ABOUT THE COLLEGE:

Chaitanya Bharathi Institute of Technology is one of the premier Engineering Colleges in the self-financing category in the state of Telangana established in the year 1979. The college offers Nine UG and Eleven PG programs. It has been standing as a temple of knowledge for the past 45 years by producing more than 25,000 eminent and skillful graduate engineers, who are successful in their careers, serving all over the globe. The Institute has been accredited by NAAC – UGC with 'A++' Grade and various programs are accredited by NBA – AICTE. The institution has been UGC autonomous since 2013–14. Stringent academic standards, industry compliant teaching methodology, research projects from private and public sector organizations and consultancy practice enabled the Institute to establish its identity in Technical Education and is ranked as one of the best amongst the private engineering colleges.

OVERVIEW OF THE FDP:

Faculty members are the corner stones of any educational Institute as they are instrumental in shaping the future of students. The very objective of organizing such FDPs by any Institution is two fold. i.e. The FDP not only reorients the vision of the faculty towards the Institute but also nurtures the passion in carving a niche to the Student Realm. To achieve this goal, CBIT in Association with IITs NITs, Osmania University and JNTU and Other Eminent Industries is trying to develop a consciousness about National Education Policy 2020 among the Higher Educational Institutions. This FDP is intended to discuss & Address the key issue in implementation of NEP 2020 in higher Educational Institution
