IEEE All-Society Periodicals Package (ASPP)

The IEEE All-Society Periodicals Package (ASPP) provides access to the core IEEE collection of technology journals. With peer-reviewed publications concentrating on theoretical and experimental papers, as well as practical applications in research, design, and specification, ASPP offers valuable research on a variety of topics.

IEEE-ASPP Online combines high-quality technical literature with the power of online searching, including: 190 IEEE online society-sponsored journals, transactions, and magazines. The Core subject collection includes engineering, electronics, and computer science periodicals with a backfile to 2010.

IEEE Proceedings Order Plan All (POP All)

IEEE Conference Proceedings IEEE Proceedings Order Plan - POP All—provide full-text access to cutting-edge research papers from IEEE conferences. With research available first, often months in advance of the leading journals, IEEE offers valuable information in any technology field. More than 2 million papers available in POP All from all IEEE-sponsored annual conferences

The comprehensive collection of technology conference proceedings from all IEEE conferences with a backfile to 2010.
