CONSULTING AGREEMENT

This consulting agreement (“**Agreement**”) is made and entered into this 10th October, 2022 (“**Effective Date**”) by and between,

- (1) Sun Pharmaceutical Industries Limited, a company incorporated under the companies Act, 1965 (Corporate Identification Number: L24230GJ1993PLC019050), having its registered office at SPARC, Tandalja, Baroda – 390 012, Gujarat, India and corporate office at Sun House, 301 B/1, Western Express Highway, Goregaon (East), Mumbai – 400063, India (hereinafter referred to as “**Company**”, which expression shall, unless repugnant to the context or meaning thereof, be deemed to mean and include its successor, and assigns), of the FIRST PART

- (2) Chaitanya Bharathi Institute of Technology (CBIT), an engineering college affiliated to Osmania University and registered in accordance with All India Council for Technical Education Regulations having its address at Gandipet, Hyderabad, Telangana, 500075, (hereinafter referred to as “Consultant”, which expression shall, unless repugnant to the context or meaning thereof, be deemed to mean and include its successors, administrators and permitted assigns) of the OTHER PART.

RECITALS

WHEREAS, Company desires to have Consultant perform certain Services (as defined in *Annexure-1*); and

WHEREAS, Consultant agrees to perform the Services in accordance with the terms and conditions set forth herein (the “Purpose”).

NOW THEREFORE, in consideration of the mutual covenants and agreements contained herein, the Parties agree as follows:

1. SERVICES:

(a) Company hereby retains Consultant, and Consultant hereby agrees to perform for Company, certain services (the “Services”) assigned to Consultant by the Company in the Company’s sole discretion. These Services are to be performed by Consultant only at the specific request of Company and are subject to the limits specified. Consultant is responsible for providing the necessary equipment, tools, materials and supplies to perform the Services.

(b) Consultant agrees to keep Company updated, promptly upon Company’s request, of any progress, problems, and/or developments of which Consultant is aware regarding the Services. Company shall have the right to require such updates in writing from Consultant in a format specified by Company or acceptable to Company in its sole discretion.

(c) Consultant represents and warrants that:

- (i) The Services will be performed in a professional and with promptness and diligence in a workmanlike manner and that Consultant will use commercially reasonable efforts to perform the Services.
 - (ii) To the knowledge of Consultant, none of the Services, or any deliverables and / or Work Product and/ or Background Material (as defined hereinbelow) provided by Consultant to Company as part of the Services, infringe, misappropriate and/ or violate any intellectual property or other right including but not limited to copyright and/ or trade mark of any person or entity.
 - (iii) Neither the execution, delivery nor performance of the Services will violate any law, ruling, judgment or order applicable to Consultant or breach any agreement by which Consultant is bound.
 - (iv) Consultant has the experience and skill to render the Services under this Agreement.
 - (v) Consultant agrees to extend its support to and cooperation with Company for any regulatory audit or audits, during the term of this Agreement, and for five (5) years after the expiration/termination of this Agreement.
- (d) In the performance of their obligations hereunder, the Consultant agrees to comply with all applicable federal, state, and local laws, ordinances, rules and regulations.

2. COMPENSATION:

- (a) In consideration of Consultant's satisfactory performance of the Services and subject to deduction of applicable taxes if required by law, Company agrees to pay Consultant a consultancy fees of the amount stated in *Annexure -1 in accordance with terms stated in Annexure 2* ("Consulting Fee") for Consultant's timely performance of the Services including transfer of Work Product and all rights, title and interest and intellectual property rights subsisting therein to the Company.

- (b) Consultant shall not be entitled to receive any other compensation or any benefits from Company. Except as otherwise required by law, Company shall not withhold any sums or payments made to Consultant for social security or other federal, state or local tax liabilities or contributions, and all withholdings, liabilities, and contributions shall be solely Consultant's responsibility.
- (c) Notwithstanding the foregoing, all payment under this Agreement is subject to deduction of withholding taxes or any other tax (es), if applicable. Company will deduct such tax from the amount payable and the balance amount will be paid to the Consultant.
- (d) Company may dispute the amount of any invoice (each a "Disputed Amount") by providing oral or written notice to Consultant. Company will make commercially reasonable efforts to notify Consultant in writing of any Disputed Amount within sixty (60) days of receiving the applicable invoice. However, neither the failure to provide the notice nor the payment of an invoice without asserting a dispute constitutes a waiver of any claim or right. If the Company ultimately agrees to pay any Disputed Amount, it has sixty (60) days from the date of the resolution of the dispute to make that payment.
- (e) The parties agree that, should the scope of work or timelines change for any reason, including but not limited to regulatory agency requirements, feedback or guidance, such changes shall be communicated in writing. Any additional fees and/or expenses associated thereto shall be communicated by Consultant in writing and, upon approval to proceed with such work, shall be paid by Company pursuant to the terms in Section 2 above.
- (f) If at any stage during the period of the Agreement any case involving moral turpitude is instituted in a court of law against the Consultant, Company reserves exclusive and special rights for the outright termination of the Agreement without any notice to the Consultant and in that event the Consultant shall not be entitled to any compensation from the Company.

3. NONDISCLOSURE:

- (a) Consultant understands that, in connection with his engagement with Company, he may receive, produce, or otherwise be exposed to Company's trade secrets, business, proprietary and/or technical information, including, without limitation, business plans or projections, hardware and

software designs or engineering techniques, software including listings, source code, screen formats and flow charts, discoveries, inventions (whether patentable or not), know-how, show-how, research plans and projects, pricing policies, cost information, supplier and customer lists and contracts, manufacturing techniques, applications and service policies, financial and sales performance data, personnel information, and all derivatives, improvements and enhancements to any of the above (including those derivatives, improvements and enhancements that were created or developed by Consultant under this Agreement), in addition to all information Company receives from others under an obligation of confidentiality (individually and collectively "**Confidential Information**"). Confidential Information shall also include all other information considered to be confidential by the Company and all information which has not been made public.

(b) Consultant acknowledges that the Confidential Information is the sole, exclusive and extremely valuable property of Company. Accordingly, Consultant agrees to segregate all Confidential Information from information of other companies and agrees not to reproduce any Confidential Information without Company's prior written consent, not to use the Confidential Information except in the performance of this Agreement, and not to divulge all or any part of the Confidential Information in any form to any third party, either during or after the term of this Agreement. Upon termination or expiration of this Agreement for any reason, Consultant agrees to cease using and to return to Company all whole and partial copies and derivatives of the Confidential Information, whether in Consultant's possession or under Consultant's direct or indirect control.

(c) Consultant shall not disclose or otherwise make available to Company in any manner any confidential and proprietary information received by Consultant from third parties. Consultant warrants that his/her performance of all the terms of this Agreement does not and will not breach any agreement entered into by Consultant with any other party, and Consultant agrees, not to enter into any agreement, oral or written, in conflict herewith. In addition, Consultant recognizes that the Company has received and in the future will receive from third parties their confidential or proprietary information subject to a duty on the Company's part to maintain the confidentiality of such information and to use such information only for certain limited purposes. The Consultant agrees that s(he) owes the Company and such third parties, during the term of the Consultant's relationship with the Company and thereafter, regardless for the reason for the termination of the relationship, a duty to hold all such confidential or proprietary information in the strictest of

confidence and not to disclose such information to any person, firm or corporation (except as necessary in carrying out his/her Service for the Company consistent with the Company's agreement with such third party) or to use such information for the benefit of anyone other than for the Company or such third party (consistent with the Company's agreement with such third party).

4. OWNERSHIP OF WORK PRODUCT:

(a) Consultant agrees to promptly disclose to Company any and all Work Product. "**Work Product**" includes without limitation any and all notes, artworks, logos, labels, styles, drawings, specifications, layouts, designs, technical data, know how, works of authorship, firmware, software, ideas, concepts, trade secrets, literature, photographs, diagrams, graphs, flow charts, improvements, inventions, material, information, work or product conceived, created, written or first reduced to practice by Consultant or jointly with others in the performance of the Services under this Agreement and/or resulting from use of Confidential Information. In consideration of the Consulting Fee paid by Company under this Agreement, the sufficiency of which is confirmed by the Consultant, Consultant does hereby assign and is deemed to have irrevocably and exclusively assigned without any further act or writing, to the Company all rights, title and interest, including without limitation any and all copyright, right to make adaptations, translations, right to publication, mask work, patent, trade secret, trade mark (including the good will associated therewith) or other intellectual property rights in and to the Work Product, in perpetuity and for all jurisdictions of the world. Notwithstanding any use made by the Company of the Work Product and / or any provision of the Copyright Act, 1957, all rights, title and interest including copyright and other intellectual property rights in and to the Work Product and / or all underlying works shall remain vested in the Company and/ or its assignees for perpetuity and in respect of all jurisdictions of the world. All works of authorship, firmware, software or other applicable Work Product shall be considered works for hire by Consultant for Company and all Work Product shall be the sole and exclusive property of Company. Upon expiration or termination for any reason of this Agreement, Consultant undertakes to and shall provide and transfer to the Company all Work Product generated under this Agreement without any further consideration. Consultant hereby waives all "moral rights" to the extent permitted by law.

- (b) If for any reason of or on account of any statutory provision, the Work Product is required to be assigned specifically and in writing to the Company, the Consultant shall do and/ or cause to be done all such acts and execute all such documents, agreements, affidavits, applications, depositions, writings, declarations and generally do all such acts, deeds, matters, things etc. without any further consideration immediately upon being so requested and/ or called upon to do so by the Company in order for the Company to fully enjoy and exploit all kinds of rights, title and interest of any kind and nature in and to the Work Product.
- (c) Consultant hereby grants to Company under any and all intellectual property rights a non-exclusive, irrevocable, perpetual, royalty free, and worldwide license to use all notes, works of authorship, ideas, designs, artwork, photographs, firmware, software, technical data, research, reports, and other such inventions not first developed by Consultant in the course of or resulting from the Services, but that are incorporated in any Work Product delivered by Consultant under this Agreement (“**Background Material**”) including, without limitation, the right to make, have made, sell, offer for sale, rent, lease, import, copy, create derivative works, adaptations, translations, display, perform, and distribute the Background Material.
- (d) Consultant further agrees at the request and cost of the Company:
- (i) to apply for, obtain, register and vest in the name of the Company alone (unless the Company otherwise directs) patents, copyrights, mask works, trademarks and/ or other intellectual property and/ or analogous protection in any country throughout the world and when so obtained or vested to renew and restore the same, and
 - (ii) to defend any judicial, opposition or other proceedings in respect of such applications and any judicial, opposition and/ or other proceedings or petitions or applications for revocation of such patent, copyright, mask work, trademark and/ or other analogous protection.
- (e) Consultant also agrees, at the request and cost of Company, to promptly sign, execute, make and do all such deeds, documents, acts and things and render all other co-operation without any further consideration, as Company may reasonably require or desire to perfect and/ or protect and/ or enforce Company’s entire right, title, and interest in and to any Work Product and/or

Background Material. Consultant agrees that if Company is unable because of Consultant's unavailability, dissolution, or for any other reason, to secure the signature of an authorized agent of Consultant to apply for or to pursue any application for registration of intellectual property rights for any country including foreign patents, mask work, copyright or trademark registrations covering the assignments to Company above, then Consultant hereby irrevocably designates and appoints Company and its duly authorized officers and agents as Consultant's agent and attorney in fact, to act for and in Consultant's behalf and stead to execute and file any such applications and to do all other lawfully permitted acts to further the prosecution and issuance of intellectual property rights registrations, patents, copyright, mask work and trademark registrations thereon with the same legal force and effect as if executed by an authorized agent of Consultant.

(f) Consultant warrants that he has good and marketable title to the Background Material and Work Product and that he shall not incorporate into any Work Product any material that would infringe any copyright, trade secret, trademark or other intellectual property rights of any person or entity. Consultant further warrants that the Background Material and Work Product shall be free and clear of all liens, claims, encumbrances or demands of third parties, including any claims by any such third parties of any right, title or interest in or to the Background Material and/or Work Product arising out of any patent, trade secret, copyright or other intellectual property right.

(g) Consultant shall indemnify, defend and hold harmless the Company, affiliates, directors, officers, employees and its customers from any and all liability, loss, cost, damage, judgment or expense (including reasonable attorney's fees) resulting from or arising in any way out of any such claims by any third parties, and/or which are based upon, or are the result of any breach of, the warranties contained in this Section 4. In the event of a breach of the warranties set forth in this Section 4, in addition to all other remedies available to Company, Consultant shall, at no additional cost to Company, replace or modify the Work Product within a reasonable time, with a functionally equivalent and conforming Work Product at his own expense, or obtain for Company the right to continue using the Work Product and in all other respects use his best efforts to remedy the breach.

(h) Any work arising from services rendered under the Agreement shall not be published or otherwise disclosed by the Consultant without first obtaining written approval from the Company.

(i) Notwithstanding anything to the contrary contained herein, this Agreement shall not be construed as granting to Consultant by implication, or otherwise, any rights in or license under any present or future works, intellectual property, inventions, discoveries, trade secrets, trademarks, copyrights, or patents, owned by or controlled by , unless agreed in writing between the parties.

(j) Consultant warrants that it shall not conceive and/ or create and/ or develop and / or design any work which is similar and/ or identical to the Work Product, whether directly and/ or indirectly for any other party and/ or person and that it shall not do any act and/ or omission to jeopardize, threaten, challenge, inhibit and/ or oppose in any manner the rights, titles and interests of the Company in and to the Work Product and/ or any underlying works therein.

5. INDEMNIFICATION:

Consultant will defend, indemnify, and hold Company, its affiliates, and their respective successors, directors, officers, employees, and agents (each, a "SUN Indemnified Party") harmless from and against any and all losses, damages, liabilities, reasonable attorney fees, court costs, and expenses (collectively "Losses") to the extent that such Losses arise out of or relate to: (1) Any breach of any representation or warranty contained in this Agreement by Consultant; (2) The negligent or willful acts or omissions of Consultant or its employees, representatives, agents resulting in any bodily injury or death to any person or loss, disappearance or damage to tangible or intangible property; (3) Consultant's (including its employees, agents) infringement, misuse or misappropriation of any third party intellectual property rights; (4) Breach of any obligations contained in this Agreement by the Consultant; (5) Consultant's (or its agents') failure to comply with applicable laws, rules or regulations.

6. TERM & TERMINATION:

(a) This Agreement shall commence on the Effective Date and shall continue for a period of one (1) year until terminated by Company upon thirty (30) days written notice.

(b) In the event of termination, Consultant shall, upon request, perform such work as may be requested to transfer work in process to the Company or to a party designated by the Company.

The parties further agree that any termination of this Agreement will not release nor discharge Consultant from its obligations as specified in Sections 1(c) (v), 3, 4, 5, 6, 7, 8 or 9.

(c) Any obligations imposed on the parties by this Agreement that should by their terms survive the termination of this Agreement shall so survive. Notwithstanding any termination hereof, the rights of the Company and the obligations of the Consultant concerning any Confidential Information of the Company received by the Consultant will continue for a period of fifteen (15) years following any termination or expiration of this Agreement, except for Confidential Information that are protected by patents, which shall be kept confidential as per this Agreement for the entire term of the patent protection and for trade secrets perpetually.

7. INDEPENDENT CONTRACTOR

For the purposes of this Agreement, the parties hereto are independent contractors and nothing contained in this Agreement shall be construed to place them in the relationship of partners, principal and agent, employer/employee or joint ventures. Neither party shall have the power, nor shall the right to bind or obligate the other party, and neither party hold itself out as having such authority. All personnel engaged under this contract by the Consultant shall be employees of Consultant. Company shall not have any liability/ responsibility to absorb the persons engaged by the Consultant and/or to extend any type of recommendation etc. for obtaining any job in the Company or elsewhere.

8. CONFLICT OF AGREEMENTS.

Consultant represents to Company that it is not a party to any agreement which would prevent it from fulfilling its obligations under this Agreement and that during the term of this Agreement; Consultant agrees that it will not enter into any agreement to provide services which would in any way prevent it from providing the Services contemplated under this Agreement.

9. PUBLICATION.

Service results shall not be published or referred to, in whole or in part, by Consultant or its affiliates without the prior express written consent of Company. Consultant will not use the other

party's name in connection with any publication or promotion without the Company's prior express written consent.

10. ASSIGNMENT.

This Agreement is personal to the parties and Consultant shall not be entitled to assign or sub-contract the services or any portion of this Agreement to any third party without the prior written consent of the Company. Any assignment or sub-contracting by Consultant contrary to the provisions of this Agreement shall be void-ab -initio. Company may assign this Agreement without such consent to its affiliates or successor in interest by way of merger, acquisition, corporate restructuring, takeover or sale of all or substantially all of its assets.

11. WAIVER.

Any waiver by either party of a breach of any provision of the Agreement shall not operate as, nor be construed to be, a waiver of any subsequent breach. No delay or omission in the exercise or enforcement of any right or remedy provided in the Agreement or by law by either party shall be construed as a waiver of such right or remedy.

12. SEVERABILITY.

In the event that any provision or section of the Agreement shall be held to be invalid by any court, such holding shall not affect in any respect whatsoever the validity of the remainder of the Agreement.

13. ENTIRE AGREEMENT; AMENDMENT.

The Agreement, together with any Annexure hereto, contains and constitutes the entire understanding and agreement between the parties hereto with respect to the subject matter of the Agreement and supersedes and cancels all previous negotiations, agreements, commitments, and writings relating to the subject matter. It may be amended only by an agreement in writing, signed by each of the parties hereto.

14. INSURANCE.

The Company reserves the right to require the Consultant to obtain insurance as may be reasonably required for the activities and obligations contemplated hereunder.

15. NOTICE.

All notice required to be given by one party to the other shall be deemed to have been properly served when sent by a registered post or any other means of communication acceptable in law to the addresses mentioned in the first page of this Agreement.

16. FORCE MAJEURE AND DELAYS.

In the event either party shall be delayed or hindered in or prevented from the performance of any act required hereunder by reasons of strike, lockouts, labor troubles, inability to procure materials, failure of power, terrorism, restrictive government or other similar reason, or cause beyond that party's reasonable control (not including the inability of a party's software to perform date-dependent calculations properly), then performance of such act shall be excused for the period of such delay; provided, however, if such delay continues in excess of four (4) weeks, either party may terminate the effected order(s) without penalty. In any event, the affected party will perform to its fullest ability as necessary to limit any damage that may occur to the project as a result of any such delay. If it is determined that the affected party failed to perform as required under this Section, the affected party will be responsible for any costs incurred as a result of such non-action of the affected party.

17. DEBARMENT.

Consultant hereby certifies that, as of the Effective Date, it does not have actual notice that it or any of its employees or agents or consultants or representatives that worked on, or are currently working on in any capacity in connection with this Agreement, has ever been, are currently, or are the subject of a proceeding that could lead Consultant or such person becoming, as applicable, a debarred entity or debarred individual, an excluded entity or excluded individual or a convicted entity or convicted individual.

18. HEADINGS; INTERPRETATION.

The headings or titles to the paragraphs of this Agreement are solely for convenience of reference and shall be ignored when interpreting this Agreement. Unless inconsistent with the context, an expression which denotes: (a) the singular includes the plural and vice versa; and (c) where any term is defined within the context of any particular clause in this agreement, the term so defined, unless it is clear from the section in question that the term so defined has limited application to the relevant clause, shall bear the meaning ascribed to it for all purposes in terms of this agreement, notwithstanding that that term has not been defined in this Agreement. The rule of construction that the contract shall be interpreted against the party responsible for the drafting or preparation of this agreement, shall not apply. Consultant hereby acknowledges that 's (he) has read the foregoing Agreement, that s(he) understands its contents, and that he has relied upon or had the opportunity to seek the legal advice of his attorney, who is the attorney of his choosing.

19. LAW & JURISDICTION.

(a) This Agreement and the obligations of the parties shall be governed by and construed in accordance with the laws of India and subject to the exclusive jurisdiction of the courts located in Mumbai.

(b) Any dispute or controversy arising out of or in connection with this Agreement including any question regarding its existence, validity or termination which cannot be settled amicably by and between the Parties, may be referred by the Parties to be settled by arbitration in accordance with Arbitration & Conciliation Act, 1996 and its rules which are deemed to be incorporated by reference to this clause, for the time being in force. The arbitral tribunal shall consist of a sole arbitrator appointed unanimously by the Parties in accordance with the said rules. The Parties agree that any arbitration proceedings shall be instituted and heard in Mumbai. The language of the arbitration shall be English. The cost of arbitration shall be borne equally between the Parties and the prevailing Party shall be entitled to recover the same from the other.

20. COUNTERPARTS.

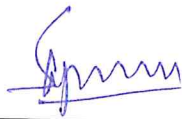

This Agreement may be executed in any number of counterparts, each of which when executed and delivered, shall constitute an original, but all of which together shall constitute one agreement binding on all parties, notwithstanding that all Parties are not signatories to the same counterpart.

IN WITNESS WHEREOF, each of the parties hereto acknowledges having read and understood the contents and effect of this Agreement and has executed this Agreement freely and with full authority duly given, all as of the date first above written.

Subject: Request for Permission to Utilize Lab Facility for Research Experiments.

Respected Sir,

I am Ahmadshah Abrahimi currently pursuing my Ph.D program under the esteemed guidance of senior Prof.V.Bhikshma in Civil Engineering Department, with the Roll No. 1005-2020-2001. As an integral part of my research, I am investigating the durability properties of Lightweight Reactive Powder Concrete. To conduct the required tests, specifically the Rapid Chloride Permeability Test (RCPT) and water permeability tests, I am in need of suitable laboratory facilities. Therefore, I am writing to kindly request your permission to utilize the lab facility at Chaitana Bharathi Institute of Technology (CBIT), Hyderabad, for my research endeavors.
