

BIOTECHNOLOGY ALUMNI DETAILS

OUTSTANDING ALUMNI BIO DATA:

Gandham Bhavani (2012-2016) working as Assistant Manager in Dr. Reddy's. Involved in production of monoclonal antibodies to treat cancer. Presently working on breast cancer molecule. She was awarded as best performer for the year 2017- 2018. She is also coordinating with the HR for placements of CBIT biotech students.

ALUMNI ACHIEVEMENT'S:

- J. Anil Kumar (2005-2009) – Senior analyst at PwC (price water house coopers), Bangalore.
- Navneeth Bung (2005-2009) – Biotech BOS member, TCS analyst
- Rasika Raman (2006-2010) – Former senior research associate at Mapmygenome, Technical Product manager at Mapmygenome
- Dr.Vidya Suryadevara (2009-2013) – PhD at University of Illinois at Chicago, Works at IUPUI, Chicago, Guest lecture in the department
- Dr.Prerana Bhan (2007-2011) – Post doctoral research fellow at National Tsing Hua university, Taiwan
- Giridhar Prasad Jangly – Works at University of Houston, Regulatory affairs associate at Dr. Reddy's lab, Worked at Bharat Dynamics ltd
- Dr. SaiChaitanyaChiliveri (2005-2009) – Post Doctoral researcher at NIN, PhD at CCMB Hyderabad.
- GopalMediseti (2005-2009) – Graduate Assistant at Florida international University, Former Project leader at ADP Company.
- Abhilash (2005-2010) – Assistant director at Telugu film industry, owner at AB photography, Associate producer at Tollywood.
- AlekhyaAkkururi – Biomedical data analyst at genomic health, San Francisco California
- Anupamsingh (2008-2012) – PhD at university of southern California
- BegariVijaya Chandra (2005-2009) – Food Inspector at Food corporation of India
- Dharma Tejeshwarreddy (2008-2012) – PhD at IISc Bangalore, Mtech IIT Roorkee.
- DheerajThakore (2007-2011) –Works at Fresenius medical care North America, California.
- Mani kumar (2006-2010) – Senior analyst at The Home Depot Atlanta, Georgia.
- Sindhurapallipattu (2011-2015)– Works at Dr Reddy's laboratories.

CHAITANYA BHARATHI INSTITUTE OF TECHNOLOGY HYD (A) -75
DEPARTMENT OF CIVIL ENGINEERING

Alumni Contributions to the department:

1. Sri. C. Shekar Reddy, Chairman, IGBC Hyderabad Chapter, First Batch B.E passed out from CBIT in 1983, has funded several students for their education. He sponsored for conferences and workshops.
2. Sri. B. Ravi Gupta, Chairman, Das Engineering Associates, a 1992 B.E passed out Sponsored many students for education, provided internship and also employed students in his firm. He sponsored for conferences and workshops.
3. Smt. S. Bhavani, a 1992 B.E passed out, Environmental Engineer at San Jose USA delivered guest lecture on Water Treatment & Sewage Treatment.
4. Dr. V. Bhikshma, former head, department of civil engineering, OU, a 1993 passed out served as a BOS member and also a university nominee for BOS .
5. Sri. T. Krishna, Head Special Initiatives, Buildings & Factories, L&T, a 1993 passed out served as a BOS member.
6. Prof. Sreeram Narasimhan, Professor in Civil Engineering, Waterloo University, Canada, his areas of interest are base isolation of structures, structural health monitoring and robotics in structural engineering, a 1993 passed out has delivered guest lecture.
7. Sri. K. Kranthi Kiran Reddy, Managing Director, Jana Priya Engineers Syndicate Pvt. Ltd. Sponsored many students for education, provided internship and also employed students in his firm. He sponsored for conferences and workshops
8. Dr. Karthik Narayan, 2006 B.E passed out, delivered guest lecture.
9. Sri. G.Vivekanand, S/o G.Yoganand, Managing Director, Manjeera Constructions Hyd, a 2009 B.E passed out employed students in his firm. He sponsored for conferences and workshops
10. Sri. M. Praveen Kumar Reddy, a 2009 B.E passed out and Research Scholar at West Virginia University USA, delivered guest lecture on Fiber Reinforced Polymer during an international work shop on " Advances in Fiber Reinforced Polymers & Composites held on 13th - 14th March 2004." along with Dr. Hota.V.Ganga Rao, and Dr. P.V. Vijay ,Professors, CED, West Virginia University USA.
11. Sri. Dinesh, delivered guest lecturers on marine structures.
