## DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Minutes of the Meeting of Programme Assessment and Quality Improvement Committee  
(PAQIC) BE (ECE) Program

Date: 27.03.2024

Time: 11.00 AM

Meeting held Online mode

S. no.	Name and Designation	Designation
1.	<b>Dr. D. Krishna Reddy</b> , Professor and HoD, ECE Dept., CBIT	Chairperson
2.	<b>Dr. N. V. Koteswara Rao</b> , Professor, Dept. of ECE, CBIT	Member
3.	<b>Dr. P. N. Sastry</b> , Professor, Dept. of ECE, CBIT	Member
4.	<b>Dr. A. Supraja Redy</b> , Dept. of ECE	Member
5.	<b>CAG Members</b>	
6.	<b>Dr. G. Prasad</b> , Group Head, ICIG, NRSC, ISRO, Hyderabad	Member
7.	<b>Sri. Ajay Kumar</b> , Manager R&D, Medha Servo Drives Pvt. Ltd, Hyderabad	Member
8.	<b>Sri. K. Pramod Kumar Reddy</b> , Delivery Head, Cyber Security, APMEA Region, Wipro Technologies Ltd. Hyderabad.	Member
9.	<b>Sri. Shravan Kumar Goud Ashannagari</b> , Senior Silicon Design Engineer, AMD India Pvt Ltd, Hyderabad.	Member
10.	<b>Dr. K. Vasanth</b> , Associate Professor, Dept. of ECE, CBIT	Convener

### Leave of Absence:

1. **Ms. K. Adithi Reddy**  
Engineer, USB Software, Core-Tech platform, Qualcomm Inc., Hyderabad
2. **Sri. J.V. Kiran Kumar**  
Member, Senior Software Engineer, Infosys, Hyderabad.
3. **Sri.P. Chandrasekhar**  
Member, Assistant Professor, Dept. of ECE, CBIT
4. **Dr.P.Sathish**  
Member, Assistant Professor, Dept. of ECE, CBIT

The meeting has commenced with welcoming by Chairman, PAQIC of B.E (ECE). He also appreciated he contribution of the members.

### Minutes:

1. **To approve the minutes of PAQIC Meeting 2023**  
The Minutes were approved
2. **Development of Curriculum of R – 22 Regulation (V Sem to VIII Sem)**
  - a. Chair BoS, ECE Dept., presented the Scheme and Structure of V to VIII semesters of BE (ECE) program R22 Regulation. Also highlighted the major changes brought in the curriculum to improve placements as well as current industry needs as follows.
    - i. Winter upskill certification courses are introduced for a of duration of 60 Hours with 25 Marks of 0.5 Credit at IV and VI semesters as part of total 160

Credits by lifting out Internship -III in VII semester present in R-20 Curriculum.

- Dr. G. Prasad enquired that any courses related to coding, PCB design etc were offered.
  - Dr. K. Vivek Singh presented the list of courses opted for present IV and VI semester students to complete their winter upskill certification. These include courses like MATLAB from Mathworks, CISCO, 4G Communication, IoT, Python, Java, AI and Machine learning etc.
  - Dr. K. Sai Krishna also added that few students have done their Skill Course at NIT, Warangal on 5G Communication.
- ii. To accommodate advanced subjects like “5G Communications”, Analog Communications and Digital Communications are merged into a single course titled “Analog & Digital Communications” for theory. Correspondingly, the practical component is now offered under the course “Analog & Digital Communications Lab” in R-22 Curriculum.
- Dr. G. Prasad enquired about the Processors that are covered in the subjects “Computer Architecture and Microprocessors” and “Microcontrollers” at V and VI semester level apart from 8086 Microprocessor.
  - Dr. N. Dhanalakshmi Clarified with the content of the subjects and its alignment to the recent needs.
- iii. Program Electives are placed based on the tracks to enhance the students’ area of interest such as Communication & networking, Embedded & IoT, VLSI, Signal Processing domains and etc.,
- Dr. G. Prasad Appreciated the different elective tracks
- iv. Program Elective and Open electives were Chosen in accordance to Revised AICTE Model curriculum 2023 & as per NITTTR guidelines.
- v. Industry 4.0 is replaced with Industry 5.0 in R-22 curriculum.
3. **Stakeholder’s Feedback for curriculum development and Course end & Semester end Surveys for TLP improvement**
- a. Dr. Khaleel Rahman presented the feedback collected from stakeholders such as parents, Industry, Alumni etc., for the development of curriculum.
- i. Chair, PAQIC has conveyed that the feedback gathered has been disseminated among the various CEG groups. Subsequently, the revision of the R-22 draft curriculum was prepared based on this feedback to be discussed in forthcoming BoS.
- Dr. G. Prasad enquired about when the surveys are conducted and how long it will take to include those in the curriculum.
  - Typically, surveys are collected prior to the revision of the curriculum development process. So, for this iteration, surveys were conducted in January 2024 and seamlessly integrated into the ongoing revision process."
- b. Smt. Ghata Chauhan presented the Course end survey, Semester end survey and Program exit survey reports of A.Y.2022-2023.
- i. Sri. Ajay inquired about the total number of students who participated in responding to the survey.
- ii. Smt. Ghata Chauhan stated that about 99% students involved in survey as respondents.
4. **Innovative teaching methodologies followed, NPTEL/SWAYAM Certifications**
- a. Dr. K. Vasanth presented the Innovative teaching methodologies followed by the department.
- i. Dr. G. Prasad emphasized the importance of document writing skills for students.

- ii. The Courses like Technical paper writing, reports submitted for Mini projects and Technical seminar can significantly enhance these skills.
    - b. Dr. K. Vasanth presented the number of NPTEL/SWAYAM Certifications of UG students for AY 2023-24. Also emphasized the availability of Additional Minor Engineering and Honors degree & Credit transfer facilities for the students.
      - i. Dr. G. Prasad enquired about the feedback regarding Additional Minor Engineering and Honors degree.
        - Our students in the ECE department are showing a keen interest in pursuing an Additional Minor degree in CSE rather than opting for Honors. This choice is believed to enhance their employability prospects.
5. **Quality of Question papers and assignments**
- a. Chair, PAQIC provided an overview of the department's process for setting and moderating question papers. Additionally, it was mentioned that assignments are structured to align with Bloom's taxonomy level exceeding 3.
6. **Result Analysis and action taken.**
- a. Sri. N. Jagan Mohan Reddy presented the analysis of results for the 2022-23 graduating batch. He also compared the pass percentage with that of the previous academic year, ensuring it consistently remains above 95%.
7. **CO-PO-PSO Attainments – Fixing Target**
- a. Mr. Mohd. Ziauddin Jahangir shared information about the procedure carried out to attain the CO, PO and PSO with emphasis on how the target levels are set for POs and PSOs.
    - i. Dr. G. Prasad inquired about the methods used to achieve improvements in attainment. And when will the changes take effect.
    - ii. Dr. N.V. Koteswara Rao suggested focusing on remedial measures aimed at enhancing the attainment of Program Outcomes (POs) that have not been achieved.
      - Enhancements in attainment are achieved in the subsequent academic years through the implementation of various workshops, training programs, guest lectures, and similar initiatives.
  - b. Mr. Mohd. Ziauddin Jahangir informed that present target level for POs is 73% and requested the panel members to suggest the PO target level for the next batch.
    - The members proposed maintaining the current level for the Program Outcomes (POs) that haven't reached the required attainment level. For the POs that have already met the criteria, they suggested aiming for a 2% improvement, reaching a target of 75%.
8. **Internship / Industrial visits - Impact Analysis**
- a. Dr. K. Sai Krishna presented about the internship Offered in the Department in II, IV and VI semester in the form of NPTEL / MOOCS, Industry/ Rural Internship and Industry cum Inter industrial Internship respectively. He explained the benefits of doing these internships that can be converted into Publications/ Projects/ Patent/ Placements.
    - Dr. G. Prasad enquired about training programs which was considered as Internships
- 9 **List of technical events conducted**
- a. Dr. K. Khaleel Rehman presented the list of technical events conducted by the department for the AY 2023-24.
- 10 **Initiation of Department News Letter**
- a. Smt. A. Satyavathi briefed about the “TRANSCENDENT” – College level newsletter published biannually.
- 11 **Faculty Contributions and competencies improved.**
- a. Dr. A. Supraja Reddy presented the details about the sponsored projects and consultancy projects that were currently carried out in the department. She also

highlighted that two patent were granted and a MOU with “Constelli signals Pvt ltd.” was signed in this Academic Year.

- b. She also gave insights about the quality publications made in Scopus & Web of Science publications made by faculty and students for Ay 2023-24.

The Committee appreciated the efforts of the department

12 **Department Infrastructure Facilities and Student Support System**

- a. Dr. P. Narahari Sastry Presented department infrastructure facilities. He also briefed the mentoring available in the department for students support.
- b. Chair, PAQIC Highlighted about the industry supported labs.

13 **Placements, Higher Studies and Entrepreneurship**

- a. Dr. K. Vasanth presented the details of students placed in Companies, Opted for Higher studies and Turned as an Entrepreneur of 2023 passed out batch.

14 **Student Projects and Outcomes**

- a. Dr. A. Vani briefed about the Procedure followed for project selection, allocation, conducting reviews and Best Projects selected in the department. She highlighted the institute funding and VM Rao Best Student Research Award for Meritorious work carried out in the department.

**Dr. K. Vasanth**

No.1163/CBIT/AEC/IC/2023

Date: 21/11/2023

## Circular

CBIT IT Department is conducting an Guest lecture on topic “**BUSINESS INTELLIGENCE AND DATA WAREHOUSING**” by **Mr. TARUN**, 2015 batch M.Tech(IT-CNIS) Dept Alumni. This is for the benefit of all the V semester students of BE - IT&AIDS on **23/11/2023** in N block seminar hall. The Speaker for the session is **Mr. Tarun business intelligence trainer infosys past, and associate lead in Sutherland global**.

Hence, Heads of the departments of IT, AIDS are directed to instruct All the interested staff to attend the Speaker Session. And all V semester students to participate in the programme. For further details in this regard contact **Mr. B.Harish Goud** and **K.Swathi** Assistant Professor, IT Department, Faculty coordinators - CCC, Mob: 9492863506, 9491388749.

Sl.No	Semester	Timings	Venue
1	V	10.00AM to 11.15AM	N Block seminar,

**Note:** The faculty having class work are informed to attend the session and take attendance of their students in the session.

*A. Harish*

## Department of Information technology

### Brief Report

#### Event Details

**Topic:** Business Intelligence and Data Warehousing

**Date:** 23rd November 2023

**Venue:** N block seminar hall, CBIT Campus

**Time:** 10.00AM to 11.15AM

#### Speaker Profile

Mr. Tarun

Alumnus: M.Tech in Information Technology-Computer Networks & Information Security (IT-CNIS), Batch of 2015, CBIT

Current Role: Associate Lead, Sutherland Global

Past Affiliation: Business Intelligence Trainer, Infosys

Mr. Tarun is a distinguished alumnus of CBIT, having graduated with a Master's degree in Information Technology, specializing in Computer Networks and Information Security (CNIS), in the year 2015. With a robust foundation in IT and a passionate inclination towards data analytics, Mr. Tarun embarked on a professional journey that led him to become a revered Business Intelligence trainer at Infosys. His tenure at Infosys was marked by significant contributions to training methodologies, enhancing BI competencies among professionals, and developing comprehensive data warehousing solutions.

Currently, Mr. Tarun holds a pivotal role as an Associate Lead at Sutherland Global, where he spearheads projects centered on business intelligence, data analytics, and data warehousing solutions. His expertise in BI tools, data modeling, and analytical reporting has been instrumental in driving business growth and operational efficiency for various clients globally.

#### Session Highlights

The session will cover a range of topics within the domain of Business Intelligence and Data Warehousing, including but not limited to:

Introduction to Business Intelligence and its significance in today's data-driven landscape.

Overview of Data Warehousing concepts, architecture, and its integration with BI processes.

Insightful discussions on BI tools, technologies, and best practices.

Real-world applications and case studies demonstrating the impact of BI and DW on business decision-making and strategic planning.

An interactive Q&A session, providing students with the opportunity to engage directly with Mr. Tarun, gaining insights from his vast industry experience.

## Objective

This guest lecture is designed to:

Bridge the gap between academic learning and industry practices.

Foster an understanding of the practical applications of BI and DW technologies.

Equip students with the knowledge and skills needed to excel in the fields of Business Intelligence and Data Warehousing.

## Invitation

All students of the V semester BE in IT&AIDS are cordially invited to attend this insightful session. It is a unique opportunity to learn from a distinguished CBIT alumnus who has made significant strides in the field of Business Intelligence and Data Warehousing.

## Conclusion

We look forward to an engaging and informative session with Mr. Tarun. This event is a testament to CBIT's commitment to providing its students with exposure to industry leaders and cutting-edge topics in the realm of Information Technology.

**DEPARTMENT OF INFORMATION TECHNOLOGY**

Date: 23-07-2020

**Chairperson**

BoS (IT),  
Department of Information Technology

To

**The Members,**

Board of Studies (Information Technology)  
CBIT, Hyderabad.

**Dear Sir/Madam,**

The Ninth Board of Studies (Information Technology) meeting is scheduled on 25-07-2020 (Saturday) at 11:00 AM in **Online mode** to transact the following agenda:

**AGENDA**

1. Confirmation of the minutes of the Eighth BoS meeting.
2. To approve the **Scheme and Syllabus** for the newly sanctioned PG Program, **M. Tech. (Artificial Intelligence and Data Science) program** as per **R-18 Regulation** of CBIT.
3. To approve the **Scheme for B.E. (IT) program** as per **R-20 Regulation** of CBIT.
4. To approve the **Scheme for B.E. (Artificial Intelligence and Data Science) program** as per **R-20 Regulation** of CBIT.
5. To approve the **minor changes in Syllabus for V to VIII semesters of B.E. (IT) program** as per **R-18 Regulation** of CBIT.
6. To approve the list of courses for the award of **B.E. (IT) Honors Degree**.
7. To approve the list of courses for the award of **B.E. (AI and DS) Honors Degree**.
8. To approve the list of courses for the award of **Additional Minor Engineering in Artificial Intelligence**.
9. To approve the list of courses for the award of **Additional Minor Engineering in Data Science**.
10. To approve the list of courses for the award of **Additional Minor Engineering in Augmented and Virtual Reality**.
11. To approve the list of courses for the award of **Additional Minor Engineering in Information Security**.
12. To approve the syllabus for Service Courses offered to other programs as per R18 Regulation.
13. To authorize the Chairperson to update the list of MOOCs/NPTEL courses as and when they are offered.
14. To authorize the Chairperson to modify Course Outcomes if required
15. To authorize the Chairperson to constitute panels of examiners for question paper setting, paper valuation and practical examinations.
16. Any other item with the permission of the chair.

All the members are requested to make it convenient to attend the meeting.

**Dr. K. Radhika,**  
**Chairperson, BoS (IT),**  
**CBIT (A).**

To:

1. Dr. R. Bala Venkata Subramanyam, Head, Dept. of CSE, NITW, Warangal
2. Dr. K. Shyamala, Professor & Head, CSE Department, University College of Engineering, OU, Hyderabad
3. Dr. O.B.V. Ramanaiah, Professor and Chairperson BoS-CSE, Dept. of CSE, JNTUH(A), Hyderabad
4. Mr. Jagadeesh Kuncham, Vice President, Central Fresher Program, Capgemini India, Hyderabad
5. **Ms. Shweta Naganath Bodhankar, Associate Consultant, Microsoft India Pvt. Ltd., Hyderabad**
6. Mr. Balaji Nakkella, Associate Solution Advisor, Deloitte USI, Hyderabad
7. Dr. Suresh Pabboju Professor, IT Dept., Director-IQAC, CBIT, Hyderabad
8. Ms. K. Sugamya, Assoc. Professor, IT Dept., CBIT, Hyderabad
9. Ms. A. Sirisha, Assistant Professor, IT Dept., CBIT, Hyderabad
10. Ms. M. Trupthi, Assistant Professor, IT Dept., CBIT, Hyderabad
11. Ms. T. Prathima, Assistant Professor, IT Dept., CBIT, Hyderabad

## CHEMSPARK 2024 - Report

### INTRODUCTION

The Chemical Engineering Department of CBIT recently organized a highly successful technical fest that allowed students to showcase their skills and knowledge in various technical fields. The fest featured multiple events, including a paper presentation, poster presentation, model making, and a technical quiz, all aimed at fostering creativity, innovation, and technical expertise among the participants. The paper presentation event saw participants presenting their research findings and innovative ideas on various topics related to chemical engineering. It provided a platform for students to delve deep into their areas of interest and share their insights with peers and faculty members. The poster presentation event allowed students to represent their research work, projects, and ideas visually. Participants creatively designed posters that effectively communicated complex technical concepts in an engaging and informative manner. The model-making event challenged students to bring their theoretical knowledge to life by creating physical models demonstrating vital chemical engineering principles and concepts. This hands-on event encouraged participants to think critically and apply their knowledge in a practical setting.

The poster for CHEMSPARK 2024 features the Chaitanya Bharathi Institute of Technology logo at the top left, with accreditation details from NAAC, NIRF, and ISO. A large '45 years' logo is on the top right. The central text reads 'Sudhee-2024, Innovate. Integrate. Inspire. Department of Chemical Engineering Presents CHEMSPARK 2024, 26th & 27th Feb 2024'. A QR code is labeled 'Register Now @' with the URL <https://linktr.ee/CBITChemSpark>. The event list includes Paper Presentation, Poster Presentation, Model Making, Technical Quiz, and more. The organizing committee members are listed as Chairperson Dr. M. Mukunda Vani, Convenor Dr. BVS Praveen, and Coordinator Dr. Raj Kumar Verma. Student coordinators Nishitha, Eswaraditya, and Arman are also mentioned with their contact numbers.

### ORGANIZING COMMITTEE

The success of any event depends greatly on the dedication and hard work of the organizing committee. The technical fest organized by the Chemical Engineering Department of CBIT was no exception, with a diverse group of committees working tirelessly to ensure the smooth execution of the event. Each committee was headed by a faculty member who oversaw the planning and coordination of specific aspects of the fest. Let's delve into the roles and responsibilities of each committee:

1. Finance Committee (Headed by Dr. M. Mukunda Vani and Dr. K. Prasad Babu): The Finance Committee managed the budget, secured sponsorships, and handled financial transactions related to the technical fest. They ensured all expenses were accounted for and the event remained within budget.

2. **Publicity Committee (Headed by Dr. P. V. Naga Prapura):** The Publicity Committee oversaw the promotion of the technical fest through various channels, including social media, posters, and word-of-mouth. They were crucial in attracting participants and generating interest in the event.
3. **Reception Committee (Headed by Dr. B. Ganesh):** The Reception Committee welcomed participants, guests, and speakers to the event. They ensured that everyone felt included and informed about the schedule and activities planned for the fest.
4. **Logistics Committee (Headed by Dr. R. Prasanna Rani):** The Logistics Committee handled all aspects of event planning, including venue selection, equipment rental, and transportation arrangements. They ensured that all logistical details were taken care of to guarantee a seamless experience for participants.
5. **Hospitality Committee (Headed by Dr. Rupam Sinha):** The Hospitality Committee focuses on providing all participants with a comfortable and enjoyable experience. They organized meals, accommodations, and other amenities to ensure everyone had a pleasant stay during the fest.
6. **Disciplinary Committee (Headed by Sri I. Balakrishna):** The Disciplinary Committee was responsible for maintaining order and enforcing rules and regulations during the event. They handled issues or conflicts and ensured the fest ran smoothly and efficiently.
7. **Technical Committee (Headed by Dr. BVS Praveen and Dr. Raj Kumar Verma):** The Technical Committee oversaw the planning and execution of technical events such as paper presentations, poster presentations, and model making. They ensured that all technical aspects of the fest were well-coordinated and executed flawlessly.
8. **Decoration and Photography Committee (Headed by Dr. Rupam Sinha and Sri I. Balakrishna):** The Decoration and Photography Committee was responsible for creating a visually appealing and thematic atmosphere for the event, as well as capturing memorable moments and highlights through photographs and videos. They designed and implemented decorations that enhanced the fest's overall ambiance and aesthetics while documenting the event to ensure participants had lasting memories to cherish.

The organizing committee played a pivotal role in the success of the technical fest organized by the Chemical Engineering Department of CBIT. Their dedication, coordination, and hard work were instrumental in ensuring that the event ran smoothly and participants had a memorable and enriching experience. We thank each committee member for their invaluable contributions and commitment to making the fest a resounding success.

## KEYNOTE SESSION

Date: 26<sup>th</sup> February 2024

Time: 11:30 am onwards

Venue: Conference Hall, Department of Chemical Engineering

**CHAITANYA BHARATHI INSTITUTE OF TECHNOLOGY**  
An Autonomous Institute | Affiliated to Osmania University  
Kokapet Village, Gandipet Mandal, Hyderabad, Telangana-500075, www.cbait.ac.in

COMMITTED TO RESEARCH, INNOVATION AND EDUCATION **45** years

**CHEMPARK**

**Department of Chemical Engineering**  
**KEYNOTE LECTURE**  
**Startup Essentials: Crafting Your Path to Success**  
**By: Mr. Kartikeya Baldwa**  
**(CEO, IXOREAL BIOMED INC.)**  
**26th Feb 2024 11:00 am**  
**Conference Hall**

The Department of Chemical Engineering conducted a highly insightful Keynote Session on 26th February 2024, starting at 11:30 am. The session featured Mr. Kartikeya Baldwa, the esteemed CEO of IXOREAL BIOMED INC., as the chief guest. Mr. Baldwa delivered a captivating lecture titled "Startup Essentials: Crafting Your Path to Success" to enlighten students on the essential elements required to succeed in the startup world. The event saw an enthusiastic participation of approximately 100 students and staff members, all eager to glean knowledge from Mr. Baldwa's extensive experience. During his lecture, Mr. Baldwa provided valuable insights into his company's journey and shared key strategies that led to its success, focusing on its flagship product, KSM-66 Ashwagandha.

One of the highlights of the lecture was Mr. Baldwa's emphasis on quality, branding, marketing, innovation, infrastructure, and corporate social responsibility as the pillars of success in the startup ecosystem. He elaborated on how his company ensured the highest quality standards by conducting 32 clinical trials and obtaining over 40 certifications, setting a benchmark in the industry. In terms of branding, Mr. Baldwa discussed the importance of establishing a solid brand identity, exemplified by their trademark KSM-66 Ashwagandha, which is prominently featured in all their products. He also touched upon their marketing strategies, including business-to-business and business-to-consumer approaches, ensuring widespread reach and visibility.

Regarding innovation, Mr. Baldwa highlighted the versatility of their product, which could be utilized not only as a dietary supplement but also in food and beverage, sports nutrition, pet food, and personal care products. This diversification helped them tap into various market segments, increasing their market share. Furthermore, Mr. Baldwa shed light on IXOREAL BIOMED INC.'s state-of-the-art infrastructure and over 1500 acres of land, showcasing their commitment to excellence. He also emphasized the company's corporate social responsibility initiatives, including support extended to schools, colleges, and hospitals, underlining their holistic approach to business.

In conclusion, Mr. Baldwa's expertise in biomedicine and entrepreneurship provided a unique and valuable perspective on the challenges and strategies of starting and growing a successful business.

The Keynote Session was informative and inspiring, leaving the audience with a deeper understanding of the startup landscape. Overall, the Department of Chemical Engineering's Keynote Session featuring Mr. Kartikeya Baldwa was a resounding success, providing students and staff with invaluable insights and inspiration to embark on their entrepreneurial journeys.

## EVENT DETAILS

### Events conducted were:

- 1. Paper Presentation:** Participants gave presentations of their research papers on various technical subjects. The caliber of their research and presenting abilities were considered while choosing the winners. Around 25 abstracts were received for oral presentation conducted in two sessions with students from B V Raju Institute of Technology, Narsapur, Osmania University, JNTU Ananthapuram, and other colleges.

- 2. Poster Presentation:** Participants showcased their creative efforts or ideas using posters. The posters' inventiveness and potency played a role in selecting the winners. Around 13 posters have been presented during the poster sessions.

- 3. Model Building:** Participants constructed tangible models to showcase their inventiveness and technical proficiency—the intricacy and inventiveness of the models used to choose the winners.

4. **Technical Quiz:** Participants could assess their technical expertise through a quiz competition. The winners were those who showed a thorough comprehension of the subjects discussed.

5. **Non-technical Events:** Participant creativity, fast thinking, and problem-solving skills were showcased at events like Pictionary and escape rooms.

## VALEDICTORY SESSION

The closing ceremony of Chemspark witnessed a remarkable address by Dr. S. Altaf Hussain, the Director of Lords Institute of Technology, Hyderabad, and the Chairman of IChE, HRC. Dr. Hussain delivered an inspiring speech highlighting the profound significance of chemical engineering in today's society.

Dr. Hussain's address underscored the crucial role of chemical engineers in addressing global challenges and pushing the boundaries of technology. He eloquently explained how chemical engineering transcends conventional boundaries, offering boundless opportunities for innovation and problem-solving across various industries.

Dr. Hussain's passionate and compelling speech resonated with the audience, particularly inspiring young engineers to embrace the field of chemical engineering with enthusiasm and determination. His words instilled a renewed sense of purpose and excitement, motivating them to embark on a transformative journey in the field.

Dr. Hussain's address at the Chemspark valedictory ceremony highlighted the broad scope and impact of chemical engineering and served as a call to action for young engineers to make a meaningful contribution to the field. His speech was a fitting conclusion to the event, leaving the audience with a sense of optimism and motivation for the future of chemical engineering.

During the valedictory session, certificates were also distributed to the winners of all the technical events.

## Winner Details

Student Name	College	Prize	Even
Mr K Raj Kumar	BVRIT, Narsapur	First	Oral Presentation - 1
Ms. A Rithvika	CBIT	Second	Oral Presentation - 1
Mr R Chandrasekhar Goud	BVRIT, Narsapur	First	Oral Presentation - 2
Mr Aman Dubey	CBIT	Second	Oral Presentation - 2
Syed Syeeduddin	CBIT	First	Poster Presentation
Nooreen Fatima	BVRIT, Narsapur	Second	Poster Presentation
Gaurav Mahnot	CBIT	First	Model Making
Anna Thomas	CBIT	Second	Model Making
N Tharun	CBIT	First	Technical Quiz
M Praveen Kumar	CBIT	Second	Technical Quiz

## Feedback

It is encouraging to learn that most attendees had a satisfactory experience and that the information satisfied their needs. It's also great to hear that the presenters were praised for their knowledge and engagement. The success of the promotion channels is demonstrated by the fact that participants learned about the event via social media, which is lovely. A positive indication is the want to attend more gatherings, and it's good to have recommendations on how to make things better, like serving appropriate food and being polite. The event appears to have been successful overall, and some insightful information should be considered for upcoming events.

## Conclusion

In conclusion, Chemspark emerged as a resounding success, embodying the pinnacle of academic achievement within the chemical engineering domain. The event's diverse array of activities, from paper presentations and poster exhibitions to model making and a rigorous technical quiz, illuminated the participants' expertise and showcased their knowledge. The collaborative efforts of the organizing committee, participants, and esteemed guests, including Dr. S. Altaf Hussain, Director of Lords Institute of Technology and Chairman of IChE, HRC, and Chief Guest Mr. Kartikeya Baldwa, CEO of IXOREAL BIOMED INC., contributed to the event's triumph.

Throughout Chemspark, a palpable sense of enthusiasm and intellectual fervor permeated the atmosphere, fostering an environment ripe for innovation and scholarly discourse. The event served as a platform for the exchange of ideas, the exploration of emerging trends, and the celebration of academic excellence. Dr. Hussain's insightful address underscored the profound impact of chemical engineering in addressing global challenges, while Mr. Baldwa's presence highlighted the practical applications and entrepreneurial opportunities within the field.

As Chemspark unfolded its chapters of learning and competition, it not only encapsulated the essence of chemical engineering but also set a precedent for future academic symposiums. The event's success is a testament to all involved's dedication, passion, and collaborative spirit, reaffirming Chemspark's position as a beacon of excellence within the vibrant community of aspiring engineers.

# CHEMICAL ENGINEERING DEPARTMENT

## GUEST LECTURE REPORT

Speaker Details: Dr. Dr. Srinivas Appari. (Alumni Batch 2000)

Designation: Associate Professor, Chemical Engg Dept, BITS Pilani

Lecture date: 23<sup>rd</sup> April 2024

Topic: Exploring the Future of Chemical Engineering in Research and Academia

Total no of attendees: 40 (IV sem students)

The speaker highlighted emerging trends and advancements in chemical engineering research, emphasizing its pivotal role in addressing global challenges such as sustainability, energy, and healthcare.

Various career pathways within academia for chemical engineers were explored, including roles in teaching, research, and administration.

The audience engaged in discussions on interdisciplinary collaboration and the integration of cutting-edge technologies in chemical engineering research.

Challenges and opportunities facing the future of chemical engineering, such as ethical considerations, funding constraints, and the need for continuous innovation, were addressed.

The guest lecture served as a platform for insightful discussions and reflections on the future trajectory of chemical engineering in research and academia. It underscored the importance of continuous learning, collaboration, and innovation in driving positive change in the field.

No. 1017 /CBIT-AEC/2023

Date: 05.09.2023

**CIRCULAR**

The Department of BioTechnology is organizing an Alumni Talk No. 02/2023 on 06.09.2023 from 11:00 AM to 12:00 Noon through offline mode, as part of the 'CBIT Alumni Theme for 2023, The Knowledge Partners'. The details of the talk and the Alumnus speaker are as follows:

Title of the talk : Exploring Career Options While Pursuing a B.Tech in Biotechnology  
Speaker Name : Mr. Mohith Reddy Arikatla  
Venue : M-002 (Biotech Seminar Hall)

Mr. Mohith Reddy Arikatla is an Alumnus of CBIT, 2022 batch of B. Tech. Biotechnology. Currently, Student in MS Computational Biology program at Weill Cornell Medicine, Cornell University, New York

All the students of B. Tech (Biotechnology) of II, III and IV year, are required to attend the talk. The attendance will be taken by the concerned class teachers. Interested students and faculty of other departments are welcome to attend.

  
PRINCIPAL

CC: The Head of the Department of Bio-Technology & necessary action  
CC: All Directors, COE, HR & PRO for information.  
C.C. to the Advisor-RCG, CBIT, for kind information

## **Department of Biotechnology**

### **A BRIEF REPORT**

**On**

**Biotechnology-Alumni Talk conducted on 06<sup>th</sup> September, 2023; 12:00 - 1.00 PM**

**Venue : M-002 (Biotech seminar hall)**

<b>Name of the Knowledge Partners</b>	<b>Mr. Mohith Reddy Arikatla (2022 batch of Biotechnology)</b>
<b>Designation</b>	Master's Student, Computational Biology Program, Weill Cornell Medicine, Cornell University, New York, USA.
<b>Topic of presentation</b>	<b>Exploring career options while pursuing a Btech in Biotechnology</b>

#### **Background of the Talk**

Biotechnology is a vast field with numerous opportunities, and gaining exposure to different career paths can help you make informed decisions about your future. Exploring careers while pursuing biotechnology can be an exciting and beneficial endeavor. The biotechnology industry is dynamic and continually evolving, making it an exciting field for those who are passionate about science, innovation, and making a difference in the world.

#### **Overview of Session**

**Dr. V. Aruna**, Associate professor Biotechnology hosted the meeting and gave a brief introduction about **Mr. Mohith Reddy Arikatla**, Master's Student, Computational Biology Program, Weill Cornell Medicine, Cornell University, New York, USA.

**Mr. Mohith Reddy Arikatla** started the session by sharing his experience in exploring the Biotechnology field that involved a series of steps and a range of considerations. Mr. Mohith mentioned that a career in biotechnology offers a wide range of opportunities to work at the intersection of biology, chemistry, and technology to solve complex problems and make a positive impact on society. He gave great insights on the different career paths and roles within the field of biotechnology like **Biomedical Researcher/Scientist, Bioprocess Engineer, Clinical Researcher, Quality Control, Biotech Entrepreneur, Forensic Scientist to name a few.**

The session was interactive as students keenly participated in knowing the different career paths in Biotechnology. He got into detail on how he started his journey right from college and the ups and downs he encountered on the way to choosing a career. He started by joining as a **Phyto research intern at Inocure Tech Pvt Ltd** and finding his passion towards **Computational Biology**. He made a point that exploring careers while pursuing biotechnology is an ongoing process and to do something that you are interested in and passionate about. As you gain knowledge and experience, your career goals may evolve, and you may discover new interests within the field; to stay open to opportunities, keep learning, and adapt your path as needed to align with your passion and aspirations. He suggested kickstarting the journey by joining Internships and Co-op Programs, research institutions, to get hands-on experiences, to network with professionals, attending Conferences and Workshops, seeking Career Counseling and mentoring from faculty. There was a Q/A session for both students and faculties about Masters in Biotechnology, application process and choosing the right University after the talk. Vote of thanks was given by **Dr. Ashoutosh Pandey (HoD, Department of Biotechnology).**

**Target Participants:**

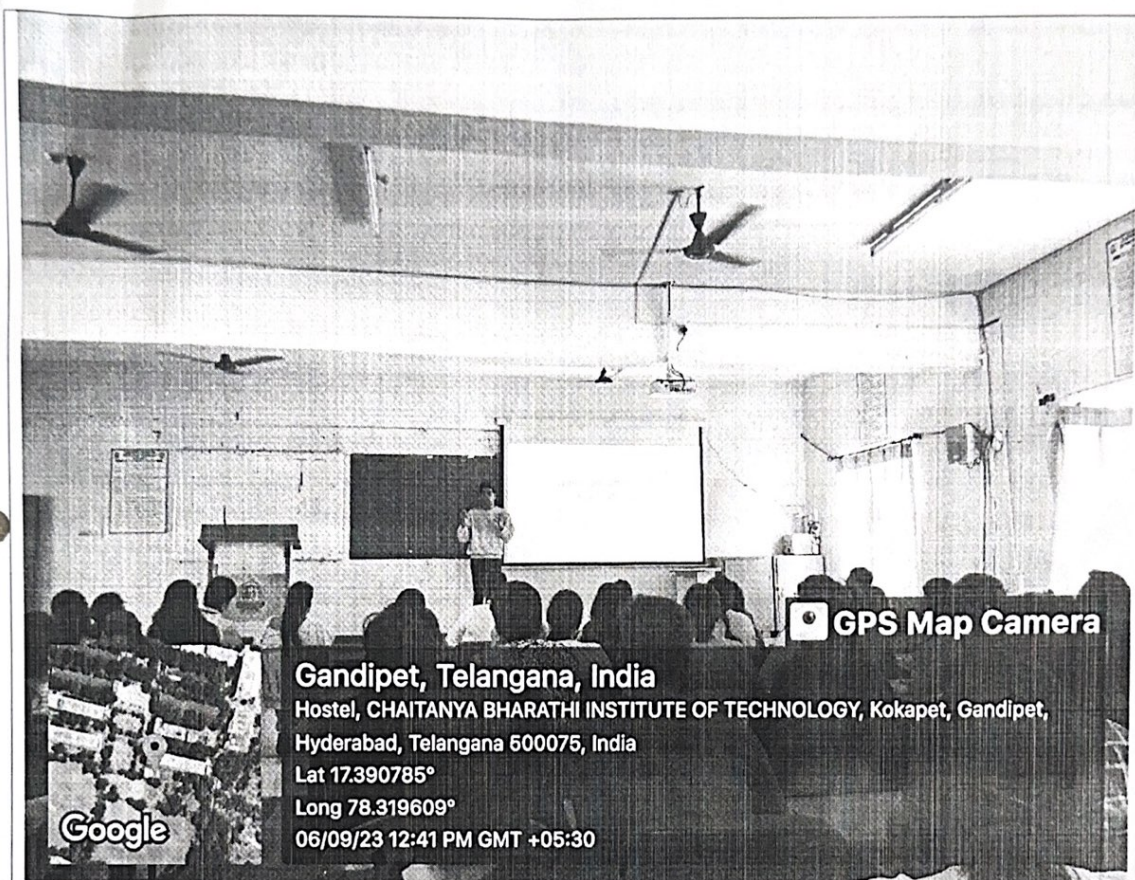

All the students of B.Tech Biotechnology (III-Semester; VI-Semester; VII-Semester) and Faculties of Biotechnology department attended the session.

**Outcome of the Session**

- Deep insights on different career paths in Biotechnology field and how one can choose among the various paths available
- Biotechnology as an emerging field offers a wide range of opportunities for those who are passionate about science, innovation, and making a difference in the world.
- Detailed road map to pursue a career in Biotechnology which can be either a masters program, research program or work in the field.

## CIRCULAR

The Department of BioTechnology is organizing an Alumni Talk No. 04/2023 on **27.09.2023** from 03:00 PM to 04:00 PM through offline mode, as part of the 'CBIT Alumni Theme for 2023, The Knowledge Partners'. The details of the talk and the Alumnus speaker are as follows:

Title of the talk : "From Campus to Career: Why Timing Isn't Everything"  
Speaker Name : Ms. Rithika Gorrepati  
Venue : M-002 (Biotech Seminar Hall)

**Ms. Rithika Gorrepati** is an Alumnus of CBIT, 2022 batch of B. Tech. Biotechnology. Currently, Intern, Corporate Innovation, T-Hub, Hyderabad

All the students of B. Tech (Biotechnology) of II, III and IV year, are required to attend the talk. The attendance will be taken by the concerned class teachers. Interested students and faculty of other departments are welcome to attend.

## Department of Biotechnology

### A BRIEF REPORT

On

Biotechnology-Alumni Talk conducted on 27<sup>th</sup> September, 2023; 03:00 – 04:00 PM

Offline mode (M-002- Biotechnology Seminar Hall)

Name of the Knowledge Partners	Ms. Rithika Gorrepati (2022 batch of Biotechnology)
Designation	Intern, Corporate Innovations, T-Hub, Hyderabad.
Topic of presentation	<b>From Campus to Career: Why Timing Isn't Everything</b>
<b>Background of the Talk</b> <p>T-Hub is a Hyderabad-based startup ecosystem that facilitates collaboration between startups, venture capital firms, corporations, governments, and academics. T-Hub enables and strengthens an innovation-hungry ecosystem.</p> <b>Overview of Session</b> <p><b>Dr. C. Nagendranatha Reddy</b>, Associate Professor Biotechnology, hosted the meeting and gave a brief introduction to Ms. Rithika Gorrepati, currently Intern, Corporate Innovations, T-Hub, Hyderabad.</p> <p><b>Ms. Rithika Gorrepati</b> started the talk by narrating her accomplishments and experiences in academics as well as co-curricular activities at CBIT. She was a very proactive student and has actively participated in many cultural and technical events and published research papers. She worked on many projects and interned at reputable biotechnology companies like Dr. Reddy's and Laurus Laboratories. Despite securing a decent CGP and having interned at top biotechnology companies, she couldn't find a place to settle herself immediately after graduating. She addressed the confusions that every youngster, including herself, had experienced and that every youngster would experience, and she presented some practical solutions to overcome them. She then detailed how, as a biotechnology graduate, she was hired as an intern at T-Hub. She has educated us on the mission, functioning, and career prospects at T-Hub, which is India's largest prototyping center. She has underlined the importance of developing soft skills such as communication, empathy, critical thinking, problem solving, and so on, which are essential to survive in the existing innovative world. She has motivated the students to see how best they can utilize the facilities at T-Hub so that every individual developing an idea can implement it. A vote of thanks was given by Dr. Ashoutosh Pandey.</p>	

## Target Participants:

All the students of B. Tech Biotechnology (II, III and IV year) and Faculty of Biotechnology department attended the session.

## Outcome of the Session

- To always think positively and never give up.
- To learn diverse skills that improve adaptability.
- Concentrate on the principles that cannot be replaced by automation.
- Few non-core opportunities for the Biotechnology graduates.
- How T-Hub is nurturing every individual to foster their skills and ideas.

## Snapshot during the session

## Change is Constant

It is not the strongest of the species that survives,  
nor the most intelligent that survives.  
It is the one that is most adaptable to change.

Learn it, embrace it, accept it and then apply it

## Soft Skills

Being a good coach

Communicating and listening well

Inclusive

Empathy

Critical thinking and problem solving

Being able to make connections across complex ideas

- Above the water – Strategies, Skills, Tactics
- Beneath – assumptions about
  - Identity – Who am I?
  - Purpose – Why am I here? How will I measure life when I look back at it?
  - Mindset – Stories and Assumptions we have about everything including ourselves and others and how we define success and failure.

Date: 30.09.2023

**CIRCULAR**

The Department of BioTechnology is organizing an Alumni Talk No. 05/2023 on **03.10.2023** from 03:00 to 04:00 PM through offline mode, as part of the 'CBIT Alumni Theme for 2023, The Knowledge Partners'. The details of the talk and the Alumnus speaker are as follows:

Title of the : "Passion, Leadership and Beyond: A Roadmap from  
talk Biotechnology to Managerial opportunities"  
Speaker Name : Ms. Anushka Bera  
Venue : M-002 (Biotech Seminar Hall)

**Ms. Anushka Bera** is an Alumnus of CBIT, 2023 batch of B. Tech. Biotechnology. Currently, Student, Masters of Business Administration from Symbiosis Institute of Business Management, Bengaluru.

All the students of B. Tech (Biotechnology) of III and IV year, are required to attend the talk. The attendance will be taken by the concerned class teachers. Interested students and faculty of other departments are welcome to attend.

  
PRINCIPAL

CC: The Head of the Department of Bio-Technology & necessary action  
CC: All Directors, COE, HR & PRO for information.  
C.C. to the Advisor-RCG, CBIT, for kind information

### A BRIEF REPORT

On

Biotechnology-Alumni Talk conducted on **03<sup>rd</sup> October, 2023; 03:00 – 04:00 PM**

*Offline mode (M205)*

<b>Name of the Knowledge Partners</b>	<b>Ms. Anushka Bera</b> (2023 batch of Biotechnology)
<b>Designation</b>	Student, MBA from Symbiosis Institute of Business Management, Bengaluru.
<b>Topic of presentation</b>	<b>Passion, Leadership and Beyond: A roadmap from Biotechnology to Managerial Opportunities</b>

#### Background of the Talk

Anushka Bera was one of the prominent student who walked out of CBIT with an impeccable performance in both academics and extra-curricular activities. She is a Bharatanatyam dancer and she was a semi-finalist in INDIA'S GOT TALENT Season 5 currently pursuing her MBA at SYMBIOSIS, Bengaluru

#### Overview of Session

A brief introduction about the speaker was given by Jyothika Meenakshi from final year B.tech Biotechnology

And, the talk began and covered the following points

#### **JOURNEY OF ANUSHKA BERA:**

- *From a school kid to a semi-finalist in a dance competition*
- *Her happy days at CBIT*
- *2023: an MBA odyssey*

The session started with a question by the dynamic speaker which followed:

***If you were given a chance to choose one thing that you would do for the rest of your life, what would be that thing?***

The question made the audience ponder their minds to come up with an answer, some active students answered communication, singing, learning, being happy etc. based on their personality and self-awareness. After listening to the answers, the cool speaker amazed the audience with a different approach to the question i.e. why one should fix with only one thing in life, as life is full of opportunities to explore which made the audience think deeply. Later the speaker dived into her story, which involves her journey as a dancer at the age of four to get a placement at Deloitte.

#### ***From a school kid to a Semi-finalist in a dance competition***

The speaker started practicing dance at the age of four and excelled in various dance competitions without affecting her academics with proper time management and dedication. She passed her 10<sup>th</sup> board (CBSE) with a 9.8 CGPA, with a B grade in Mathematics and a popular tag in the school due to her involvement in most of the activities in school. She was quite aware that mathematics was not her cup of coffee so after discussing it with her parents her interest in science made her embark on BiPC for her intermediate that too in Sri Chaitanya College which are well known as not less than to concentration camps of World War. On a

fine day, out of the blue comes a surprise call from Star Plus, India got talent/Dance Plus for a dance audition, she made her decision with her father's support to go to Mumbai for 6 months leaving her academics at stake. She really had a blast at the dance competition and returned to Hyderabad to continue her intermediate after her dance competition journey had a climax at the semi-finals. While she started focussing on her academics she was clueless about the syllabus as she was 6 months behind and after having a discussion with her lecturers she decided to concentrate on IPE exams as of now. When she topped IPE with decent marks she started thinking about cracking NEET but it is not a cakewalk as she needed to prepare both 1<sup>st</sup> year and 2<sup>nd</sup> year syllabi in the 2<sup>nd</sup> year itself and she was clear about her choices that she didn't want her to dedicate her life to medicine, hence she wisely dropped the idea of cracking NEET. After researching a lot (which involved checking all the clubs) she ended up landing in CBIT in Biotechnology as she was interested in Science.

Our speaker quoted words of wisdom she got from her dancing teacher:

*"There are three important things in your life, Anushka, first comes health without which we won't be able to do anything in our life, second goes to education where the importance of education needs no words to explain and the third thing is dance, which you love. Anushka never ever compromises about these three things to become the best version of yourself"*

These words from her dance teacher were her constant motivation in her life to achieve wherever she stands now, tackling all the obstacles with a pleasant smile.

### ***Her happy days at CBIT***

Our speaker with over-the-top skills and diverse interests made into various clubs at the CBIT in her 1<sup>st</sup> year. She was clear from the first that the more we learn and are surrounded with like-minded people the better the chances of getting into becoming the superior version of yourself. She started as a dancer at Chaitanya Samskruthi and later became the President of the prestigious club. She managed all her club activities without comprising her academics, credit goes to her effective planning. She shared an incident where she got an opportunity as a delegate at CBIT MUN despite having not much knowledge about it she managed to participate actively with the help of her peers, people around her who cheered her, encouraged her, scolded her, whatever they did she took everything with an optimistic attitude and made it to organize CBIT MUN in the following years, which is quite remarkable. She advised the audience to explore things and don't be afraid of unpredictability to get to know about the things they love doing, because at the end of the day the fun we are having with the work we do and our mental peace matters. Mostly she emphasized being part of various clubs and networking with people, which is a great deal in the present technology era.

Anushka was stubborn with her life choices so she sat down and researched, self an analysis of herself, and found that she was very passionate about Leadership which made her life take an epic swift from Biotechnology to MBA.

### ***2023: an MBA odyssey:***

The major outbreak in her life was made when she started preparing for the CAT exam in late June when the exam was scheduled in November or so. Everyone knows the competition and complexity of the CAT exam but our speaker with her dedication and commitment paved her way into SYMBIOSIS, Bengaluru, one of the elite institutions offering MBA programs. One of the major obstacles she faced during her MBA was justification for her shift from Biotechnology to an MBA program out of nowhere. She was 21 years old in the class filled with the 24-30 age group people, but she managed to do well and communicate with everyone she attributes this ability to the clubs was exposed to and the life lessons she learned during for life journey.

Recently there were placements going at Deloitte, where 160 students gave interviews, and 4 students were shortlisted for the offer our speaker was one among them even though she had only 4-5

months of academic exposure at Symbiosis. When asked, how she was able to crack the interview, she serenely credited her thirst for learning the things she loves and being passionate about life. When asked why the speaker didn't choose dance as a career option apart from an MBA, she calmly replied that there were tons of great dancers and skillful MBA students but for her becoming a dancer with an MBA degree sounded a pretty cool deal and hence she chose MBA without leaving dance as a career.

#### **Target Participants:**

All the students of B. Tech Biotechnology (III and IV year) and Faculty of Biotechnology department attended the session.

#### **Outcome of the Session**

The session was concluded with the following insights from the speaker.

- Sat down and self-analyze yourself from within to know yourself i.e. be in the quest for self-improvement
- Participate and be involved in most of the club activities to get a nice exposure to quite a lot of different things then decide what you truly love and are passionate about.
- Don't let the fear of unpredictability and ignorance about things stop you from doing new things but enjoy learning things with an optimistic approach surrounded by minded people.

**The audience found the talk to be very insightful and inspirational with a lot of lessons to learn and incorporate in their lives**

### Report on Alumni Talk

Date and Time	23.04.2024 from 10.00 AM to 11.30 AM
Name of the Alumni	Mr. Arun Kumar
Designation	HR Associate, Value Momentum
Topic of Presentation	Self-Awareness and Positive Attitude
Faculty Coordinator	Dr. P. Varaprasad Goud, Asst Prof, SMS

#### Overview of the Session:

- The session began with introducing the Alumni, his job Profile and Working Experience. The resource person Mr. Arun Kumar started the talk by interacting with the students to understand the importance of Self-Awareness and Positive Attitude.
- Mr. Arun Kumar discussed various techniques of Self-Awareness and stressed the importance of maintaining a Positive Attitude all the time. He advised the students to read a good number of books and network with as many professionals as possible.
- A two-way interaction went throughout the session regarding Career Planning and other aspects of Career and Professional life.
- The session was concluded after the Q&A session.

#### Outcome of the Session:

- The students were able to gain knowledge on the importance of Self-Awareness and Positive Attitude Skills to become successful in their Career.

## Positive Attitude: *Think Good, Be Good, Do Good*

Positive Attitude is about looking for the good in every point of our life. We should focus on what we already have. We can appreciate the good things in our lives and be grateful for them which helps us to feel happier and more content with our lives.

Live your life to the fullest, by doing a lot of good things, by helping yourself and by helping others. Have faith in yourself.

You can be hero too

## A REPORT ON THE GUEST LECTURE

“THE IMPORTANCE OF SOFT SKILLS IN IT INDUSTRY”

CONDUCTED BY DEPT. OF MCA

Date of the Lecture: 09-03-2024

Venue: MCA LAB- II

Participants: MCA II semester students

About the Speaker:

Ms. U Bhavani , A software developer from Globallogic Solutions Limited , Bengaluru and an alumni of MCA department, 2019 batch.

Faculty Coordinators:

1. Dr. GNR Prasad Asst. Professor, Dept. of MCA
2. B. Srinivasa S P Kumar, Assistant Professor, Dept. of MCA.

About the Guest Lecture:

The guest speaker spoke about the importance of soft skills. She said Soft skills are personal attributes that influence how well you can work or interact with others. These skills make it easier to form relationships with people, create trust and dependability, and lead teams. In essence, they are essential for your success in the workplace, your company’s success and your personal life.

Most interactions with other people require some level of soft skills. At a company you might be negotiating to win a new contract, presenting your new idea to colleagues, networking for a new job, and so on. We use soft skills every day at work and developing these soft skills will help you win more business and accelerate your career progression.

On the other hand, a lack of soft skills can limit your potential, or even be the downfall of your business. By developing strong leadership, delegation, teamwork, and communication abilities, you can run projects more smoothly, deliver results that please everyone, and even positively influence your personal life by improving how you interact with others. The convenor of this lecture Dr. GNR Prasad said about students must know the soft skills while pursuing their degree courses. The co-convenor of this lecture Sri B. Srinivas S. P. Kumar proposed vote of thanks. The staff and students of MCA Department have participated actively in this programme.

### **The Outcome of the Guest lecture:**

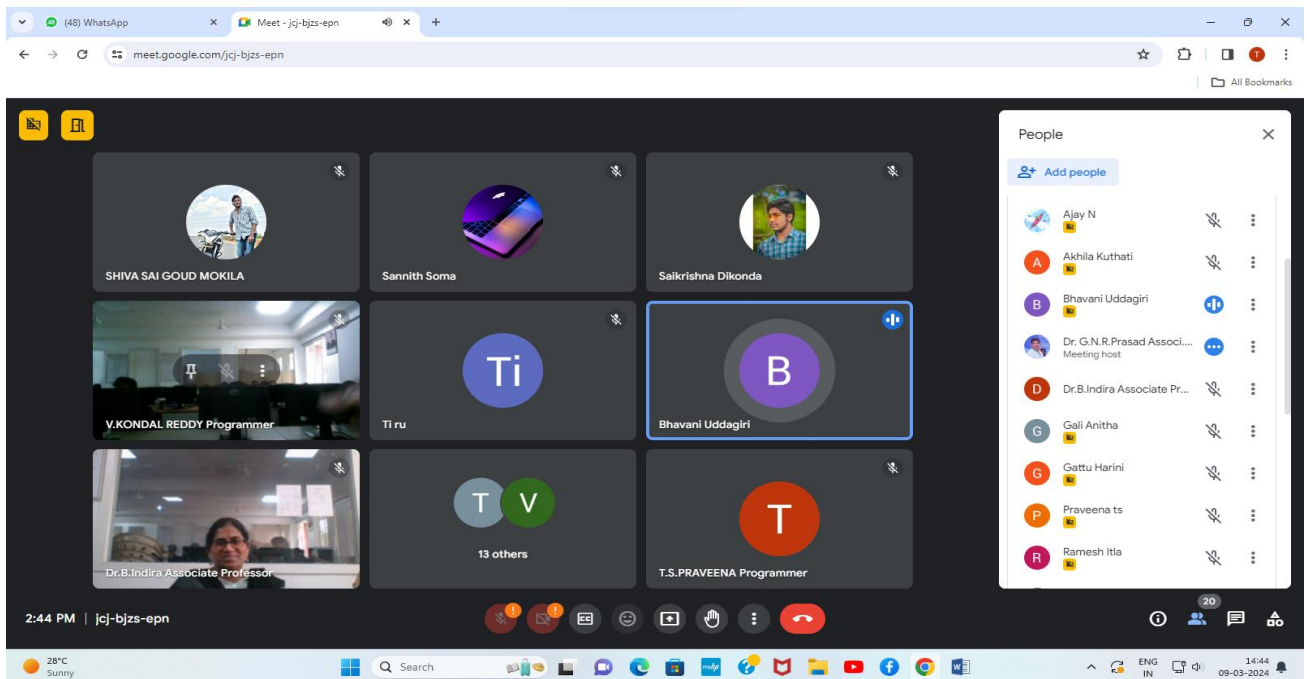

These type of lectures helps the institute to leverage with software industries. The outcome of a guest lecture on the importance of soft skills in the IT industry is likely to result in increased awareness, improved skill development, better interpersonal relationships, and enhanced career prospects for the students.

# Unlocking Success: Guest Lecture on Soft Skills in the IT Industry

DECCAN NEWS SERVICE  
HYDERABAD

The MCA Department of CBIT organized a guest lecture titled "The Importance of Soft Skills in the IT Industry." Ms. U Bhavani, a software developer from Globallogic Solutions Limited, Bengaluru, emphasized the significance of soft skills. She highlighted how these personal attributes facilitate effective interaction, trust-building, and team leadership, essential for workplace success and personal growth. Ms. Bhavani stressed that soft skills are integral in various professional interactions, from negotiations to network-

ing, and their development accelerates career advancement. Conversely, a lack of soft skills can hinder progress and impact business outcomes negatively. Dr. GNR Prasad, the lecture's convener, emphasized the importance of soft skills

for students pursuing degree courses, as it enhances institute-industry collaboration. Sri B. Srinivas S. P. Kumar, the co-convener, extended a vote of thanks. The active participation of MCA Department staff and students contributed to the success of the event.

## CIRCULAR

The Department of MCA is organizing an Alumni talk on 13-02-2024 from 2.30 PM to 4.00 PM through online mode. The details of the talk and the Alumnus speaker are as follows:

Title of the talk : "Enterprise Content Management Systems"  
Speaker Name : Mr. Rishabh Verma  
Date & Time : 13-02-2024, 2.30 PM – 4.00 PM  
Venue : Lab I & Lab II of MCA

Mr. Rishabh Verma is an Alumnus of CBIT, 2019 batch of MCA, currently working as Software Engineer & Adobe Certified Developer, Capgemini, Mumbai.

All the students of MCA of II and IV semesters are required to attend the talk. The attendance will be taken by the concerned class teachers. Interested students and faculty of other departments are welcome to attend.

The faculty coordinators for the Alumni talk are Mr. P. Krishna Prasad and Dr. M. Ramchander.

## DEPARTMENT OF MCA

### A REPORT ON THE NATIONAL LEVEL WEBINAR ON “Enterprise Content Management Systems”

**The details of the webinar are given below**

Topic	:	A Webinar on “Enterprise Content Management Systems”
Guest Speaker	:	Mr. Rishabh Verma, Software Engineer & Adobe Certified Developer, Capgemini, Mumbai.
Venue	:	CBIT – MCA LABS (ONLINE)
Date	:	13-02-2024
Time	:	2.30 PM - 3.30 PM
Webex link	:	<a href="https://cbithyd.webex.com/cbithyd/j.php?MTID=m2469f53e0d7597b17e7210aab8f55701">https://cbithyd.webex.com/cbithyd/j.php?MTID=m2469f53e0d7597b17e7210aab8f55701</a>

#### About the Speaker:

Mr. Rishabh Verma is a certified Adobe Experience Manager Developer, with result oriented and proven track record in implementing solutions. Proficient in AEM technologies including Slightly Apache Sling and OSGi configurations.

#### Faculty Coordinator:

1. Mr. P.Krishna Prasad, Asst. Professor, Dept. of MCA, CBIT(A).
2. Dr. M.Ramchander, Asst. Professor, Dept. of MCA, CBIT(A).

#### Student Coordinators

1. Supraja, MCA IV Semester
2. Vamshidhar, MCA II Semester

#### Participation

The total number of participants as it is mainly for the MCA 1<sup>st</sup> and 2<sup>nd</sup> students were 90

### **Brief description of the webinar**

The speaker gave a brief introduction about Enterprise Content Management Systems and the types of content management system like CCMS, ECMS, WCMS, DMS, DMS . He elaborated on ECMS Enterprise Content Management System and types of CMS Headless , Hybrid and Suite Concepts . He also discussed about AEM Adobe Experience Manager a comprehensive content management solution for building websites, mobile apps, and forms .it makes easy to manage your marketing content and asserts. At the end he gave a demo of how to use AEM .

### **OUTCOME**

The participants were able to gain the knowledge on ECMS and AEM concepts

## Photos

The image shows a screenshot of a webinar interface. At the top, a teal banner contains the title "Enterprise Content Management Systems" in white text. Below the banner, the speaker's name "Rishabh Verma" and title "Adobe Certified Developer" are displayed on the left. To the right are four icons: a mountain, a film strip, an envelope, and a list. The main area is a video feed of Rishabh Verma, a man with a beard and headphones, wearing a plaid shirt. A circular share icon is in the top right of the video. At the bottom left of the video, a name tag shows "Rishabh Verma • Unverified" with an upward arrow icon.

## DEPARTMENT OF MCA

Presents National level Webinar on

Topic	: Navigating the Intelligent Era
Guest Speaker	: Mr. Vineet Goyal
	: Automation and Integration Engineer at Ericsson, ML Developer at Rave Energy.
Venue	: <a href="https://cbithyd.webex.com/cbithyd/j.php?MTID=mb33baf9457f7d6bfea172ec7a61c0e75">https://cbithyd.webex.com/cbithyd/j.php?MTID=mb33baf9457f7d6bfea172ec7a61c0e75</a>
Date	: 07-07-2023
Time	: 10 AM – 12PM

### Abstract

The webinar focuses on insights into Artificial Intelligence, Natural Language Processing, Data Science, Big data and Cloud Computing. Also gives an overview of Machine Learning Algorithms and various models.

### About the Speaker:

Currently developing Autonomous Driving with Uncertainty Detection. Developed code to run different components of the docker file to run with different configurations. Developed code to automate docker image pull and save and to scale up and scale down different components of Kubernetes. Enhanced Helm charts to handle high no. of productions. Worked on automating the delivery process of documents and codes for client

What is Data Science? What are different job roles possible?

Data Science:

- Data Collection: Gathering relevant data from various sources.
- Data Cleaning: Removing noise, handling missing values, and ensuring data quality.
- Exploratory Data Analysis (EDA): Descriptive statistics and data visualizations to gain insights.
- Feature Engineering: Selecting, transforming, and creating input variables for machine learning models.
- Machine Learning Modeling: Building predictive models using algorithms.
- Model Evaluation: Assessing model performance and tuning hyperparameters.
- Deployment and Monitoring: Integrating models into production and tracking performance.

Job Roles:

- Data Scientist
- Machine Learning Engineer
- NLP Engineer
- Computer Vision Engineer
- Data Engineer
- AI/ML Research Scientist

## DEPARTMENT OF MCA

Presents Guest Lecture

Topic	:	A Guest lecture on IoT Applications
Guest	:	Mr. Sandeep Kalari
Speaker	:	Student at Old Dominion University, Virginia, USA
Venue	:	CBIT – MCA LAB (ONLINE)
Date	:	06-07-2023
Time	:	9.30 AM – 10.30 AM

### Abstract

The webinar focuses on insights on IoT and real time applications. Also gives an overview of Machine Learning Algorithms and various models.

### About the Speaker:

Mr. Sandeep Kalari is an alumni of MCA department. He is presently pursuing his masters Old Dominion University, Virginia, USA.

### Faculty Coordinators:

M.Kalidas, Assistant Professor, Dept. of MCA, CBIT(A)

Mr. P.Krishna Prasad, Asst. Professor, Dept.of MCA, CBIT(A).

### Student Coordinators

Chandana, MCA II year

Bhavesh, MCA I year

## REPORT ON THE GUEST LECTURE ON IoT AND REAL-TIME APPLICATIONS

By Mr. Sandeep Kalari on 06-07-2024

### Alumni of MCA

The guest lecture on the "Applications of the Internet of Things (IoT)" provided an insightful overview of how IoT is revolutionizing various sectors. The session covered key IoT concepts, architecture, and practical applications, highlighting its impact on industries like healthcare, agriculture, smart cities, and manufacturing.

The guest lecture provided a comprehensive understanding of IoT applications, showcasing the transformative potential of this technology across various domains. Attendees gained valuable insights into the real-world implementation of IoT systems, along with the challenges and future trends in the field. The session ended with a Q&A segment, where students and faculty engaged in an interactive discussion, further deepening their knowledge

### WHY IOT?

- IOT has many applications in agriculture, smart Cities, smart home, healthcare, business sectors, Traffic monitoring, Transport and logistics etc
- This is a growing mega trend that will influence everything from businesses to our daily personal lives.
- Here we are mainly focussing on agriculture as it plays a vital role in development of our country's economy.

Participants (19): Sandeep Kalari, Dr.B.Indira, p.krishna prasad, anantha-036, Dheeraj kumar, Dr. GNR Prasad, Dusa Sai Kiran, KISHAN RANJIT, M kalidas, mca
