Nandhansimha Reddy, congratulations on your admission to the NYU Tandon School of Engineering!

In the coming days, you will be included in a series of communications that

will keep you informed about what's happening on campus and in our exciting academic environment.

The Department of Technology Management and Innovation is the premier learning, research, and development hub in the New York City/tri-state area devoted to the increasingly critical areas of innovation, information, and technology management. Students come from a variety of backgrounds and have a host of different goals, ranging from conducting research to launching entrepreneurial ventures.

Our faculty and students are at the forefront of high-quality, relevant development opportunities. Many are involved in the NYU Future Labs, which provide the necessary expertise and resources to more than 100 start-ups, helping them transform into successful businesses. By applying to the Data Future Lab, Urban Future Lab, Digital Future lab, or Veteran's Future Lab, you can obtain hands-on experience or launch a new product or service of your own. We can't wait to see what you'll discover this Fall 2024.

We look forward to seeing you on campus!

Sincerely,

Dr. Oded Nov

Professor and Department Chair of Technology Management and Innovation

Dear Mr. Vishnubhotla,

The Computer Engineering program has recommended that you be admitted to graduate school at North Carolina State University! Our university prides itself on the excellence of its graduate programs and the diversity of its student population. NC State is ranked among the top universities in the U.S. [Learn more](#) about graduate education at NC State.

Please return to your [applicant portal](#) to view all required checklist items. The decision is not final until the Graduate School performs a review of your application materials. We must receive and approve all checklist requirements in order to continue our review of your academic record. Once approved, you will receive notification. The Graduate School will then update its records to reflect your new admissions standing:

Recommended Admission status:	Full Admission
Degree Program:	Master of Science (MS) - On-Campus - Computer Engineering
Intended enrollment term:	Fall 2024

Your graduate program requests that you indicate your intent to enroll by completing the enrollment form (available via your application status portal) AND that you pay a \$500 non-refundable enrollment deposit by **June 15 for Fall and Summer Terms, or November 15 for the Spring Term**. Note that some programs may require an earlier deadline.

If you have any questions about your program's curriculum or financial awards (including assistantships), please contact the [graduate program](#) to which you applied.

If we can assist you with any other matters, please contact the Graduate School at graduate-school@ncsu.edu.

Sincerely,

Peter Harries, Dean

Terms and conditions of Fellowship

All students receiving Institute Fellowship and other scholarships are required to work for the entire year including the summer. They are expected to work for some minimum hours a week (as detailed below) during academic session and full time (at least 40 hours a week) during the summer. The work is in addition to courses and research. The work may be to assist in teaching, research, setting up a lab, organizing conferences, coordination etc.

a. Holders of full or partial fellowships are temporary Institute employees and are expected to be available full time at the Institute during the semester and vacations.

b. Work hours: Under Full Fellowship, a research student must work for 20 hours per week during the normal semester and full-time during summer vacation. Under Partial Fellowship a student must work for 10 hours per week during the normal semester and full-time during summer vacations.

c. In view of the time to be spent on your Full Fellowship duties, you are allowed to register for a maximum of 3 courses per semester, unless you are permitted academic overload by your research supervisor.

d. The fellowship is initially awarded for a period of one semester. It will be continued subject to satisfactory academic performance and identification of a research area. If your performance is not satisfactory during the period, your assistantship can be discontinued.

Dear Swathi:

I am pleased to inform you that you have been admitted to the Master of Science program in Data Science in the Schaefer School of Engineering and Science at Stevens Institute of Technology for the Fall 2024 semester. Congratulations!

Because of your outstanding profile, the admissions committee has recommended you for a graduate scholarship in the amount of \$8000 for the first two semesters plus an additional \$4000 for the third semester you are enrolled full-time at Stevens. This highly selective scholarship is offered to only the most highly qualified prospective students, and you should be proud to count yourself among this select group.

For 150 years, the Schaefer School has educated tomorrow's technology leaders to push the boundaries between engineering, science, and beyond. You have been selected to join our internationally renowned community of scholars because of your academic achievement and ingenuity.

This is an exciting time to be at Stevens. Ranked 15th in the U.S. by the American Society of Engineering Education for the number of Master's degrees awarded, Stevens graduates are in high demand and recognized by employers as top candidates.

As a member of the Schaefer School community, you will work alongside scholars who are at the forefront of their fields, and our academic programs will instill a strong career foundation with the advanced skills necessary to succeed in today's highly competitive world.

For more details on your admission, please read the information on the following page. To confirm or decline this offer of admission, please see details under the "Next Steps" section below.

Stevens has built its reputation as "the innovation university" largely because of the quality of faculty and students like you. I am confident that you will find your experience at Stevens enriching and rewarding. Congratulations again, and I extend my warmest welcome.

I look forward to meeting you on campus.

Sincerely,

Dr. Jean Zu

Congratulations! As indicated in the letter from the Dean, you have been awarded a Master's Scholarship Award in the amount of \$8000 + \$4000 for a total of \$12000.

Please read the terms and conditions of this award.

- This is a one-time award that will be disbursed over three consecutive semesters; the award can only be applied toward your tuition and fees for the subsequent semesters, beginning with the Fall 2024 semester.
- The award cannot be deferred to a future term and is non-transferable.
- To accept the award, the enrollment deposit of \$500 must be paid on your Applicant Status Page by **March 15, 2024**. The enrollment deposit is non-refundable, but will be credited toward your tuition.
- The award will be disbursed as follows: You will receive two equal installments of \$4000 for the fall 2024 and spring 2025 semesters and \$4000 for the fall 2025 semester. The amounts will be credited towards your student account after the drop/add period of each respective semester.
- This award is contingent upon you maintaining a full-time on-campus enrollment status as a Master's student in the program for which this award was made. At any time during the semesters should your enrollment status change your award will be canceled and any funds disbursed for that semester will be removed from your student account. You will be responsible for making any outstanding balances that result due to the fellowship cancellation.
- The award is only valid for students enrolled full-time in an on-campus Master's program.
- The award will also be canceled should you decide to withdraw from Stevens at any time during the above-mentioned semester.
- If you are a current Stevens Institute of Technology student and have been admitted into a new program, you are not eligible for the scholarship.
- Failure to accept the offer of admission and pay the enrollment deposit will result in the automatic forfeiture of the scholarship award.
