### **ABOUT THE EVENT**

On the vibrant occasion of "SHRUTHI 2024," the enthusiastic team at CPC (CBIT Photography Club) organized an exhilarating event known as the "Photo Hunt" on February 29th, 2024. From the crack of 11:00 AM until the late afternoon at 4:00 PM, the event unfolded under the careful guidance of the core committee members of CPC. Drawing participants from diverse academic streams, with over 40 eager individuals joining in, the event promised a day filled with excitement and exploration.

As the event commenced, each participant received a bingo card adorned with intriguing picture prompts, accessible through a convenient QR code. This ingenious twist set the stage for a thrilling adventure where participants embarked on a quest to decipher the locations depicted in each prompt. Armed with their keen sense of observation and a dash of creativity, participants ventured across the college campus, eagerly seeking out the spots hinted at in the prompts.

Capturing the spirit of the event, participants paused at each location to snap a selfie, documenting their journey and adding a personal touch to the experience. With each successful discovery, the excitement grew palpable, fueling the determination of the participants to conquer the challenges presented by the bingo card.

As the clock ticked towards the event's conclusion, participants diligently completed their bingo cards, marking each location conquered with a triumphant selfie. With a sense of accomplishment, they submitted their cards along with the accompanying selfies through a dedicated drive link, eagerly awaiting validation from the vigilant CPC team.

Through the "Photo Hunt" event, participants not only tested their observation skills and creativity but also fostered a deeper connection with their college surroundings.

## **ABOUT THE EVENT**

Certainly! The "SHRUTHI 2024" event, which celebrates creativity and expression, was buzzing with excitement as the CPC (CBIT Photography Club) organized a dynamic "Photo Booth" experience. Held over two days, on February 29th and March 1st, 2024, the event took place near the X-garden, adjacent to the open-air auditorium. Participants who had registered for the event were invited to step into the photo booth and have their pictures taken using Polaroid cameras. But this wasn't just any ordinary photo session; the booth was adorned with an array of

fun and quirky props, adding a playful and festive atmosphere to the occasion., the props encouraged participants to let loose and express themselves creatively. That resulted a series of candid and joyful snapshots capturing the spirit of SHRUTHI 2024. It was a memorable experience for everyone involved, bringing together the community in celebration of art and camaraderie.

### **ABOUT THE EVENT**

To celebrate "SHRUTHI 2024" in full swing, the passionate crew of CPC (CBIT Photography Club) hosted an electrifying event called the "photo showcase" on February 29th, 2024. At the BEE lane, the participants' submissions and snapshots from our team were prominently displayed as a captivating gallery.

The event was a vibrant celebration of photography, bringing together enthusiasts from all corners to share their creativity and passion for capturing moments. The atmosphere was filled with excitement as participants eagerly submitted their best photographs, each one showcasing unique perspectives and artistic flair.

The BEE lane, transformed into a makeshift gallery for the occasion, served as the perfect backdrop for displaying the stunning images. From breathtaking landscapes to candid portraits, the diverse range of photographs on display captivated the attention of everyone in attendance. As visitors meandered through the gallery, they were treated to a visual feast of talent and inspiration. The photographs served as a window into different worlds, offering glimpses of beauty, emotion, and storytelling captured through the lens.

Amidst the buzz of admiration and appreciation, the CPC team carefully evaluated each submission, considering factors such as composition, creativity, and technical skill. After much deliberation, a winner was chosen – a photograph that stood out for its exceptional quality and ability to leave a lasting impression on viewers.

Overall, the "photo showcase" event was a resounding success, highlighting the power of photography to unite, inspire, and evoke emotions. It was a testament to the passion and dedication of the CPC team and the talented photographers who participated, making it a memorable highlight of "SHRUTHI 2024."

## **ABOUT THE EVENT**

In the midst of the bustling festivities of "SHRUTHI 2024," the dedicated team of the CBIT Photography Club, known affectionately as CPC, orchestrated an exhilarating event known as "Photo Story" on February 28th, 2024. Taking place in the vibrant ambiance of the ECE e-classroom, participants were tasked with a unique challenge: within a mere 15-minute timeframe, they were presented with four distinct images and entrusted with the art of storytelling. Each participant was given the opportunity to let their creativity run wild, allowing their interpretations of the images to guide the direction of their story.

At the conclusion of the event, amidst eager anticipation, the judges deliberated to identify the most compelling and inventive story of them all. With much excitement, the winners were announced, their storytelling prowess recognized and celebrated by all in attendance.

The "Photo Story" event served not only as a platform for creative expression but also as a testament to the power of storytelling to transcend boundaries.
