Volunteer Testimonial(Rashmitha):

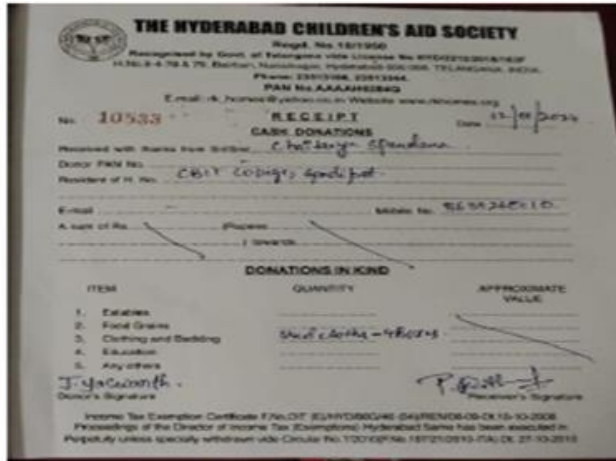

Hi! this is Rashmitha I am honored to share my heartfelt experience for the Swachhtha event, a remarkable initiative that seamlessly combined environmental consciousness educational outreach. This event not only left a lasting impact on the kids about the plants

The highlight of the event was the thoughtful activity of planting saplings. It was heartening to witness of all kids coming together with enthusiasm, and a shared commitment to nurturing the environment, especially the session on composting for children. The club people all took a creative approach to teaching the kids about the importance of waste reduction and the transformative power of composting. The interactive and hands-on experience allowed kids to grasp the concept effortlessly, empowering them to make eco-friendly choices in their daily lives. This event made my beliefs strong about the environment and the uses of plants in our daily life. I specially thank to all the people and the chaitanya spandana for this opportunity. I extend my sincere gratitude to the organizers and participants for creating an event that will continue to bear fruits literally for years to come.

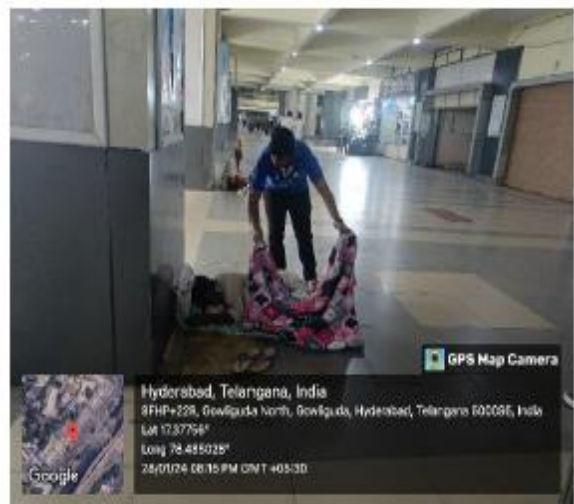

2. Vastradaan 3.0 on 1st December – December 14th at

1) CBIT COLLEGE, HYDERABAD

2) Jain Salzburg towers, Banladuda jagir

3. Blanket donation on December 30th- January 5th at Mehdiapatnam

4. Wellness Rhythm on 31-01-2024

Respected Sir

Subject: Requesting permission to conduct the event "Wellness Rhythm: Frequency for a Healthy Tomorrow"

The health, hygiene and well-being, department of chaitanya spandhana is planning to hold the events on January 27 and January 31 during the time interval of 9:30 AM to 1:00PM in ZPHS Jillelaguda and ZPHS Manchirevula. The event is titled "Wellness Rhythm: Frequency for a Healthy Tomorrow" and will focus on head to toe hygiene. We think that the kids will have a fantastic opportunity to learn about body hygiene through this. In the current world, where medical conditions are on the rise, it is imperative that we teach and raise children's awareness of the negative consequences of poor hygiene and inspire them to take the initiative to start promoting hygienic environments and practices.

We kindly ask for your permission to hold this event since it will benefit the kids, who we are confident will support our efforts to promote health, cleanliness, and wellbeing. We sincerely believe that starting the impact with children is a crucial step in our journey to make our mother earth a clean and safe place for everyone, as we recognize that today's youth will be tomorrow's leaders.

Date (Time): 27th January 2024 (9:30AM-1:00PM)
& 31st January 2024 (9:30AM-1:00PM)

Venue: ZPHS Jillelaguda, ZPHS Manchirevula

Thank You
Regards
