The event commemorating World Water Day 2024, with the theme "Water for Peace," was organized by the Confederation of Indian Industry (CII), Telangana. Chaitanya Parivrita, the Environmental Club of CBIT, took the initiative to gather students and facilitate their participation in this significant event. We extend our gratitude to the CII for organizing this impactful event and inviting CBIT students to participate. The objective of the event was to raise awareness about the critical importance of water conservation and sustainable management of freshwater resources in fostering peace and sustainable development.

Event Highlights:

1. Seminar on "Water for Peace":

The seminar provided a platform for insightful discussions on the role of water in fostering peace and sustainable development. Experts and speakers shed light on various aspects, including the importance of water diplomacy, conflict resolution through water management, and the impact of water scarcity on social stability. Attendees gained valuable insights into the interconnectedness of water conservation and global peace efforts.

2. Quiz Competition on Water:

A quiz competition was held to engage participants and test their knowledge about water-related issues. This interactive session encouraged participants to delve deeper into topics such as water conservation techniques, global water challenges, and innovative solutions for sustainable water management. The quiz fostered a spirit of healthy competition while promoting awareness about the importance of water conservation.

The event served as a meaningful platform for students to learn, engage, and contribute to the discourse on water conservation and peace-building efforts. By participating in discussions and activities, students gained a deeper understanding of the importance of water sustainability in fostering peace and advancing global development goals.

In conclusion, the collaborative efforts between CII Telangana and Chaitanya Parivrita resulted in a successful event that brought together students, experts, and stakeholders to advocate for water conservation and peace. It underscored the significance of collective action in addressing pressing environmental challenges and working towards a more sustainable and peaceful future. As we celebrate this day, let us consider making small changes to our water consumption practices that can have a positive impact on the environment.

World Water Day 2024- Water for Peace

1400 hrs: 22 March 2024: DRL Leadership Academy: Bachupally: Hyderabad

World Water Day, held on 22 March every year, celebrates water and raises awareness of the 2.2 billion people living without access to safe water. The day is used to advocate for the sustainable management of freshwater resources. The intention is to inspire people around the world to learn more about water-related issues and to take action and make a difference.

As you are aware every year on the eve of World Water Day CII Telangana organizes a Seminar inviting select industry members and faculty & students of local higher education institutions.

World Water Day 2024 will focus on the theme, 'Water for Peace'.

CII Telangana is organizing a 'Session on Water for Peace' at 2.30 p.m. on 22 March 2024 at DRL Leadership Academy, Bachupally, Hyderabad.

The theme for the year 2024 is 'Water for Peace'. To educate youth about the importance of conserving and managing water resources, Confederation of Indian Industry is organizing a Session on 'Water for Peace' at 1400 hrs on 22 March 2024 (Friday) at DRL Leadership Academy, Bachupally, Hyderabad.

As part of this program, along with a Seminar on Water for Peace, a quiz competition on water is also being scheduled.

We are writing to cordially invite faculty and students from CBIT to Join the program by 1345 hrs on 22. March 2024 at DRL Leadership Academy, Bachupally, Hyderabad.

Dear Sir,

World Water Day 2024- Water for Peace

1400 hrs: 22 March 2024: DRL Leadership Academy: Bachupally: Hyderabad

World Water Day, held on 22 March every year, celebrates water and raises awareness of the 2.2 billion people living without access to safe water. The day is used to advocate for the sustainable management of freshwater resources. The intention is to inspire people around the world to learn more about water-related issues and to take action and make a difference.

As you are aware every year on the eve of World Water Day CII Telangana organizes a Seminar inviting select industry members and faculty & students of local higher education institutions.

World Water Day 2024 will focus on the theme, 'Water for Peace'.

CII Telangana is organizing a 'Session on Water for Peace' at 2.30 p.m. on 22 March 2024 at DRL Leadership Academy, Bachupally, Hyderabad.

The theme for the year 2024 is '<u>Water for Peace'</u>. To educate youth about the importance of conserving and managing water resources, Confederation of Indian Industry is organizing a Session on 'Water for Peace' at 1400 hrs on 22 March 2024 (Friday) at DRL Leadership

On World Water Day, March 22, 2024, the Chaitanya Parivrita, the Environment Club of CBIT took the initiative to organize an awareness rally aimed at highlighting the importance of water conservation and sustainable usage practices. The rally sought to educate and inspire students and faculty members to become more conscious of their water consumption habits and take action to protect this vital resource.

The awareness rally commenced at 11:00 AM in front of the college statue, where enthusiastic participants gathered along with banners and informative posters advocating for water conservation. The rally followed a predetermined route through various parts of the college campus. Along the way, participants engaged in chants to passersby, spreading awareness about the significance of water conservation and practical tips for reducing water wastage.

Objectives Achieved:

- Participants were inspired to take proactive measures to protect and conserve the water.
- The event fostered a sense of responsibility and ownership among the community towards environmental stewardship.

The awareness rally organized by the College Environment Club on World Water Day proved to be a resounding success, drawing significant participation and generating widespread attention to the pressing issue of water conservation. Through collective action and advocacy, the event inspired individuals within the college community to adopt more responsible water usage habits and contribute towards building a sustainable future.

As a part of the Sudhee 2024, Chaitanya Parivrita, the Environmental Club of CBIT, successfully organized a captivating event titled "Money Plant Lucky Draw" - a harmonious blend of community engagement and environmental advocacy in collaboration with Civilizations. The event aimed to foster awareness and action towards a greener, healthier planet.

The event commenced with the exciting Money Plant Lucky Draw, where every participant had the opportunity to receive a medical valued sapling generously sponsored by Moolika Vanam (Aziznagar, Hyderabad, Telangana) to promote environmental awareness. Students and faculty eagerly purchased raffle tickets to support the cause and increase their chances of winning, while contributing to a greener tomorrow.

Following the Lucky Draw, participants enthusiastically embraced the spirit of environmental stewardship by joining the Plantation Drive. Some participants committed to nurturing and caring for the plants in their own living spaces. This not only provided an opportunity for individuals to contribute to environmental sustainability but also created a tangible connection between them and the cause. Each sapling planted symbolized hope and resilience, enriching the environment for generations to come.

Objectives Achieved:

- Participants were inspired to take proactive measures to protect and conserve the environment.
- The event fostered a sense of responsibility and ownership among the community towards environmental stewardship.
- Winning prizes served as incentives for individuals to engage in environmentally-friendly practices and support worthy causes.

In conclusion, the Money Plant Lucky Draw & Plantation Drive organized by Chaitanya Parivrita proved to be a resounding success, bringing together individuals from diverse backgrounds united by a shared passion for environmental conservation. The event not only created awareness about environmental issues but also inspired tangible action towards building a greener and more sustainable future.

On 09-12-2023, Department of Civil Engineering under the aegis of Parivrita Club Council for Green Revolution-An Environmental Organization and Council for Earth Leadership and Sustainability (CELS) organised Seminar on "Climate Impacts: Role of Technology".

Dr. Sai Bhaskar Reddy Nakka Director, The Earth Center, Executive and Management committee member Council for Green Revolution (CGR) given lecture on global warming climate change is a significant environmental and social issue worldwide. Climate change, often referred to as global warming, is a result of increasing levels of atmospheric CO2 and other greenhouse gases emitted primarily by human activities such as cars and factories. The consequences of climate change encompass not only global warming but also alterations in precipitation, sea level changes, and more frequent extreme weather events. These impacts have been affecting us for some time now, and they are becoming increasingly evident.

Dr Babu Rao Kalapala, Retired Scientist, IICT and environmental campaigner explained that climate change is a pressing global issue caused by various factors, including carbon emissions, volcanic eruptions, and solar radiation. Human activities like fossil fuel combustion, deforestation, and vehicular pollution play a significant role. These changes have led to more frequent and severe extreme weather events and threaten biodiversity.

ACTIVITY REPORT ON HARITHA HARAM

1. Name of the Activity / Event / Programme : Haritha Haram

2. Activity / Event Date and Venue : 08-09-2023 & 13-09-2023, CBIT Campus

3. Participants : Students of all branches

4. No. of Participants : All the first year admitted students

5. Chaitanya Parivrita Club Student Coordinator : Oggu Akshitha Priya

6. Chaitanya Parivrita Club Staff Coordinator : E. Maheshwar Reddy, Asst. Prof., CED.

As a part of the Student Orientation Programme' 2023, all the first year admitted students participated in the "Haritha Haram Programme" organized by CBIT for welcoming the fresher's. As a part of the programme, We Chaitanya Parivrita Club organized "Tree Plantation" programme "Haritha Haram" in the college premises, where the newly joined students were given the opportunity to plant the trees. It was attended by faculties and students of CBIT, more than 25 student volunteers participated in this chain of plantation.

We explained them the importance of environment and also about the present climate changes with few events as an example to them. Also, we explained in detail, the objectives of the Chaitanya Parivrita Club:

- 1. Create awareness about the issues of environment among the students and the need to protect it.
- 2. Reduce, Reuse and Recycle
- 3. Avoid the usage of plastic and other non-recyclable products
- 4. Work to maintain ecological balance in nature
- 5. Contributions for Biodiversity
- 6. Organize activities to educate people

All the first year admitted students showed their active participation in this program.

F.No. AICTE/SDC(RB)/Tree Plantation-Meri Life/1

To

The Directors/ Principals/ Vice Chancellors AICTE Approved Institutions

Sub: Massive Tree Plantation Drive - MeriLiFE Mission 2023 Participation Reg.

Sir /Madam,

As you are aware that the Ministry of Education, Govt. of India has launched the MeriLiFE Mission on the occasion of "World Environment Day" on 5th June, 2023. In order to take the Govt. initiative further, AICTE has requested all the AICTE approved Institutions/Colleges vide AICTE letter No. AICTE/SDC(RB)/Tree Plantation-MeriLiFE/1 dated June 3rd, 2023 to involve all the students, faculty and staff members to plant at least one tree having suitable utility in the respective region.

Despite of repeated requests, it is observed that the very few institutions have participated and contributed in the plantation drive so far. Hence, it is decided that all AICTE approved institutes should participate in this initiative mandatorily and submit the information at https://forms.gle/hpPxzHNvRw7ZRGFw5

AICTE has also written letters to the State Govt. Departments like Forest Department, Technical Education Department and District Magistrates to support AICTE approved institutions in this initiative. You may check the letters sent to the authorities in your region at https://pilot.aicte-india.org/meriLife/assets/document/LetterToAllGovtDept.pdf and may request them for the support in this initiative. You are also requested to organize group activity for taking pledge as **Pro Planet Person** at the link https://drive.aicte-india.org/meriLife/

In view of the above, all the AICTE approved institutions are once again requested that the MeriLiFE Massive Tree Plantation Drive 2023 should be given utmost priority mandatorily by extending your sincere support and active cooperation to make the noble initiative a grand success. The institution wise Progress Report will be made available to the Ministry on receipt of satisfactory information from the institutes in this regard. The top 100 institutes with maximum number of tree planted will be awarded with "Certificate of Appreciation" by the AICTE.

Thanks & Regards,

(Prof. T.G. Sitharam)

CHAITANYA PARIVRITA

Dear Green Warriors of CBIT,

Chaitanya Parivrita, the beating heart of environmental consciousness, is about to paint the campus with the vibrant hues of life. Brace yourselves for the most spectacular event of the year – our Massive Tree Plantation Drive!

This isn't just a plantation drive; it's a statement, a declaration that we, the students and staff of CBIT, are unwavering champions of nature's grace. Our collective action is an embodiment of hope, a beacon that guides us towards a world where nature and humanity coexist in perfect equilibrium.

DRemember, your presence is more than attendance; it's a pledge, a commitment to the Earth we share. Bring your enthusiasm, your energy, and your determination, as we embark on this transformative journey together.

Let's show the world that CBIT doesn't just embrace change; we nurture it. Be a part of the green revolution. See you on August 7th at 3:00 PM sharp, at the sports grounds, ready to sow the seeds of a brighter, greener future!

REPORT ON PLANTATION

As a part of AICTE:MeriLiFE-Massive Tree Plantation Drive 2023, Chaitanya Bharathi Institute of Technology organized a tree plantation programme. It is widely recognized that the entire world is grappling with the issue of global warming. Planting trees has emerged as a highly significant endeavor to combat and recover from such challenges in today's context.

A campaign on "One Student-One Tree" was introduced to all students, aiming to inspire them to engage in tree planting by sowing saplings. The entire student body and staff actively took part in this initiative. On August 7th, 2023, a tree plantation event was meticulously organized, with free saplings procured from the local government nursery. Participants included the Principal, Heads of Departments, faculty members, members of the Environmental Club "Chaitanya Parivrita," NSS Volunteers, and students.

The planting process commenced with students and staff members planting saplings one by one.

The initial phase involved planting saplings within the institute campus' sports grounds, followed by extending the plantation effort to the surrounding areas.

Principal, CBIT delivered an impassioned speech during the event, shedding light on the vital importance of tree plantations and fostering greater awareness on this crucial subject.

In the end, faculty coordinator thanked the staff and students for coming and participating in that fruitful activity, giving their precious time. Overall the programme was a huge success, empowering students with substantial knowledge of the environment and plants.

As a part of the world environmental day, Chaitanya Parivrita Club organised Environment Day celebrations on June 5, 2023. The Principal staff and the students participated in the program in full spirit. The aim behind organising the Environment Day was to create awareness among people about the importance of keeping the environment clean as well as saving it. And for this purpose, the Principal of the institute, planted trees in the college premises and gave a speech on how our environment helps us in our daily life, and why we should all work together to protect the environment. All the staff and students participated in the program with much enthusiasm. The Principal thanked everyone for their presence and concluded the day's programme.
