

CHAITANYA BHARATHI INSTITUTE OF TECHNOLOGY (A)

INFORMATION OF ENGLISH LANGUAGE LABORATORY

English department has four first year English Language labs. They are Computer Assisted Language Lab (CALL Lab)-02 Nos and Interactive Communication Skills Lab (ICS Lab)-02 Nos. The CALL Lab strives to bridge the digital divide by providing all of the students with equal access to technology aided education, the Interactive Communication Skills lab aid learning and attempts to sharpen certain skills of students through activities such as group discussion, public speaking activities, and the like. Both the labs ensure that every student, irrespective of their background, is treated equally in terms of the equipment and learning techniques that they have access. Employability Skills labs provide experiential learning, coaching, and simulations to empower students with effective communication, teamwork, leadership, and adaptability. These skills are vital for career readiness, personal growth, and navigating diverse professional landscapes successfully.
