Action Taken on Stakeholders Feedback 2023-24

| S.no | Stakeholder | Suggestions | Action taken |
|------|---------------------|---|---|
| 1. | Alumni | 1. Training on bioinformatics tools and project studies based on computer languages | The department is trying to purchase some on line tools for improving the quality of final year projects |
| | | 2. More industrial exposure, freedom to showcase their skills | Every batch of students are taken to industry and permitted to work/intern outside the institute for better exposure about industry /research |
| 2 | Parent | Satisfactory hence no suggestions | The curriculum is designed to bridge the gap between academics and industry |
| 3 | Teachers' feed back | Lab equipment need to be updated with new and advanced | |
| 4 | Employers feedback | Domain knowledge can be improved | The students are motivated to present papers in the conferences and expert guest lectures from industry/research/alumni have been conducted. |
