DEPARTMENT OF CHEMISTRY

BOARD OF STUDIES OF CHEMISTRY.

A meeting of board of studies of chemistry is being held on 20th July 2016, at 10:30 am in the chambers of HOD Chemistry to discuss the following.

1. To approve the revised syllabus of UG programme
2. To approve the revised syllabi for B.E 1/4 chemistry which is common to all branches (Theory and practicals)
3. To approve the revised syllabi for B.Tech ¼ chemistry chemical Engineering and Bio Technology (Theory and practicals)
4. To approve the evaluation pattern and awarding credits and grades
5. Suggestions of B.O.S
6. Inductions of University in academic council meeting representative in chemistry

Compositions of the Board of studies

- 1) **Chairman** : Dr.P. Giridhar Reddy
- 2) **Member** : Prof.P.Yadagiri swamy (Professor of Chemistry)
- 3) **Member** : Prof.A.Ravinder Nath (Professor of Chemistry)
- 4) **Member** : Prof.A.Pansa Reddy (Professor of Chemistry)
- 5) **Member** : Prof.B.Satyanarayana (Professor of Chemistry)
- 6) **Member** : Dr.P.Ramadevi (General Manager Hetero R&D)
- 7) **Member** : Prof.K.Laxmi (Professor of Chemistry CBIT)
- 8) **Member** : Dr.Y.Sarala (Asst.Professor of Chemistry CBIT)
- 9) **Member** : Dr.S.Shylaja (Asst.Professor of Chemistry CBIT)
- 10) **Member** : Dr.K.Ramesh (Asst.Professor of Chemistry CBIT)

minutes of meeting BOS of Chemistry held on 20/07/2016 resolved the following as per Agenda.

Item - I & II

For Applied Chemistry 1st year between I & 2. ~~For some~~ Some of the topics are included in the draft and it is also resolved ^{that} applied chemistry ^{Equally} treated as core course, Hence 3 hours (Instruction period) ^{is suggested} ~~per week~~ instead of 2 periods per week ~~suggested~~.

It is resolved that Engg. Practical (Chemistry) Expts for Group A & Group B are discussed in length & it is ^{checked} the syllabus is finalised. The syllabus & titles given for Both Theory + practical 1st & 2nd Semesters are approved and accepted by the BOS.

ITEM: III & IV

For chemical Engg, it is also resolved that as course is considered as core subject, ^(Branch or chemistry) hence it is proposed to ~~go~~ on par with other core subjects. i.e. 2 periods is increased to 3 periods per week. i.e. organic chemistry paper.

For 1st sem ^{by BOS} it is resolved and recommended that the title given is not appropriate. Hence ~~the letter~~ ^{BOS has suggested} for title change (Engg. chemistry to be replaced with Applied Inorganic chemistry) is suggested. ~~BOS~~ For 2nd sem title given is also not appropriate. i.e. Applied chemistry which is to be replaced by title organic chemistry similarly Bio-Tech 1st Sem Engg. chemistry is also not appropriate. Hence it is replaced by Gen chemistry by BOS.

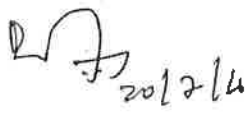

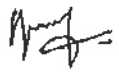

The BOS is also suggested that the practical titles given for BioTech & ~~chem~~ B.Tech chemical Engg. is also not appropriate. i.e. Engg. chemical may be replaced as chemistry lab for Bio Tech and Inorganic chemistry (Applied) for B.Tech chemical Engg.

Item V: In the BOS Unanimously resolved that credits given for B.E 1/4 1st & 2nd Sem ~~for~~ for Theory and practicals as approved as it is.

In the BOS Unanimously resolved and ~~com~~ recommended the grades for B.Tech Chemical Eng college and Bio-Tech 1st Sem & 2nd Sem Theory practicals are approved as ~~is~~ mentioned in the draft copy.

Item VI:

Chemistry faculty members Unanimously decided to appoint a representative as University Nominee (one) in academic Council meeting as University nominee from affiliating university, i.e. from Chemistry Department of OU.
