codegnan IT SOLUTIONS PVT LTD

Id: Ijca-AS16cE2023

8th August 2023,

Vijayawada.

CERTIFICATE OF INTERNSHIP

This is to certify that **Anne Supriya**, a student of **Chaitanya Bharathi Institute of Technology**, has successfully completed the Internship Program as a **"Machine Learning Intern"** under the guidance and supervision of **Mr.K Saketh Reddy - Co-Founder And CMO** ,Codegnan IT Solutions Pvt Ltd, Vijayawada, from **5th June 2023 to 5th August 2023.**

During the internship, various tasks related to Web Scraping using Python, Exploratory Data Analysis, Web Frameworks, Machine Learning Model Training, Testing and AWS Deployment were undertaken. A project on **"Automated Detection of Human Stress during Sleep: A Computational Approach for Stress Assessment"** was also completed.The candidate demonstrated professionalism, knowledge, and a result-oriented mindset throughout the internship, showcasing a theoretical and practical understanding of design work requirements.

The candidate exhibited a friendly, outgoing personality and performed well both as an individual and as a team member, meeting the management's expectations. On behalf of the company, I take this opportunity to wish the candidate all the very best in their future career endeavour and have a smooth life.

CHAITANYA BHARATHI
INSTITUTE OF TECHNOLOGY (A)

16th December 2023,

Certificate of Internship

This is to certify that **Akhil Alle**, a student of **Chaitanya Bharathi Institute of Technology**, has successfully completed the Internship Program as a **"Web Developer Intern"** under my guidance and supervision from 10th Sept 2023 to 30th Nov 2023,

During the internship, various tasks related to developing a Conference website for CBIT using the MERN stack were undertaken. A project on **"CBIT Conference website"** was also completed. The candidate demonstrated proficiency in web development technologies, including MongoDB, Express.js, React.js, and Node.js. Additionally, tasks involved the implementation of features such as animations, dynamic content rendering, and integration with a backend server.

The candidate actively participated in all phases of the project, including requirement analysis, system design, coding, testing, and deployment. The Conference website for CBIT project showcased the candidate's strong skills in user interface design, user experience optimization, and attention to detail.

The candidate exhibited a friendly, outgoing personality and performed well as an individual, meeting the management's expectations. On behalf of the institute, I take this opportunity to wish the candidate all the very best in their future career endeavours and have a smooth life.

Sincerely,

Rajesh Kannan K,
