2023-24

1. National Voters' Day on 25 th JANUARY 2024 at SMP International School

collective efforts, we sowed the seeds of democratic ethos, nurturing responsible and informed citizens who will play a pivotal role in shaping the future of our nation.

In conclusion, the National Voters Day celebration at SMP International School epitomized the spirit of democracy and the power of youth engagement. It served as a testament to the transformative potential of education in empowering individuals to become conscientious participants in the democratic process. As we reflect on this memorable experience, we are filled with optimism for a future where every voice counts and every vote matters.
