Event 11 : Find Fit Finish

Event Description:

Find Fit Finish is an event that tests the quickness of an individual.

In the first round "Logical Quiz", we will be testing the IQ of an individual through a logical quiz. The second round "Google It Out" would check how quickly an individual can reach a desired target by searching for clues in suitable websites.

The third round "Inter Knack" would be a knockout round where we will be testing your mental ability to solve random games and giving some Interesting Knockoff tasks.

All three rounds involved in the event do not demand much of technical skills, but they do test thinking and logical abilities.

CIVILIZATIONS 2021 REPORT

Day1: 03 March 2021

The Department of Civil Engineering organised a two day technical event “CIVILIZATIONS 2021” on 3 March and 4 March 2021 in the online mode. The events organised on the first day, i.e. 3rd March 2021 are Paper Presentation, Hangman, Poster Presentation, and Techno Quiz. The second day, i.e. 4th March 2021 events are a one-day workshop on STAAD PRO, Paper Presentation, Model Expo, Techno Quiz and Hangman.

INAUGURAL SESSION 11:30 AM TO 12:45 PM

The inaugural speech for the theme of “Digital Innovations in the 21st century” was delivered by Er. M.V. Srinivas, Chief Engineer, Krishna Godavari Basin Organisation, Central Water Commission.

He started the session with a comparison between a slide scale, which was used in olden days, and a scientific calculator used by the students nowadays. Using this, he explained the accuracy and speed brought by the digital technology for calculations of volumes and high water levels used for the purpose of water level determination. The talk focussed on the applications of digital innovations in the estimation of water levels in the reservoirs of rivers Godavari and Krishna. The various formulae which were used for the estimation of the total volume of water in the rivers is explained starting from the Khosla formula to the current real time data collection procedures using satellites. A few digital innovations like remote sensing and Geographical Information Systems (GIS) were used in forecasting the water levels and flood water levels in the river basins of Godavari and Krishna rivers. Various details related to the real world data collection, calculation of water levels and required volume of water for irrigation were explained by using various examples from the real world. It was followed by the question and answer session with enthusiastic participation of the students. The total number of students is around 120 for the session.

The following four events, namely Paper Presentation/Idea Presentation, Poster Presentation, Techno Quiz and Hangman were organised simultaneously from 2:00 pm onwards.

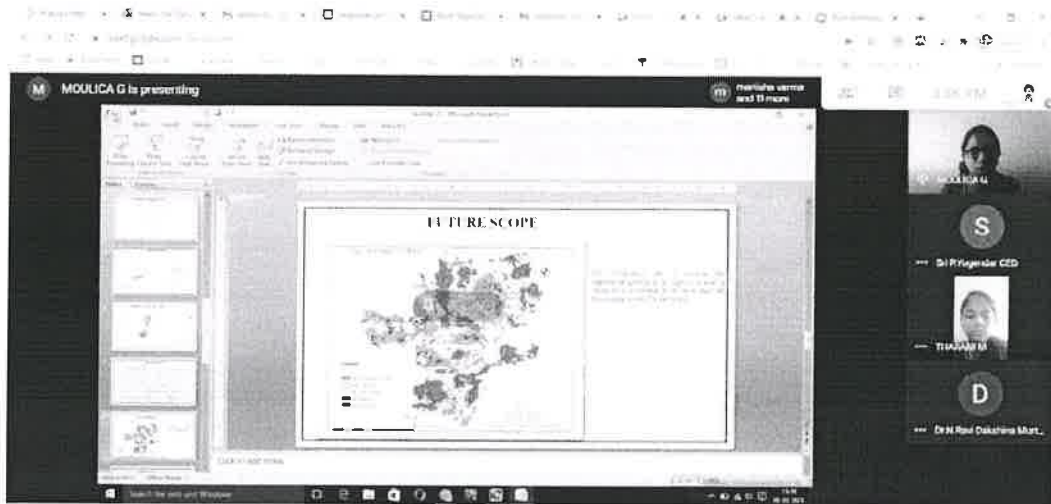

Paper and Idea Presentation was conducted on both the days.

A total of 16 teams participated, of which 5 were from Tamil Nadu, one team from CMRIT, Telangana, and 10 were in house teams.

Poster presentation from 2:00 pm to 4:30 pm on 3 March 2021

The total participants for this event were 8 of whom 7 were in house participants.

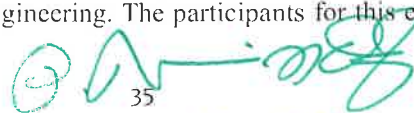

Hangman from 2:00 pm to 4:30 pm

This event consisted of guessing the right civil engineering terms and a few words from the English vocabulary with the help of given hints. The participants for this event were 15 with exactly 13 in house participants.

Techno quiz from 2:00 pm to 4:30 pm

The participants are quizzed on various civil engineering and related fields focussing on the real world applications of civil engineering. The participants for this event are 38 with 38 in

house participants.

Day2: 4th March 2021 from 10:00 am to 4:30 pm

Workshop on the applications of STAAD PRO software by Mr. Saravanan, Chief design Engineer, Bentley Systems, Hyderabad. The various aspects of STAAD PRO namely the basic commands, load distribution, beam length and detailing were explained in this workshop by the expert of this area. The concepts were explained from the basics keeping in view the students mix from first year to that of final year. The workshop witnessed an enthusiastic participation of 38 participants including 37 in house participants.

Model Expo from 10:30 am to 11:30 am

The model expo event was organised in the virtual mode and had three teams participating in it including two teams from outside CBIT. The first team consisted of two 3rd year civil engineering students namely Ms. Poornima and Mr. Sridhar from Bannari Amman College of Engineering and Technology from Tamil Nadu. They presented a not to scale version of the Golden Gate bridge with details about its making, materials used and its concept. The second team consisted of one student Mr. P. Karthik, final year student of CED, CBIT. He explained the concept of permaculture as an alternative to the current intensive agriculture practices explaining the benefits and also the importance of this farming. The third team had two students of 3rd year civil engineering namely Mr. Udhaya Kumar and Mr. Naveen who explained the features of Tied Arch bridge using a not to scale version of the same. Each of the teams have answered a set of queries related to their models.

Bridge the Gap from 10.30 am to 12.00 pm

The Bridge the Gap event was organised to test the problem solving skills of the students. In this event, the participants were required to suggest a solution for the displayed real-life problems. The solutions given by the participants were judged based on the feasibility, sustainability and cost-effectiveness. There were a total of 15 participants out of which 1 was from MGIT, 3 were from Tamil Nadu and the rest of them were from CBIT.

ELECTRET - 2021

To
The Principal
CBIT

Respected Sir,

Sub: Report- 'ELECTRET FEST'(Online Mode)- EEE Department- 03rd&4th March 2021-
Reg..

The 'ELECTRET FEST' (Online) of EEE Department has been conducted on 03rd & 04th March 2021 as part of the Institute Technical Fest., SUDHEE 2021. The Faculty coordinators for this event are D.Harsha & Dr.N.V Phanendra Babu.

The Department 'ELECTRET Fest' was started at 12:15PM in online mode using Google-meet platform. Dr.G.Suresh Babu , Professor and HoD of EEE, welcomed the Teaching , Non-Teaching Staff, Students & Participants from the various institutes to this online virtual meeting.

The B.E. Student Kshihitiessh Bharadwaj asked our HoD to throw some light regarding our departmental Fest. 'ELECTRET'. After the address by HoD, the brief profile of our key note speaker Mr. N Sudhanshu Naithani, GM, CDT, New Delhi was read by our student Kshihiteiessh Bharadwaj. Then, the key note speaker has addressed the gathering on the topic 'Digital Transformations in Machine Manufacturing' which is in line with the theme of institute fest 'SUDHEE'.

Sir has clearly explained about how fast the changes are happening in industry i.e., from Conventional to Digital transformation. The session has been concluded at 01:30PM by giving our vote of thanks to the keynote speaker for sharing his practical insights that are happening in industries. The number of participants attended this key note lecture was 50. After that, the following eleven (11) events in our 'ELECTRET FEST' were conducted in an online mode, by our student organizers, till evening 05:30PM (DAY-1)

As the registrations received were huge in number, Some the events were also conducted on the 4th March, 2021. The total number of registrations received for the various events conducted in our departmental fest (ELECTRET) is 496. The participants were also from other states such as Andhra Pradesh , Tamil Nadu , Goa, etc... All the events have been completed by 03:00 PM on 4th March 2021. The valedictory started at 03:30PM on Google-Meet platform. Dr .K.Krishnaveni, Professor, Director Academics, and Dr. M. Balasubba Reddy, Associate Professor, addressed all the Faculty, Participants, Student Coordinators, Student Organizers and Volunteers regarding this ELECTRET Fest. Mr. T.Maniver Reddy, Student Coordinator, has given a detailed report on the two days technical fest (ELECTRET). The student Participant Akshitha gave her valuable feedback about all the events. The Faculty Coordinator, D.Harsha & Dr. N. V Phanendra Babu have congratulated Ummay Salma for her poster which is being selected as the Best Sudhee poster at the Institute level. The Faculty coordinators D. Harsha & Dr.N.V Phanendra Babu Congratulated Teaching Staff , Non - teaching staff, Student Coordinators, Student Organizers, Volunteers for making this event Grand success with huge number of registrations though it was conducted in an Online mode, for the first time . The Faculty coordinators thank HoD for giving them opportunity to be the coordinators for this event. The event was moderated by the B.E student kshiteish Bharadwaj. At the end, Mr. B.Mahesh Reddy has Proposed Vote of thanks for this event.

Thank you Sir.

Event 4 : Elocution

Event Description

Want to improve your communication skills and become more persuasive when you speak? A stage for lighthearted What If-s and Once upon a time not so long ago-s, we present to you an amazing opportunity to oil your lever of creativity and public speaking. This event consists of three rounds of exponential fun and laughter where content, fluency and vocabulary pedal the enthusiasm in a medium of profound story telling. Six topics will be given to the participants a day before for preparation and a dice is rolled at the time of the contest upon which the participant has to speak.

Event 5: CAD modelling

Event Description:

Here is an amazing opportunity to showcase your skill on a unique and mostly used platform called Computer Aided Designing. It strives to explore the competency of young minds by giving their incredulous ideas a Shape, Form and helps in dynamic analysis of different worldly things.

In this event, the participants have to draw the 2D view of the given 3D Model, given by the organizing team within the stipulated time, which is decided prior to the event. The designs are evaluated based on the precision of design and the time in which the design is submitted.

Event 6: Poster Presentation

Event Description:

Poster presentation is the contest which may help one to portray their creativity in relevance to their technical knowledge. Consider it to be same as a paper presentation, poster presentation involves making a digital poster which depicts ones idea and research rather than a Power Point presentation.

There are two stages in this event wherein the first stage involves brief description of their idea and the next being the final round wherein students have to present their posters with enthusiastic explanation to the audience and judges. Evaluation is done by highly qualified judges. The event will be held online

Report on TECSTASY 2k20

Department of IT has organised TECSTASY 2K21, student technical fest under the aegis of SUDHEE 2K21, on 3rd and 4th March,2021. There are 13 technical events Paper Presentation, Duothon,Tech Fun,Tic Tech Toe, Code Hunt, Trace It, Blind Coding, Brain Boosters, Tech Virus,Meme Tech, Capture the Flag, Techie Connexion,Time Up organized as part of Tecstasy 2k21.

Students from all over the state participated and made it a grand success. Ms. Kratika Sharma and Ms T Satya Kiranmai are the faculty coordinators and Mr Jashwanth T and Ms Devi Abhigna A are the student coordinators.

A keynote address was organised on 03.03.2021 in the Forenoon session. The keynote speaker is Dr Raghavendra Kune, Scientist 'SG' at ISRO,Department of space,Hyderabad.addressed the participants on the topic Head High Performance Computing and Drones.

Various events were organized as part of Tecstasy 2k21.

The detailed descriptions of the events are as follows:

Paper Presentation:A paper presentation event co-ordinated by the faculty Dr. M Venugopal Chary, Ms K Sugamya and Mr Gangadhar Rao. Around 8 technical papers were presented by the students on various emerging technologies.

Time Up: This is a Quiz and Treasure Hunt event Coordinated by the faculty Ms.T Prathima .Around 27 students have Participated.

Capture the Flag :A Cyber security event coordinated by the faculty Mr.Rajesh Kannan.This event is held to attract the interest across cyber security. Around 42 teams have participated.

NEOZION 2K21-REPORT

The SUDHEE 2K21 was organized on 3rd and 4th of March 2021. On Day 1 (3rd March), after the inauguration of SUDHEE, our biotech department has inaugurated the Department Event NEOZION 2K21. This edition of Neozion 2K21 is hosted online for the first time from its inception. The event has been started by welcoming all the participants and brief introduction to the department by the Head, Dr Rajasri Y, followed by organization of many technical and non-technical events ranging from Paper Presentations, Poster Presentations, Live Projects, Bio-Hackathon 2.0, Bio-Debate, Bio-Quiz, non-technical events viz., science charades and picture blur. A total of around 100 enthusiastic participants from different places of India viz., Agra, Delhi, Coimbatore, Vijayawada, Punjab, etc. have successfully taken part in different events.

On Day 2 (4th March), the pending technical and non-technical events were conducted by respective faculty event and student coordinators. Keynote delivery on “Tackling Antimicrobial Resistance through digital platforms” was given Dr. Suman Kapur, Sr. Prof, BITS – Pilani (Hyderabad Campus), which oriented with this year’s SUDHEE theme – Digital Innovations. Followed by keynote lecture, valedictory program was conducted by announcing the winners of various technical and non-technical events and thanking all the participants in the vote of thanks by Ms. A. Sneha, Student Coordinator

The final list of participants with respect to each event is given below

S.No	Event	Number of Participants
1	Paper Presentations	22
2	Poster/ Idea Presentations	11
3	Bio-quiz	17
4	Bio-Hackathon	8
5	Debate	13
6	Non-Technical	10

CHEMICAL ENGINEERING DEPARTMENTSUDHEE: CHEMSPARK 2021

A National Level Technical Symposium: 3rd & 4th March 2021REPORT

The Chemical Engg department organized two day National level Technical symposium, CHEMSPARK 2021 on 3rd & 4th March. This technical event, serves as a platform for not only Chemical Engineering but all allied discipline students to present their work and interact with the peer community. The Chemical Engineering field envisages tremendous technology upgrades in different sectors. This event is an endeavour to educate on such technologies through numerous technical activities.

This symposium is designed to provide an interdisciplinary platform for comprehensive dissemination of knowledge and exchange of ideas among student community. In this platform students showcased their knowledge, research findings, creative thinking and effective communication skills in generating innovative solutions for chemical engineering and science issues.

The philosophy of CHEMSPARK 2021 lies in encapsulation of chemical engineering with other process related sectors that will be beneficial for the society and environment. With this lead, prestigious academic institutes such as Indian Institute of Chemical Technology, NIT Warangal, IIIT Basar have presented their research work and contributed for this successful event.

On the opening day, the symposium was inaugurated by distinguished guest Dr. K. Anand Kishore, Professor, Chemical Engineering NITW. He delivered a keynote address on "Frontiers in Chemical Engineering" and has emphasized on the role of Chemical engineers for betterment of society and environment by using water, waste management & greentechnology.

During the afternoon session, the proceedings were put in motion by paper presentations by

15 participants (11 teams) in two technical sessions (conducted parallel) presided by Chemical Engg faculty (Dr. P. V. Naga Prapura, Associate Prof & Dr. Harikrishnan, Assistant Prof for technical session-I; Sri. J. Balakrishna, Assistant Prof & Dr. Harsha Nagar, Assistant Prof for Technical session-II) as judges. The research areas covered were Membrane Technology, Carbon capture, Artificial Intelligence, Nanotechnology, Separation Processes, and Green Technology etc. The sessions were very productive with judges imparting their valuable inputs to the participants and our under graduate students.

The second day was opened with keynote address followed by hands-on session by Dr. Virivinti Nagajyothi, Assistant Professor, Chemical Engg Dept, NIT Trichy. She emphasized on importance & applications of MATLAB in Chemical Engg. ranging from process control, process calculations, numerical manipulation to process simulation and modelling and optimization. The session was attended by department Faculty members & 126 student participants.

In the afternoon, the proceedings have taken place with poster presentations by the 15 participants (7 teams) in two sessions (conducted parallel) presided by Chemical Engg faculty (Dr. M. Kalyani, Assistant Prof & Mr. K. Prasad Babu, Assistant Prof for poster session-I; Dr. B. Ganesh Assistant Prof & Dr. Harsha Nagar, Assistant Prof, for poster session-II) as judges. The technical areas covered were Biofuels, Water management, Petrobased polymers etc. Also, to help students with concentration, identify gaps in knowledge, build confidence and retain information, Technical quiz was also conducted after poster sessions with 20 teams (40 participants).

These two days of symposium (CHEMSPARK 2021) has enhanced the academic interactions and encouraged to promote collaborative research that provides a very broad scope for potential applications in the technical areas covered.

With the active & unstinted support from Management & our Principal Sir along with very positive feedback from the participants comprising of academicians, we look forward to design similar platforms for better collaboration in key technical areas.

REPORT ON TECHEON-21

Within a short span of time we started working on TECHEON-21 Poster and MAHESH SHARMA took initiative for creating one. We had great inputs that helped him to modify, one of the input was to add QR CODE that will direct to our Web Site. Website played a major role in promotions and was developed by SAI KIRAN. We uploaded all event posters that were created by Coordinators and a Video Teaser which was prepared by team of MOUNICA, MANJARI, BHARGAVI & SAI SHARAN.

On 22nd Feb Our HOD Sir launched the poster of TECHEON-21 and we got the boost in working and excitement level regarding techeon-21 was at peak.

We collected the responses of all events using separate google forms and got over 500+ responses in 5 days of span. Out of which above 200 were able came up and participate, we received phone calls and messages in a lot on 3rd, many said that they wanted to participate but due to their college timing they were not able to participate.

The student coordinators of Techeon : U.Bhavani & Rishab Verma

The faculty coordinators of Techeon : Dr.B.Indira & CNVBR Sri Gowrinath

The first ever online technical contest TECHEON-21 had received great response from numerous colleges and universities. There were responses from all over India some of which are, NIT Rourkela, Telangana University, Pune University, Osmania University, IIT Hyderabad, IIT Madras, SRM university, Jain University, IGNOU, Sardar Patel University , Kaloji Narayana rao University and may more universities and colleges. In all TECHEON-21 received 567 Responses and 282 Participants.

BRIEF NOTE ON YUKTHI-2K21

YUKTHI-2K21 as a part of SUDHEE-2K21 (A National Level Students' Technical Fest) is being organized on 03.03.2021 and 04.03.2021 at School of Management Studies (SMS), Chaitanya Bharathi Institute of Technology (CBIT), Hyderabad. Under the banner of YUKTHI-2K21 various events were organized namely Paper Presentation, Talent Tech, Young Manager, Bizz Quiz, Idea/Poster Presentation, Advert Mantra and Finnovate.

Programme started on 03.03.2021 with an inaugural session comprising Invocation, Welcome address by Principal, Address by Chairman- SUDHEE, Address by Guest of Honour, address by Chief Guest, Presidential Address by 'Kavi Kireeti' Dr. V. Malakonda Reddy, and concluded with vote of thanks by Convenor.

After the inaugural session, departmental activities have started. YUKTHI-2K21 was officially started with a key note address by Sadhu Srinivasa Pavan Kumar. After the key note address the activities have started.

Paper Presentation on "Disruptive technologies in business practices" was conducted from 02:15 PM to 4:00 PM and the winner is R Renuka from UCC&BM, OU.

Idea/Poster presentation (with the objective is to bring out the innovation, creativity and communication skills among the students) was conducted on 3rd and 4th and the winner is S Mohan.

Bizz Quiz (Business Quiz) event was conducted on 3rd and 4th and the winner is Jagadish with a tagline of "Unlocking Knowledge at the Speed of Thought".

Talent Tech (HR Event) is being organized on 3rd and 4th and the winner is Vikram from Nalsar University with an aim to see that students abilities will be deployed to find the right man for the right place at the right time.

Young Manager (to identify the student with the traits of a good manager) is being organized on 3rd and 4th and the winner is Varun.

Finnovate (Finance Event) is being organized on 3rd and 4th and the winner is Dileep from IIT-Bombay with an aim to bring out the investment and management skills of the students.

Advert Mantra (Marketing Event) is being organized on 3rd and 4th and the winner is Tahseen Ahmed from IPE. The event focused on bringing the latent talent in students especially about novelty, creativity and innovation.
