02/12/2024

Dear Adithi Madduluri,

I am very pleased to inform you of your admission to the Data Science MS program at the University of Massachusetts Dartmouth. Your acceptance is for the Fall 2024 semester.

The Chancellor, Provost, deans, faculty, and students join me in congratulating you for possessing the personal and academic qualities that enabled you to gain admission to a UMass Dartmouth graduate program. We welcome you to the challenging academic environment that characterizes our university.

Your UMass Dartmouth student identification number is 02011620.

Because you are an international student who will need our authorization for the F-1 student visa, you must attend to some special matters. Specifically, if you accept the admission offer and want to enroll, you must submit documentation that proves you have sufficient financial support for us to issue the Form I-20 to you. Please log into the Applicant Portal and review the Enrollment Checklist. If you notice that a passport, official bank statement, and/or affidavit of support is missing, please upload the missing item(s).

We will send you a series of emails c/o adithim310@gmail.com with instructions on next steps. Many of these steps are required for successful enrollment.

Please confirm your enrollment intentions by completing the Enrollment Form in the Applicant Portal. Please do this as soon as possible. Otherwise, we reserve the right to cancel your acceptance and award it to another candidate. Unless additional items are required (e.g., unless you are an international student who must still provide documents so we can issue the Form I-20), you can register for courses soon after you submit the Enrollment Form. New students may register at any time during the registration period; however, we encourage you to register as soon as possible because some courses do fill up quickly.

For course selection and advising matters, please contact the Graduate Program Director, Ashokkumar Patel.

If you are currently in a degree program that is prerequisite to ours, you must provide an official transcript notifying us of its successful completion before you start your first semester of study here.

We look forward to your joining the UMass Dartmouth community as a graduate student, and we wish you fulfillment and success in pursuit of your goals.

hyderabad TG 500018
India

Dear Harshini Gande,

Congratulations! I am pleased to inform you of your admission to Arizona State University to study in the Data Science, Analytics and Engineering (Computing and Decision Analytics) (MS) program in the Ira A. Fulton Schools of Engineering, offered at the ASU Tempe campus for the 2025 spring semester.

Important: Continued registration beyond your first semester is contingent on the receipt of the official transcript and (in most cases) a degree certificate from the institution(s) listed below. **Official transcripts must be issued by the registrar of the institution attended, bearing the seal of the institution and signature of the academic official.**

Chaitanya Bharathi Inst.of Tec

Documents must be submitted in the original language with an official, literal English translation and must show your final grades, the degree received and the date the degree was granted. Learn more about official transcript translation requirements at admission.asu.edu/international/graduate-apply.

For more information on required documentation, please view your Priority Tasks in My ASU at my.asu.edu.

Important: For detailed information regarding I-20 requirements, including necessary forms and deadlines, go to the International Admission Services website at admission.asu.edu/international/student-visa. To monitor the progress of your I-20, view the I-20 Tracker in My ASU at my.asu.edu.

Proof of MMR immunization is required. For MMR immunization requirements, please refer to your **Priority Tasks** on My ASU.

To maximize the many resources available to you, please familiarize yourself with My ASU, your personalized online student information and services resource. You can access this page at my.asu.edu by logging in with your new ASURITE User ID and password.

ASU and the Data Science, Analytics and Engineering (Computing and Decision Analytics) (MS) program are committed to assisting you in your exploration of the immense resources and opportunities available to you here. For additional information, you may contact your department at scai.grad.admission@asu.edu or at 480-965-3199.

ASU embraces integrity in all scholarships, research and creative endeavors. It is our expectation that you will review and abide by ASU's policies related to academic and research integrity at provost.asu.edu/academicintegrity and researchintegrity.asu.edu.

As a New American University, ASU believes your education should be transformative not only for you, but also for society. I encourage you to learn more about what this means to you by visiting newamericanuniversity.asu.edu. I also recommend you visit yourfuture.asu.edu/golden-conversations to learn how current students describe being part of the ASU community.

NJIT ID:31703363

Dear Thrisha:

Congratulations! On behalf of the Admissions Committee at **New Jersey Institute of Technology,** it is my pleasure to offer you admission to the **Master of Science in Management** program for **Fall 2024**.

For over 140 years, NJIT has provided students with a cutting-edge, technology-driven education. Today, we are one of the nation's top universities preparing students, like you, to be future leaders in technology. As a graduate student at NJIT, you'll gain valuable experience through distinguished faculty and the latest innovations. You'll also have the opportunity to build professional relationships and learn alongside your peers in a vibrant and diverse community where everyone is invested in your success.

To obtain your I-20 Form, please log into your myGlobal international student and scholar portal at myglobal.njit.edu and submit the I-20 Request E-Form.

The details of your admission are as follows:

NJIT ID: 31703363
Admission Conditions: Must show proof of degree completion in first class or higher.

Once again, congratulations on your admission to NJIT! We are thrilled to be sharing these exciting news with you and are confident you have much to contribute to the NJIT community.

Please don't hesitate to contact us if you have any questions.

Sincerely,

Stephen M. Eck

Hyderabad, IN-TG 500068

Dear Sai Thrisha Reddy Thondapu,

Congratulations! After careful review of your academic background and credentials, I am extremely pleased to offer you admission to the Master of Science in Project Management program at Boston University's Metropolitan College (MET) for the Fall 2024 on-campus term. Your hard work and commitment to succeed have earned you this prestigious honor.

As a student at MET, you'll engage in a vibrant learning community and gain real-world, hands-on knowledge to help you achieve your personal goals and career objectives. You will participate in an exciting exchange of ideas—a spirit of innovation that reaches far beyond the classroom into the global arena. You will connect with students and faculty from around the world, engaging in new perspectives, fresh challenges, and novel solutions. A truly exceptional experience is all here, waiting for you.

You will soon receive an email with a link directing you to the Applicant Gateway portal where you can formally respond to this offer of admission. In order to move forward in our enrollment process, you will need to inform us of your intent to enroll no later than 30 days from the date of this letter or prior to the first day of classes—whichever occurs earlier. International on-campus students applying for a visa must accept their offer of admission and submit all immigration documentation before MET's I-20 request deadlines. Please note an enrollment deposit is not required.

Should you accept your offer of admission, you will receive further instructions on next steps, including how to set up your BU account and register for courses. International on-campus students will also receive instructions on the student visa process. Please note MET requires the electronic submission of an official transcript directly from your undergraduate Registrar's office certifying your bachelor's degree (with degree completion date) prior to the start of your first course at MET. Review our transcript submission guidelines. In the meantime, you can direct all enrollment questions to your academic department by emailing Administrative Sciences (adminsc@bu.edu). We also encourage you to visit our admitted student website to prepare for enrollment at MET.

We are excited for you to join our community and wish you a successful and enjoyable educational experience in our program.

Sincerely,

Tanya Zlateva
Dean, Metropolitan College

Stony Brook University

Dear Supraja Balerao,

Congratulations! Stony Brook University is pleased to extend an offer of Full Time admission to the Data Science MS for Fall 2024. As a community of scholars, we want to make sure that you are supported throughout your education. This letter contains information about the enrollment process and systems you will need going forward.

The admission comes without program financial support, however we encourage you to file the Free Application for Federal Student Aid (FAFSA).

Please accept or decline your admission offer via the decision reply form. Please do this as soon as possible as failure to respond promptly may result in forfeiture of the offer of admission.

Your deadline to accept your offer is: May 15, 2024

Please note that you will need your Stony Brook ID 116632418 for all inquiries, including email correspondence. You will need this ID to access SOLAR, Stony Brook University's enterprise-wide, self-service system which provides students with online access to manage personal information. Students use SOLAR to register for classes, print schedules, view and pay bills, update personal contact information, view transcripts, and submit student employment timesheets. Your initial password is your six-digit birth date (e.g., 080284 for August 2, 1984). You need to change this password the first time you log in (you will receive a message stating your password has expired). Click the link to change your password. If you are a current Stony Brook student or employee, your ID and password remain the same.

Your admission is contingent upon your successful completion of any current academic coursework and receipt of all final official transcripts. Please be sure to arrange for your final transcripts to be sent to the Graduate School Office of Admissions and Student Services.

An "Admissions Enrollment Checklist" is included with this letter to assist you with your next steps. Your individual program may also contact you separately with additional information. Please be sure to review and carefully consider all the information you receive when deciding to accept your offer. If you have any questions, please contact the Graduate School Office of Admissions and Student Services at (631) 444-2111 or gradadmissions@stonybrook.edu

Again, congratulations on your acceptance to Stony Brook University. I look forward to welcoming you to our campus community.

Sincerely,
Data Science MS

Celia J. Marshik

mayushtim01@gmail.com

Dear Mr. Mayush Timmapuram,

Congratulations! I am pleased to inform you that the School of Engineering and Applied Sciences at the University at Buffalo (UB), State University of New York is recommending your admission for the Fall 2024 semester to the degree of Masters of Science in Computer Science and Engineering.

This letter constitutes a recommendation of admission only. **We are unable to offer you any funding for the cost of your attendance at the University at Buffalo.** Please note that we have a very large applicant pool and limited funds for scholarships and assistantships.

This admission offer is limited to the area of study and the degree indicated above. If you wish to change your area of study or degree at a later date, an additional application and review process may be required. At all times during your program of study, you will be required to maintain continuous enrollment, demonstrate satisfactory progress towards completing your degree, and adhere to all relevant Policies and Procedures of the Computer Science and Engineering Program and UB Graduate School.

At the University at Buffalo, as is the practice at most other major universities in the U.S., the admission of students to graduate programs is a shared responsibility of academic departments and the Graduate School. General questions about the admissions process should be communicated to the School of Engineering and Applied Sciences Office of Graduate Education at gradeng@buffalo.edu or 1-716-645-9099.

We are pleased that you have chosen to apply to the University at Buffalo and are very hopeful that you will join our program. Please inform us of your acceptance of this recommendation of admission by completing our online **Statement of Intent** form found in your **Application Status Portal** at your earliest convenience. Also, please note the required health documentation and instructions for International applicants, both of which are summarized as an addendum to this letter.

We are excited to have you join our program and look forward to seeing you soon in Buffalo, New York.

Sincerely,

Office of Graduate Education

Pavan Sai Vamsi Arram
Seattle University ID 4222301

Dear Pavan Sai Vamsi,

Congratulations on your admission to Seattle University! After reviewing your credentials and accomplishments, the program faculty believes you would make a valuable contribution to the Seattle University community. Therefore, I am pleased to offer you acceptance for Fall 2024 Quarter to pursue a Data Science - MSDS.

It is my pleasure to share that you are a Seattle University Graduate Scholarship recipient because of the strength of your application and your potential contributions to the program. This annual award is equal to $2400 prorated between your terms of enrollment. This scholarship is not renewable but you may be eligible for different financial resources to help you complete your degree. Contact your program advisor for information about how to apply.

Your admission is conditional for official final transcript and degree certificate from Chaitanya Bharathi Institute of Technology as well as an official transcript and degree certificate from Osmania University within your first quarter of enrollment. In addition, your admission is conditional for a completed International Student Declaration of Finances form including Bank Verification.

You can access the post-acceptance checklist to help guide your next steps. Included will be information on available services. Please also respond to the offer of admission, as it is an essential step in activating your ability to register. Take a few minutes to establish your required Seattle University login credentials. Do not hesitate to contact Graduate Admissions with any questions or concerns at (206) 220-8010 or grad-admissions@seattleu.edu.

Welcome to Seattle University!

Sincerely,

ETS GRE

TEST TAKER SCORE REPORT

Note: This report is not valid for transmission of scores to an institution.

ROHITH KUMAR PITTALA

Most Recent Test Date: October 10, 2023

Date of Birth: July 20, 2003

Registration Number: 2443322
Print Date: December 28, 2023

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

ur scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2021, are reportable through July 2, 2026. Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Beginning in September 2023, the subscores on the Physics and Psychology Tests will be reported as percent correct scores (i.e., the percentage of questions in a subscore area answered correctly). Subscores earned after September 2023 should not be compared with scaled subscores earned prior to September 2023.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Free GRE Diagnostic Service

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

Retaking a GRE Test

You can take the GRE General Test once every 21 days, up to five times within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can retake a GRE Subject Test once every 14 days.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see https://www.ets.org/gre/test-takers/general-test/scores/understand-scores.html .

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Stony Brook University

Dear Sadhvik Reddy Vutkur,

Congratulations! Stony Brook University is pleased to extend an offer of Full Time admission to the Computer Science MS for Fall 2024. As a community of scholars, we want to make sure that you are supported throughout your education. This letter contains information about the enrollment process and systems you will need going forward.

The admission comes without program financial support, however we encourage you to file the Free Application for Federal Student Aid (FAFSA).

Please accept or decline your admission offer via the decision reply form. Please do this as soon as possible as failure to respond promptly may result in forfeiture of the offer of admission.

Your deadline to accept your offer is: April 15, 2024

Please note that you will need your Stony Brook ID 116746076 for all inquiries, including email correspondence. You will need this ID to access SOLAR, Stony Brook University's enterprise-wide, self-service system which provides students with online access to manage personal information. Students use SOLAR to register for classes, print schedules, view and pay bills, update personal contact information, view transcripts, and submit student employment timesheets. Your initial password is your six-digit birth date (e.g., 080284 for August 2, 1984). You need to change this password the first time you log in (you will receive a message stating your password has expired). Click the link to change your password. If you are a current Stony Brook student or employee, your ID and password remain the same.

Your admission is contingent upon your successful completion of any current academic coursework and receipt of all final official transcripts. Please be sure to arrange for your final transcripts to be sent to the Graduate School Office of Admissions and Student Services.

An "Admissions Enrollment Checklist" is included with this letter to assist you with your next steps. Your individual program may also contact you separately with additional information. Please be sure to review and carefully consider all the information you receive when deciding to accept your offer. If you have any questions, please contact the Graduate School Office of Admissions and Student Services at (631) 444-2111 or gradadmissions@stonybrook.edu

Again, congratulations on your acceptance to Stony Brook University. I look forward to welcoming you to our campus community.

Sincerely,
Computer Science MS

Celia J. Marshik

TOTAL	$ 42,334	TOTAL	$ 42,334

REMARKS

Tuition/fees are subject to change. Students may only enter the U.S. up to 30 days prior to the program start date listed above. The last date of arrival is September 3rd, 2024. Student must attend on-campus orientation prior to registration.

SCHOOL ATTESTATION

I certify under penalty of perjury that all information provided above was entered before I signed this form and is true and correct. I executed this form in the United States after review and evaluation in the United States by me or other officials of the school of the student's application, transcripts, or other records of courses taken and proof of financial responsibility, which were received at the school prior to the execution of this form. The school has determined that the above named student's qualifications meet all standards for admission to the school and the student will be required to pursue a full program of study as defined by 8 CFR 214.2(f)(6). I am a designated school official of the above named school and am authorized to issue this form.

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa(unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months.To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested.The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

Stony Brook University

Dear Sai Vamsee Bandaru,

Congratulations! Stony Brook University is pleased to extend an offer of Full Time admission to the Data Science MS for Fall 2024. As a community of scholars, we want to make sure that you are supported throughout your education. This letter contains information about the enrollment process and systems you will need going forward.

The admission comes without program financial support, however we encourage you to file the Free Application for Federal Student Aid (FAFSA).

Please accept or decline your admission offer via the decision reply form. Please do this as soon as possible as failure to respond promptly may result in forfeiture of the offer of admission.

Your deadline to accept your offer is: May 15, 2024

Please note that you will need your Stony Brook ID 116662899 for all inquiries, including email correspondence. You will need this ID to access SOLAR, Stony Brook University's enterprise-wide, self-service system which provides students with online access to manage personal information. Students use SOLAR to register for classes, print schedules, view and pay bills, update personal contact information, view transcripts, and submit student employment timesheets. Your initial password is your six-digit birth date (e.g., 080284 for August 2, 1984). You need to change this password the first time you log in (you will receive a message stating your password has expired). Click the link to change your password. If you are a current Stony Brook student or employee, your ID and password remain the same.

Your admission is contingent upon your successful completion of any current academic coursework and receipt of all final official transcripts. Please be sure to arrange for your final transcripts to be sent to the Graduate School Office of Admissions and Student Services.

A "Admissions Enrollment Checklist" is included with this letter to assist you with your next steps. Your individual program may also contact you separately with additional information. Please be sure to review and carefully consider all the information you receive when deciding to accept your offer. If you have any questions, please contact the Graduate School Office of Admissions and Student Services at (631) 444-2111 or gradadmissions@stonybrook.edu

Again, congratulations on your acceptance to Stony Brook University. I look forward to welcoming you to our campus community.

Sincerely,
Data Science MS

Celia Marshik, Ph.D.
Dean of the Graduate School
Professor of English

Admissions Enrollment Checklist

Follow the checklist below to secure your enrollment:

- Additional information regarding enrollment may be sent by your academic department.
- Confirm your enrollment in the Stony Brook Applicant Portal.
- If you are a US citizen or permanent resident, be sure to file the Free Application for Federal Student Aid (FAFSA) as soon as possible. You can complete this form on-line at www.fafsa.ed.gov. Stony Brook University's federal school code is 002838.
- For information regarding tuition and fees, please visit Student Financial Services at https://www.stonybrook.edu/commcms/bursar/index.php.
- If you are seeking on-campus housing, you may pay your housing deposit through SOLAR. Paying the housing deposit in SOLAR does not require matriculation nor NetID. Additional information regarding deadlines and on-campus housing can be found at https://www.stonybrook.edu/commcms/studentaffairs/res/housing/new_student_housing
- For assistance with off-campus housing, please contact the Office of Commuter Student Services and Off-Campus Living at commuterservices@stonybrook.edu or visit https://www.stonybrook.edu/commcms/studentaffairs/css/Renting-Off-Campus/.
- If you are an international student, you will soon receive your I-20 information and DS-2019 with specific details about your immigration documents from Visa and Immigration Services https://www.stonybrook.edu/commcms/visa/).
- For information regarding immunization and health records, visit Immunization Requirements | Student Health Services (stonybrook.edu) Failure to adhere to or complete either of these requirements will lead to registration implications.
- Arrange for final official transcripts, including current semester grades and degree earned (if applicable), to be sent to the Graduate School Office of Admissions and Student Services to the address below. E-transcripts may be sent to gradadmissions@stonybrook.edu

Stony Brook University
Graduate School Office of Admissions and Student Services

USC University of Southern California

OFFICE OF ADMISSION

June 27, 2024

Srinivas Patnaik Balivada
My Home Bhooja, B302, Opposite Ikea, Gachibowli
Hyderabad, In-Tg, 500081,
India

Dear Srinivas Patnaik Balivada,

Congratulations on your admission to graduate study at the University of Southern California. Your academic records indicate that you will make a significant contribution to academic life at the university.

You have been admitted as a graduate student in Engineering Management within the Andrew and Erna Viterbi School of Engineering for Spring 2025. Your degree objective is the Master of Science. Please include your USC ID (6957-7900-67) whenever you correspond with the university. This admission is offered subject to your maintaining your present level of academic achievement. If you have not already done so, you must provide proof of satisfactory completion of any studies in progress, and submit final academic records from each institution you have attended. Important information about placement exams and orientation will be sent to you by e-mail. While enrolled at USC, you are expected to maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that any courses taken outside of those specified for your degree program in the USC Catalogue require advance approval from your department. Change of major requests may be submitted only after completion of your first semester. Please carefully review the Continuing Registration Requirement information which lists all the requirements you must meet within your first term(s) of USC enrollment to continue in your degree program. You must meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at gradwelcome.usc.edu, which includes specific information about registration and enrollment. You will also find a link to the portal at you.usc.edu when you click on the Statement of Intent button. Please submit the Statement of Intent: Graduate Studies form whether or not you decide to enroll at USC. Certifying your USC enrollment will allow you to create your university e-mail account, register for Graduate Student Orientation, and access your USC records.

We are delighted to officially welcome you to our community of scholars, and look forward to seeing you on campus!

Sincerely,

Timothy E. Brunold
Dean of Admission

USC University of Southern California

CONTINUING REGISTRATION REQUIREMENTS

You have been admitted with the following continuing registration requirements. These requirements must be met prior to or during your first term(s) of enrollment at the university. Failure to do so may result in termination from the program.

-- Verification of all your previous post-secondary degree(s) earned outside of the United States is required. You must satisfy this continuing registration requirement by engaging the International Education Research Foundation (www.ierf.org/usc) to verify your credentials. Please review this service's requirements and fees on their special USC web page and follow their instructions. The evaluation service will send a verification report directly to USC.

About Your *GRE*® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2021, are reportable through July 2, 2026. Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Beginning in September 2023, the subscores on the Physics and Psychology Tests will be reported as percent correct scores (i.e., the percentage of questions in a subscore area answered correctly). Subscores earned after September 2023 should not be compared with scaled subscores earned prior to September 2023.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Free GRE Diagnostic Service

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

TEST TAKER SCORE REPORT

Note: This report is not valid for transmission of scores to an institution.

SRINIVAS PATNAIK BALIVADA

Date of Birth: July 20, 2002

Most Recent Test Date: October 6, 2023

Registration Number: 2372208
Print Date: April 5, 2024

Retaking a GRE Test

You can take the GRE General Test once every 21 days, up to five times within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can retake a GRE Subject Test once every 14 days.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see https://www.ets.org/gre/test-takers/general-test/scores/understand-scores.html .

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

OFFICE OF ADMISSION

June 27, 2024

Srinivas Patnaik Balivada
My Home Bhooja, B302, Opposite Ikea, Gachibowli
Hyderabad, In-Tg, 500081,
India

Dear Srinivas Patnaik Balivada,

Congratulations on your admission to graduate study at the University of Southern California. Your academic records indicate that you will make a significant contribution to academic life at the university.

You have been admitted as a graduate student in Engineering Management within the Andrew and Erna Viterbi School of Engineering for Spring 2025. Your degree objective is the Master of Science. Please include your USC ID (6957-7900-67) whenever you correspond with the university. This admission is offered subject to your maintaining your present level of academic achievement. If you have not already done so, you must provide proof of satisfactory completion of any studies in progress, and submit final academic records from each institution you have attended. Important information about placement exams and orientation will be sent to you by e-mail. While enrolled at USC, you are expected to maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that any courses taken outside of those specified for your degree program in the USC Catalogue require advance approval from your department. Change of major requests may be submitted only after completion of your first semester. Please carefully review the Continuing Registration Requirement information which lists all the requirements you must meet within your first term(s) of USC enrollment to continue in your degree program. You must meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at gradwelcome.usc.edu, which includes specific information about registration and enrollment. You will also find a link to the portal at you.usc.edu when you click on the Statement of Intent button. Please submit the Statement of Intent: Graduate Studies form whether or not you decide to enroll at USC. Certifying your USC enrollment will allow you to create your university e-mail account, register for Graduate Student Orientation, and access your USC records.

We are delighted to officially welcome you to our community of scholars, and look forward to seeing you on campus!

Sincerely,

Timothy E. Brunold
Dean of Admission

USC University of Southern California

TERM: Spring 2025
MAJOR: Engineering Management
DEGREE: Master of Science
SCHOOL: Andrew and Erna Viterbi School of Engineering

CONTINUING REGISTRATION REQUIREMENTS

You have been admitted with the following continuing registration requirements. These requirements must be met prior to or during your first term(s) of enrollment at the university. Failure to do so may result in termination from the program.

-- Verification of all your previous post-secondary degree(s) earned outside of the United States is required. You must satisfy this continuing registration requirement by engaging the International Education Research Foundation (www.ierf.org/usc) to verify your credentials. Please review this service's requirements and fees on their special USC web page and follow their instructions. The evaluation service will send a verification report directly to USC.

Graduate School
UNIVERSITY OF COLORADO **BOULDER**

Mr. Varun Reddy Mamidala
24-16,Road No.1,Brr Enclave,Almasguda Badangpet
Rangareddy, Telangana 500058
India

Dear Mr. Varun Reddy Mamidala:

Congratulations! We are pleased to inform you that you have been granted admission to the Data Science - MS program for the Fall 2024 term.

Admission was highly competitive for this Fall and we congratulate you on your exceptional academic record that placed you among our top applicants. We are excited to invite you to join our program on campus in August!

For tuition classification purposes you are considered a Non Resident. As a CU Boulder student, you will join a community of faculty, staff and students committed to outstanding scholarly achievement, diversity and collaborative research that will prepare you to be a leader in your field. CU Boulder works to create a diverse, equitable and inclusive campus community. We believe that how we treat each other matters. Our success as a campus community relies on mutual respect and collaboration. We invite you to **read more about our values**.

Academics

The academic program is generally organized across 1.5–2 years, and details about the curriculum, requirements and structure of the program can be found on our Curriculum page. You will be required to meet with your Graduate Advisor, Jax Jeffries, before you can register for classes. Please contact her at datascience@colorado.edu with any questions.

Funding

Departmental funding is not currently available for the MS-DS Program. Please see our Finances page for details about funding your studies at CU Boulder.

Costs

Please see costs for the current 2023-24 academic year on the Bursar's Master of Science in Data Science (MS-DS) Costs page, including out-of-pocket costs related to health insurance and student fees. These fees provide you access to a variety of amenities on campus, including unlimited use of the Recreation Center, resources through the Career Services Office, mental health services and much more. A tuition and fees estimator, as well a list of all due dates can be found on the Bursar's Office website. **The bill due date for Fall Semester is September 5.**

Acceptance of Offer of Admission

Computer Science

UNIVERSITY OF COLORADO **BOULDER**

Mr. Yashwanth Reddy Mali
yxshwanth@gmail.com

Dear Mr. Yashwanth Reddy Mali:

Congratulations!

We are pleased to inform you that the Graduate Admissions Committee for the Department of Computer Science has favorably reviewed your application for admissions to the graduate program. You had applied to the research-based MS degree (traditional option), however after careful review of your application, we are accepting you to the course-based MS degree program (professional option). Therefore, you have been granted admission to the professional master's program at the University of Colorado, Boulder beginning the fall semester of 2024. Your official start date is August 26th, 2024. International students are recommended to arrive at least two weeks before classes start.

Academics

The Graduate School allows FOUR years to complete the master's degree requirements, however, our students typically take two to two and a half years to complete the degree requirements. The academic program is generally organized across 2 years. Details about the curriculum, requirements, and structure of the program can be found at https://www.colorado.edu/cs/students/graduate-students Please feel free to consult with the Graduate Program Advisors by emailing gradadms@colorado.edu concerning matters related to your graduate studies here. Upon arrival in Boulder, please make sure to meet with your advisor, and work with them to fill out the MSCPS Plan of Study and submit it by the end of your first year.

Costs

Student Tuition

Each year students must pay tuition based on the number of credits they are enrolled in, in any given semester. Tuition rates are based on the degree program and option you are admitted to and on your Colorado residency status. Please check details about the tuition at the Bursar's Office website as follows:

- If you are a research-based MS student, please check the Engineering Rate Sheet based on your in-state or out-of-state residency status. International students should check out-of-state rates.
- If you are a Professional MS student (course-based MS), please check the Professional Master's in Engineering Rate Sheet based on your in-state or out-of-state residency status. Internationa students should check out-of-state rates.

For tuition classification purposes you are considered a Non Resident.

Student Fees

Each year you will be responsible for paying out of pocket costs for a number of student fees, such as capital construction, recreation center, and bike program, student computing, athletic fee, mental health resource fee, career services fee, arts and cultural enrichment fee, student information system fee, Wardenburg additional campus care plan, and grad fee, which totals to approximately $806.29 per semester (based on AY 23-24 rates) for students taking 7 or more credits. There is also a one-time new student fee of $62.00 for all students and an additional fee for international students. These fees provide you access to a variety of amenities on campus, including an unlimited use of the Recreation Center, resources through the Career Services Office, and much more. The bill due date for incoming graduate students on appointment is the second due date of the semester, which is after you receive your first two paychecks. A tuition and fees estimator, as well a list of all due dates can be found on the Bursar's Office website.

Health Insurance

The standard insurance, CU Student Gold Health Insurance Plan, available for graduate students typically costs $2,311.00 per term (based in past year's rates). Please know as a student at the University you are REQUIRED to get health insurance.

Funding

Our departmental funding (TA/RA) is mainly reserved for our PhD students who are admitted with a funding commitment. For that reason, our master's admissions does not include any departmental funding, scholarships or fellowships.

As a CU Boulder student, you will join a community of faculty, staff and students committed to outstanding scholarly achievement, diversity and collaborative research that will prepare you to be a leader in your field.

Acceptance of Offer of Admission

Because of our policy of limited admission, we would appreciate a response from you, by confirming your intent to enroll on the application status page by April, 30th 2024. However, please be aware that Fall 2024 class enrollment begins on May 1st, 2024, and since CS classes are very popular, it will be to your advantage to confirm your intent to enroll before enrollments begin to ensure class enrollment. Please note that your intent to enroll is only confirmed after you have paid the enrollment deposit.

On your status page you will find a link with information regarding additional visa requirements needed to confirm your admission. If you have any questions about these requirements please contact the international admissions office by emailing intlgrad@colorado.edu. Once all visa requirements have been submitted and reviewed, you will be able to confirm your intent to enroll and pay the $200 confirmation deposit on your application status page. Please note that forms such as the I-20 document will be issued through International Admissions. It can take up to six weeks to receive the letter and documents if your letter is being mailed to an address outside of the U.S.

Once you confirm your intent to enroll and pay the $200 confirmation deposit, you will receive more

information about orientation meetings and workshops, registration, housing in the Boulder area, etc. We also invite you to visit our Admitted Students page.

On behalf of our faculty, we congratulate you on your promising academic record. We sincerely hope that you decide to join us at the University of Colorado, and we wish you the best of success in your continued professional development. Our program, faculty, and students are outstanding, and we think you will find that the University of Colorado provides an exciting environment for your graduate work. If you have any questions concerning your admission, or any other aspect of the graduate program, please do not hesitate to contact your academic advisor mentioned about, or any one of us. We very much hope you will accept our offer of admission to the University of Colorado Boulder and look forward to your joining our department next fall!

Sincerely,

Associate Professor Majid Zamani
Associate Chair for Graduate Education
Department of Computer Science

Associate Professor Evan Chang
Associate Chair for Graduate Education
Department of Computer Science
