ABOUT CBIT

Chaitanya Bharathi Institute of Technology (CBIT) is one of the premier Engineering Institutes in India, pioneer in Telangana State, which is at idyllic surroundings of Gandipet Lake, Hyderabad. The college offers 12 UG and 10 PG programs. It has been standing as a temple of knowledge for the past 47 years by producing Eminent and skillful Graduate Engineers, who are successful in their Careers, serving all over the Globe. CBIT Students are prepared and perfected to secure Placements in reputed MNCs. The Institute has been accredited by NAAC – UGC with 'A++' Grade and various programs are accredited by NBA – AICTE. The UGC has granted Autonomous Status from the Academic Year 2013-14 onwards. Stringent Academic Standards, Industry Compliant Teaching Methodology, Research Projects from reputed organizations / Industries and Consultancy Practice, enabled the Institute to establish its Identity in Technical Education and is ranked as one of the best amongst the Private Engineering Colleges in both the Telugu Speaking States.

ABOUT R&E HUB

To enhance research activities and cultivate pleasant research atmosphere, a multi-stored state of the art building with all modern technical facilities was established in the year 2018. It facilitates all departments to carry out advanced research, establish incubation cells and start-ups. The R&E Hub, with its State-of-the-Art Infrastructure, helps to promote Research and Innovations amongst the Faculty and Students by identifying new Research Areas, developing Projects leading to Publications, Products, Innovations and Start-Ups. All research activities are being streamlined to make a mark in 'Make in India' concept of Indian Government. It has two main wings namely Research and Development (R&D) Cell and Innovation and Incubation Center (IIC). The Institute has emerged as a Dream Destination for Students seeking to excel in Engineering, Management & Research, Teaching Community to progress with a rewarding Career and Corporates to source well-rounded Engineers.

ABOUT RESEARCH DAY

RESEARCH DAY, the focused initiative by the Institute is being Celebrated with an Objective to not only change the image from an Under Graduate Engineering College to Research focused Institute but also to expand the base to encourage Research Scholars, Students, Faculty to showcase their Research. The event facilitates the participants to network with faculty, fellow students and local industry who are sharing the same vision from India and abroad and learn the quality of Innovation including the quality of scientific publications, the quality of Universities and patent related filings and recognize their own research while respecting others research in a Win-Win situation for all.

EVENTS

Students and Faculty are invited to submit their research findings to the following events.

- Poster Presentation
- Product Exhibition
- International Conferences of various Domains

Exciting Prizes will be Awarded to the Best Posters, Products and Research Papers under various Domains
