STUDENT AFFAIRS

The students affairs' committee of CBIT is instrumental in furthering students' interests and plays a pivotal role in resolving their concerns. The committee is responsible for providing the necessary support and resources to enable all the approved student activities and initiatives. Listed below are the verticals that fall under the jurisdiction of the said committee:

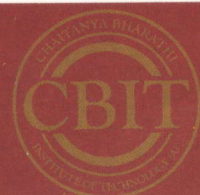

1. **Students' Union:** The Students' union is a body that constitutes of the academic toppers of the final and pre-final year students of CBIT. Under the supervision of Director- Student Affairs, this body is responsible for bridging the gaps between the students and the administration of CBIT. It plays a crucial role in representing student consensus on critical and relevant issues like examinations, events, logistics and more, to the student affairs committee. It also plays an important role in dissemination of information pertaining to aforementioned issues. The students' union also aids in conduction of various annual events like Sudhee and Shruthi.
2. **SUDHEE:** Sudhee is the national level technical symposium of CBIT that provides students with a singular opportunity to showcase their proficiency in varied technical skills. The student affairs committee in collaboration with students of all branches is instrumental in conducting several events aimed at tapping the delight of the budding engineers of CBIT.
3. **SHRUTHI:** Shruthi is the annual cultural extravaganza of CBIT. Literati, held during the first two days of Shruthi sets the ball rolling for this illustrious occasion and is where one can participate in fun interactive events which is followed by the institute day celebrations on day-3 wherein all student achievers and members of the faculty are felicitated for their accomplishments. The cultural night then makes sure the event ends on a high. All the aforementioned activities take place under the purview of the student affairs committee that is responsible for synchronising the 3-day fest.

- 4. Clubs and Societies:** CBIT houses nearly 22 cultural & literary clubs and 14 technical clubs, all working in tandem with the central body- Chaitanya Samskruthi, which in turn reports to the student affairs committee, in order to enable students to hone their skills and explore emerging frontiers. Clubs like Transcendent, Toastmasters, Communicando amongst others help students become better writers, orators and enhance other relevant soft skills. Societies like ASME, IEEE, COSC amongst others aid in the co-curricular development of students and help them bridge the gap between theory and application of concepts. On the other side of the spectrum, clubs like Chaitanya Geethi, Vaadhya, Laasya amongst others, enable the students of CBIT to get their creative juices flowing and indulge in performing arts. Chaitanya Kreedha, the sports club of CBIT, organises various competitive sporting events all around the year to break the monotony of classwork and facilitate physical fitness amongst the students. All these clubs and societies of CBIT, are active all throughout the academic year and organise various events to keep students engaged. The student affairs committee is pivotal in providing the necessary headway and resources to all these clubs.
- 5. Workshops and Seminars:** CBIT periodically organises guest lectures, educational seminars, workshops and more for the overall development of students. The student affairs committee is responsible for enabling these activities by providing the logistics, permissions and other relevant resources.
- 6. IIC:** Institution Innovation Council (IIC) is the institutional wing of the Ministry of Education's (MoE) Innovation Cell (MIC), established to facilitate Innovation, Incubation and Ideation in the college which is also one of the primary objectives of the student affairs committee, to realise which a myriad of events in the form of Webinars, Guest Lectures, Workshops, Innovation contests etc. are conducted throughout the year.
