Dear Nikhitha,

We are pleased to inform you that you have been admitted to the MS, Computer Science (Computer Science) Non-Thesis [MS_CSCI_NT] program for Fall 2024. For those programs which base tuition on residency, you have been classified as an International Student

To notify us of your decision, we ask that you complete the Reply Form on your [Status Portal](#). For fall admits, we encourage you to reply by April 15th or the date specified by your program. However, we would love to hear from you before then. For summer and spring admits, please reply as soon as possible.

You will receive an email from EITS regarding the creation of your MyID. Please be sure to set up your MyID. Once it has been set up, you should start using your [MyID Login](#) for access to your Status Portal. For additional information on MyID creation, go [here](#).

Please review the checklist on your [Status Portal](#) for materials that must be submitted before registration. You should also review this [checklist](#) that outlines key actions you must complete. You can also find enrollment policy information on our [website](#).

If you attended an institution outside of the US, please be sure you submit all official academic records prior to registration. Depending on the institution attended, you may have to submit official documents in both English and Original Language. If proof of degree is not clearly listed on the academic transcript, you must also submit an official degree certificate or diploma. Please contact our office if you have any questions about documents you need to submit.

Your admission is valid only if you register for classes in the semester for which you have been admitted. If you would like to defer your application to a later term, please reach out to your program and email gradadm@uga.edu. If you do not register in the semester for which you have been admitted and wish to pursue graduate study at a later date, you must submit a new application and application processing fee to the Graduate School.

We look forward to your enrollment in the Graduate School and hope your period of study will be successful. If you have any questions, please contact us at gradadm@uga.edu.

Sincerely,

Ron Walcott

Stony Brook University

Dear Sai Kumar Jampala,

Congratulations! Stony Brook University is pleased to extend an offer of Full Time admission to the Computer Science MS for Fall 2024. As a community of scholars, we want to make sure that you are supported throughout your education. This letter contains information about the enrollment process and systems you will need going forward.

The admission comes without program financial support, however we encourage you to file the Free Application for Federal Student Aid ([FAFSA](#)).

Please accept or decline your admission offer via the [decision reply form](#). Please do this as soon as possible as failure to respond promptly may result in forfeiture of the offer of admission.

Your deadline to accept your offer is: April 15, 2024

Please note that you will need your Stony Brook ID 116413460 for all inquiries, including email correspondence. You will need this ID to access [SOLAR](#), Stony Brook University's enterprise-wide, self-service system which provides students with online access to manage personal information. Students use SOLAR to register for classes, print schedules, view and pay bills, update personal contact information, view transcripts, and submit student employment timesheets. Your initial password is your six-digit birth date (e.g., 080284 for August 2, 1984). You need to change this password the first time you log in (you will receive a message stating your password has expired). Click the link to change your password. If you are a current Stony Brook student or employee, your ID and password remain the same.

Your admission is contingent upon your successful completion of any current academic coursework and receipt of all final official transcripts. Please be sure to arrange for your final transcripts to be sent to the Graduate School Office of Admissions and Student Services.

An "Admissions Enrollment Checklist" is included with this letter to assist you with your next steps. Your individual program may also contact you separately with additional information. Please be sure to review and carefully consider all the information you receive when deciding to accept your offer. If you have any questions, please contact the Graduate School Office of Admissions and Student Services at (631) 444-2111 or gradadmissions@stonybrook.edu

Again, congratulations on your acceptance to Stony Brook University. I look forward to welcoming you to our campus community.

Sincerely,
Computer Science MS

Dear Ms. Peta:

Congratulations! The Graduate Admissions Committee of Computer Science and Engineering has reviewed your application, and it is our intention to offer you admission to the M.S. program for Fall 2024 once the admission process is complete. This process requires review of all credentials submitted, including the diploma, academic transcripts, etc., by Graduate Enrollment Services in the Graduate School, and verification of authenticity. We appreciate your patience while this necessary step in the graduate admission process at Penn State is conducted. Admission is being granted without financial aid, pending verification of your academic credentials. This admission offer is valid only for Fall 2024. You will receive formal notification from the Graduate School soon.

We have assigned the Graduate Professor-in-Charge for our M.S. program (Dr. John [Jack] Sampson) as your temporary adviser. By default, all new students are admitted into the non-thesis/scholarly paper option. If you are planning on completing the thesis option for our M.S. program, it is expected that you will work towards finding a research advisor for your M.S. thesis within your first year in the program.

Please be aware that while Teaching Assistantship opportunities do exist for MS students, they are limited in number. Similarly, slots for MS students seeking to take the AEOCPT exam are likewise limited, and you may be placed on a waiting list for the AEOCPT.

The deadline for acceptance of this offer of admission is 04/15/2024. However, we would appreciate any early information that you can send us about your decision. If you need an extension on the deadline for acceptance, please contact us. We hope you will join our program in August. If I can help you in any way connected with your decision, please do not hesitate to contact me.

Sincerely yours,

Dr. John Sampson
Professor-in-Charge, CSE Graduate Program

About Your GRE® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2021, are reportable through July 2, 2026. Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Beginning in September 2023, the subscores on the Physics and Psychology Tests will be reported as percent correct scores (i.e., the percentage of questions in a subscore area answered correctly). Subscores earned after September 2023 should not be compared with scaled subscores earned prior to September 2023.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Free GRE Diagnostic Service

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

Retaking a GRE Test

You can take the GRE General Test once every 21 days, up to five times within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can retake a GRE Subject Test once every 14 days.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

Dear Shruthi:

I am happy to inform you of your admission to the Master of Science in Engineering Management program for the Fall 2024 semester. I congratulate you on this honor and look forward to having you join the UNC Charlotte community. Let us know if you accept or decline this offer of admission by completing the Enrollment Intention form.

Note this offer of admission does not constitute an offer of financial support, and any such offer will be extended via a separate communication.

Your UNC Charlotte Student ID is 801421926, and your NinerNET username is skuncha2. You will need the username to activate your NinerNET account at <https://niner.net.uncc.edu>. Using your NinerNET account, access My Charlotte at <https://my.charlotte.edu> to register for classes, make payment, check your UNC Charlotte email, and more.

Additionally, you should become familiar with the rules and regulations of UNC Charlotte, the Graduate School, and your graduate program. Your attention is specifically directed to the Graduate School's statement on Student Responsibility, the UNC Charlotte Code of Student Academic Integrity, and the UNC Charlotte Code of Student Responsibility. These documents are available online in the Graduate Catalog.

Please communicate with the advisor provided below to determine your academic plan of study. Your admission allows you to register for classes in the term and year to which you are admitted. If you wish to enroll in a different term, year, or program, you should reapply for admission.

Again, congratulations, I wish you every success as you begin this exciting journey.

Sincerely,

The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2021, are reportable through July 2, 2026. Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Beginning in September 2023, the subscores on the Physics and Psychology Tests will be reported as percent correct scores (i.e., the percentage of questions in a subscore area answered correctly). Subscores earned after September 2023 should not be compared with scaled subscores earned prior to September 2023.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Free GRE Diagnostic Service

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

Retaking a GRE Test

You can take the GRE General Test once every 21 days, up to five times within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can retake a GRE Subject Test once every 14 days.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.
