined to make a mark in 'Make in India' concept of Indian Government.

It has two main wings namely Research and Development (R&D) Centre and Innovation and Incubation Centre (IIC).

About Research Day

RESEARCH DAY, the focused initiative by the Institute is being Celebrated with an Objective to not only change the image from an Under Graduate Engineering College to Research focused Institute but also to expand the base to encourage Research Scholars, Students, Faculty to showcase their Research. The event facilitates the participants to network with Faculty, Fellow Students and Local Industry who are sharing the same Vision from India and Abroad and learn the quality of Innovation - including the quality of Scientific Publications, the quality of Universities and Patent related filings and recognize their own Research while respecting others Research in a Win-Win situation for all.

Research Participants

Each of the Participants interested to showcase their work should submit an Abstract of the Research Papers not exceeding 300 Words in the prescribed format available in the registration form and submit the same on or before 16 August 2021. Exciting Prizes will be awarded to the best Research Papers under various Categories. For details please visit the Website: www.cbit.ac.in

National Award for Excellence in Research

The National award for Excellence in Research is designed to encourage and recognize outstanding researchers in their field and who have made a significant contribution in advancing knowledge and research outcomes. Faculty members from technical institutions with outstanding accomplishments in research are eligible to apply for the award. Faculty members preferably have to be nominated by their Institute for this award. Self-nominations are also accepted. One award will be given in each discipline. Nominations must be submitted electronically to director_randd@cbit.ac.in no later than 5 p.m. Monday, August 16, 2021. No nominations will be accepted after the deadline. Evaluations will be based on persuasiveness of arguments for merit and evidence of the nominee's accomplishments. Each candidate will be rated on criteria relevant to their discipline. Examples such as articles, books, research grants, patents, citations, H-index, i-10 index, fellowships, key roles in significant projects, national/international awards, prizes, monographs, invited/keynote presentations at major national/international meetings and at other universities, and other research funds. The decision of the CBIT expert committee is final. No correspondence in this regard will be entertained. Registration as per registration structure is a must.
