Admission letter

Adithi Reddi KAMANA

We are pleased to inform you of your admission to Master of Science and Engineering JUNIA ISA - Year 1 – Food Science - Lille
Congratulations!

This admission is granted subject to validation of the necessary prerequisites and depending on your situation: successful completion of your degree or a document attesting to the validation of the current academic year. If you are concerned, these documents must be sent to us as soon as possible, and no later than the day before the start of the academic year.

This admission is conditional on your registration and the payment of the non-refundable* deposit of 3000 €. This deposit will be deducted from your first year tuition fees which are 9000 €.

You will soon receive an email with a link to access our registration portal. You can make your deposit payment online.

Once this step is validated, you will have a pre-registration certificate. Our International Students Office will contact you to prepare your arrival (visa, accommodation, welcome session, etc.).

We are looking forward to welcoming you at the start of the academic year!

Best regards,

Joop LENSINK

Neha Reddy Marapalli
H.No.2-8-601, Nethaji Road
Warangal, Telangana 506001
India

Dear Ms. Neha Reddy Marapalli,

On behalf of Johns Hopkins University's Krieger School of Arts and Sciences, I'm delighted to inform you that you have been admitted as a student with [Conditional Status](#) in the Advanced Academic Programs' MS in Biotechnology. Congratulations! We look forward to welcoming you to our student body for the Fall 2024 semester.

Your conditional status reflects the fact that we have not yet received all of the official transcripts and/or you have not been conferred an undergraduate degree. You may register for the semester for which you have been admitted, but you will need to submit an official electronic transcript to aapadmissions@jhu.edu before the [withdraw/audit deadline](#) for the first semester in which you are enrolled at AAP. Once you have met the conditional requirements, you will need to notify us by submitting a [Change of Student Status](#) form.

Please note that conditionally admitted students who do not provide the required information before the withdraw/audit deadline will be dismissed and will follow the JHU AAP [refund schedule](#).

Submitting Official Transcripts from International Institutions

If you are graduating from an institution outside the United States, you will need to submit official transcripts through one of the approved [credential evaluation services](#).

It takes time for an institution, approved provider, or credential evaluation service to process and send official transcripts – in some cases four to six weeks – so be sure to allow sufficient time for your transcript to be processed and transmitted.

Next Steps:

To confirm your intent to enroll, please complete the [Enrollment Decision Form](#) and submit a non-refundable deposit of \$2,000 by March 11, 2024. This deposit will secure your place in the upcoming Fall 2024 semester and will be applied toward your tuition expenses. Completing the enrollment form and submitting the deposit will initiate the process for your F-1 Visa, Johns Hopkins ID, and Johns Hopkins email account, and will allow you to register for courses. You will find additional resources and information for a successful start in our [New Student Checklist](#).

If you have questions regarding your admission status or the enrollment process, please email aapadmissions@jhu.edu. For all other questions, please email the Advanced Academic Programs advisers at AAPAdvising@jhu.edu.

Sincerely,

Dear Shreenija,

Congratulations on your acceptance to Wright State University!

It is my pleasure to inform you that you have been granted admission to the College of Graduate Programs and Honors Studies. You have been admitted to the Microbiology & Immunology , MS program in the College of Science and Mathematics.

At Wright State, you can get the kind of education that transforms lives—yours included. You can study and perform cutting-edge research through our nationally recognized programs, faculty, and facilities. You will also benefit from the networking and professional connections offered by more than 120,000 Wright State graduates. We are happy to welcome you to the Wright State community and look forward to playing a role in your continued academic and professional success.

You have been admitted on a provisional basis for the Fall 2024 term. This means that before you will be permitted to register for future terms, it will be necessary for you to complete your admission requirements. Failure to complete your application will also result in any graduate credit earned while in provisional status being transitioned to undergraduate credit. **To complete your application, we need:**

- Final transcript with conferred degree: Visit your Admissions Portal and check your Enrollment Checklist for more detailed information about the item(s) we need to complete your application.

The College of Graduate Programs and Honors Studies and your academic department will continue to provide information before the start of classes to help you prepare. Continue to watch your Admissions Portal, mailbox, and inbox for your next steps in the enrollment process.

As part of your acceptance to Wright State University, you are being considered for the University Center for International Education Graduate Merit Scholarship. If you are awarded this merit-based scholarship, you will receive a separate correspondence with details about this scholarship award.

If you have questions about your admission, contact the University Center for International Education

at international-admissions@wright.edu or [937-775-5745](tel:937-775-5745).

If you have questions about your academic program, please contact your graduate program director. You can find the contact information for your program director by visiting [the webpage of your program](#).

Again, congratulations on your admission and we wish you the best in your graduate studies at Wright State University!

Sincerely,

Dear Sri Varsha Vanga,

Congratulations! I am delighted to offer you admission to graduate study in the Bioengineering MEng program, beginning Fall 2024. Please accept my warmest congratulations on the many accomplishments and achievements that have earned you admission to this unique institution. We hope that you will accept our offer.

Berkeley is an incomparable place to earn a graduate degree. You will have the opportunity to work with and learn from a world- renowned and devoted faculty alongside diverse and talented student colleagues. As a Berkeley graduate student, you will join a vibrant scholarly community that will support you in pursuing your particular academic or professional interests. In addition, you will be able to take advantage of a wider intellectual community engaged in cutting-edge teaching, research, professional activities, and public service in more than 100 top-ranked graduate programs.

Berkeley offers you access to state-of-the-art research facilities and world-class libraries with the largest public collections in North America. For relaxation, the scenic 1,200 acre campus lies in the heart of one of America's most exciting and multicultural metropolitan areas. Outstanding recreational opportunities are easily accessible, locally and throughout California.

When you complete your degree, you will join a flourishing network of graduate alumni throughout the world. I hear repeatedly from them that Berkeley played a pivotal role in shaping their lives and subsequent successes.

In your application status portal page, you will find instructions on how to respond to our offer of admission. Because many other applicants are hoping for the place reserved for you, we would appreciate it if you could respond as soon as possible and no later than April 15. If you have questions, please contact your department directly: Heidi Maqueos, funginstitute@berkeley.edu.

This letter notifies you of our admission offer only. You will receive information about financial support separately, if applicable.

Again, many congratulations. I look forward to welcoming you to Berkeley soon!

Sincerely yours,

Lisa García Bedolla

Dear **CHETAN BABU**,

It is my pleasure to offer you admission to the University of Maryland, Baltimore County (UMBC) Graduate School as a graduate student in the **Biotechnology** program for the **Spring 2025** semester. You are now eligible to take courses at UMBC towards the completion of your program. We were impressed with your qualifications, and hope you will find graduate education here both challenging and rewarding.

Please indicate whether you accept this offer by logging in to your myUMBC account. Accepting your admission is required before you are able to register for classes. To activate your account, please visit <https://my.umbc.edu/account> then click the "Create my Account" link. Activating your account requires your date of birth and UMBC Campus ID.

Your Campus ID is: **RI40135**

Only if you have been admitted to Data Science; you may be required to pay a deposit after you accept your admission. This deposit will be a credit to your tuition bill and is not an extra fee. However, you will be required to pay this deposit before you are able to register for classes.

You will be contacted by your Graduate Program Director or Program Coordinator regarding program-specific orientation and academic advisement for your first semester's course selection. If you are subject to prerequisites or other terms of admission, the department will notify you directly. The Graduate School Catalog, Schedule of Classes, Policies and Procedures are available on our website at <https://gradschool.umbc.edu/>, some helpful resources for new students are listed at <https://gradschool.umbc.edu/students/checklist/>.

UMBC's International Student and Scholar Services ([ISSS](#)) will issue you the appropriate document to apply for a U.S. visa after you submit evidence of your financial support. If you have additional questions about this process, please contact the ISSS office using their website.

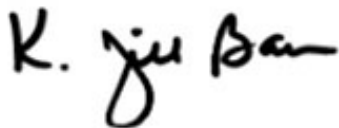

Please review the Mandatory UMBC Health Form, which must be completed and returned to University Health Services with documentation of all required immunizations before you may register for your second term at UMBC. The form is available at <https://health.umbc.edu/health-services/health-requirements/>.

Securing housing is an important step before you arrive in the US. Almost all international graduate students live off-campus during the academic year. Information regarding off-campus housing and public transit is available through [Off-Campus Student Services](#).

Residential Life may provide temporary housing accommodations to UMBC graduate students who will be participating in campus orientation programs. Please be aware that temporary housing is available on a limited basis and is not guaranteed. For more information about registration, availability and costs, please contact Residential Life at reslife@umbc.edu.

If you have other questions or need assistance, please contact the staff of the Graduate School at 410-455-2537 or gradschool@umbc.edu. Congratulations on your acceptance and best wishes in your academic pursuits.

Sincerely yours,

K. Jill Barr J.D., M.Ed.
Associate Vice Provost, Graduate Education
Senior Assistant Dean, Graduate Enrollment Management

Dear Samanth,

I accept your application, and you may plan to start from first week of December this year. I will try to seek you accommodations at IITG campus, if not, then you may look for your own arrangements.

Thanks,

Urmi
